

### Five score to lead Plainville

PLAINVILLE — Five different players scored for Plainville Saturday night as the Cardinals rolled to a 35-7 victory over Lyons in the second round of the Class 3A state football playoffs.

With the victory, the Cardinals, now 10-1, travel to Clyde next Friday night to play the top-ranked Clifton-Clyde Eagles in the semifinals.

The Cardinals rushed for 285 yards on the ground while holding Lyons to just 113 yards of total offense. The Lions ended their season at 9-2.

Joel Russell gave Plainville a 6-0 lead in the first quarter on a one-yard run and after a PAT kick by Grady Gaschler, Jerard Kennedy raced in from 35 yards out in the second period.

The Cardinals put the game away with three TDs in the third quarter as Curt Patrick scored on an eight-yard run, Bernie Gehring caught a 14-yard pass from Gaschler and Gaschler dove over from a yard out.

### Wheatland wins 1A volleyball

RUSSELL — Wheatland High School won its third consecutive Class 1A state volleyball championship Saturday night with a 15-9, 15-6, victory over arch-rival Grinnell in the finals at Russell High School.

The victory by the Shockers from Grainfield avenged a 15-13, 9-15, 14-16 loss to Grinnell in the second round of Pool 1 play earlier in the day.

Wheatland, which also won Class 2A state titles in 1974, '78 and '82, finished the season at 32-2. Grinnell, which owns four 1A state titles of its own, ended the year 29-3. The five losses totaled by the two schools were against each other.

The two Gove County schools dominated their matches against other teams. Wheatland won its three matches by a point total of 90-16, while Grinnell had a 90-35 margin against its three foes.

In the third-place game, Pratt-Skyline edged Clafin, 15-10, 12-15, 15-12, to finish the season at 34-4. Clafin finished with a 25-5 mark.

### Struckhoff, Deckert pace KSU runners

STILLWATER, Okla. — Jacquie Struckhoff and Alysun Deckert boosted the Kansas State women to a second-place finish in the District V Cross Country Championships Saturday and a spot in the national meet.

The Wildcats scored 82 points to finish second behind Iowa State's 42. K-State edged Nebraska by one point for the national berth.

Struckhoff, a junior from Grinnell, finished third in the 5,000-meter race with a time of 17:34.2, while Deckert, a sophomore from Salina, was sixth in 17:42.3.

"Alysun came through with a great performance. She was the outstanding performer for us," said KSU head coach Steve Miller. "After placing 17th in the conference and to come back and place sixth in the district meet was just super. I'm really proud of her effort, as well as the team's."

Anne Stadler was 18th (18:08.5), Lisa Wakem 24th (18:25.9) and Nancy Hoffman 33rd (18:39.3) to round out the K-State runners.

### Lendl, Becker reach tournament title match

WEMBLEY, England (AP) — Ivan Lendl and Boris Becker, the top two seeds, won their semifinal matches Saturday in the \$375,000 Benson and Hedges tennis championships but were stretched to the limit by two gutsy opponents.

Becker, West Germany's 17-year-old Wimbledon singles champion, needed two tiebreakers before clinching a place in today's championship match with a 7-6 (11-9), 7-6 (7-4) victory over Sweden's Anders Jarryd.

Lendl, the world's No. 1 player and defending champion, had an even tougher time against unseeded American David Pate, finally coming through 6-4, 6-7 (5-7), 6-3 in 2 hours, 15 minutes.

Lendl, who is unbeaten in Grand Prix play since mid-August, had been in devastating form earlier this week but was strangely out of sorts against Pate.

He was troubled not only by the American's serve-and-volley game, but also by large drops of rain which

fell persistently onto the Supreme court from the leaky roof of the Wembley Arena in northwest London.

Officials placed a ball boy at the side of the court to mop up the wet spot whenever it got too bad.

But Lendl was not satisfied and at the end of the second set, he asked the organizers to postpone the match while the leak was plugged.

His request was turned down but workmen were sent up into the roof to work on the problem.
