\_\_\_\_\_ Yes! I want to take the current shipment!

4. AGREE TO THE RULES: I certify that I am over 21 and if I have my wines shipped that an adult over 21 must sign for them. Wines shipped to a business address will save 20% on shipping. Business address means a real business park, not a home based business or Fed Ex will charge me extra. I promise to pick-up my wines within 60 days of notification. I understand that there is a one year minimum in the club, and I must notify the Winery in writing if I need to cancel. Whew!
