**MID-MICHIGAN
RECOVERY SERVICES**

For too many drug and alcohol patients, finding recovery feels LIKE A GAME THEY CAN NEVER WIN.

Many of us know loved ones, friends or colleagues who have struggled with substance misuse. Seeing the pain and destruction in their lives can leave us feeling helpless. Lost. Heartbroken.

Mid-Michigan Recovery Services understands.

Drug and alcohol patients, especially the poor and homeless we serve, must overcome an array of obstacles to lasting recovery.

The good news: Mid-Michigan Recovery Services knows the way to new life. That's why we are here. Many of us have walked this path ourselves. We are highly trained and leaders in this field. We have a track record of success.

And we want you to be part of it.
