

## NEW CHANGES FOR 2018!!!

- **ACS HAS INCREASED THE ADDED MONEY TO THE OMEGA BILLIARDS 2018 ACS NATIONALS TO \$42,000 !**
- **CHANGES TO ADVANCED 8-BALL SCOTCH DOUBLES:** For the Advanced 8-Ball Scotch Doubles team division ONLY, any two (man/woman) ACS league members who have met minimum participation requirements may compose an Advanced Scotch Doubles team. **They may qualify in separate ACS-sanctioned leagues.** Partners in Standard and Open Scotch Doubles teams must still be qualified from the same ACS-sanctioned league.
- **HANDICAPPED 9-BALL SINGLES SPLIT INTO TWO SEPARATE DIVISIONS IN BOTH MEN'S AND WOMEN'S:** ACS will be offering two separate divisions in both Men's and Women's 9-Ball Singles, so that one category be composed of Standard/Open players and one category be composed of Advanced/Master players. RACES: Men's Standard/Open – 5/7 // Men's Advanced/Master – 7/9 // Women's Standard/Open – 4/5 // Women's Advanced/Master – 6/7. More added money will be offered to accommodate the new divisions.
- **NEW ADVANCED TEAM DIVISION GUIDELINES:** Advanced Men's/Mixed 8-Ball Teams may now be composed of a minimum of three (3) qualified core players from the same ACS-sanctioned league on the roster and **two (2) or more from any other ACS-sanctioned league within the same state;** and Advanced Women's 8-Ball Teams may now be composed of a minimum of two (2) qualified core players from the same ACS-sanctioned league on the roster and **two (2) or more from any other ACS-sanctioned league within the same state.** Advanced Men's and Women's 9-Ball Teams may now be composed of a minimum of two (2) qualified core players from the same ACS-sanctioned league on the roster and **two (2) or more from any other ACS-sanctioned league within the same state.** Standard and Open 8-Ball and 9-Ball Teams must still meet the traditional composition requirements with all roster members from the same ACS-sanctioned league and as stipulated in the specific team entry form instructions.
- **MAGIC RACK POLICY:** “Magic Rack” or similar racking devices may be used at ACS competitions only if BOTH match competitors or teams approve the use (and both may use the rack if BOTH approve), but the device may not be used if not approved by BOTH parties.
