4-H Club or Group Annual Plan **Sample Document**

4-H club or group officers and adult advisors should meet at the beginning of the year and before each club or group meeting to plan activities and set the business meeting agenda, educational program, and recreational activities. The most effective club meetings are those that run a maximum of 60-90 minutes and consist of three segments: recreation (15-20 minutes), business (20-30 minutes), and program (up to 30 minutes). Conclude the meeting with nutritious refreshments. The meeting sequence should be arranged to meet the needs of members, program guests, or club preference. Use this form and your county 4-H calendar of events to organize your club meetings and your annual plan. See sample below and blank form for planning on back page.
