Meet the Manager

Welcome to Step by Step day nursery. My name is Theresa, and I am the nursery manager. Thank you for taking the time to enquire about our nursery.

We are a children's day nursery situated in Hither Green. We provide childcare for children aged from 3 months to five years. We are a small and friendly nursery, and we pride ourselves on providing a very kind and loving, home away from home environment for all of our the children.

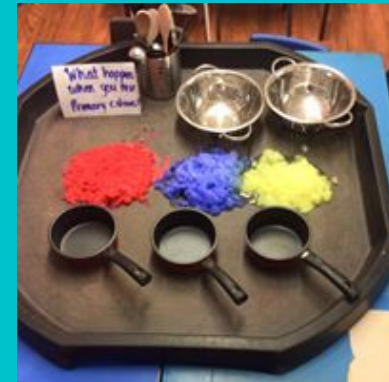

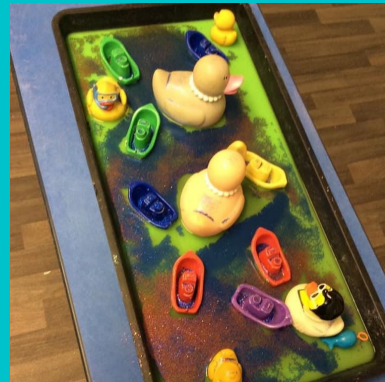

Meet the Deputy Manager

Kealey has worked at Step by Step day nursery since 2014. Kealey started working as an apprentice, and has worked her way up to the role of deputy nursery manager. Kealey works hard, supporting Theresa, to ensure that all of the children are safe and happy. Kealey works very well as a team and enjoys her role at the nursery. Kealey's favourite aspect of her position is the relationships and interactions that she has with the children. Kealey is always around to answer any questions.

Where are we?

Monitoring and Assessment

WHAT IS TAPESTRY?

- Online Learning Journal.
- It is fully secure and only password holders can access the features.
- Parents only access their own child's Learning Journal.
- Includes the statements the teachers assess against.
- Parents can add their own comments from home.

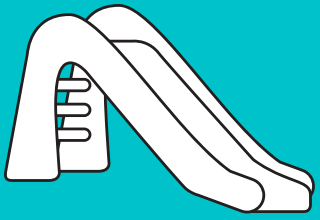

WHY ARE WE USING TAPESTRY?

- It increases the time spent interacting and playing with the children.
- It gives us as practitioners more time to spend planning and creating exciting learning opportunities rather than printing, cutting, sticking etc into books.
- It creates a two way communication between the EYFS team and the parents and carers.
- It enables us to show you what your children really do at school which will give you opportunities to extend your child at home.

We use Tapestry an online learning journey to assess your child.
