

Great Things

Rachael Martin, 7/12/2019

When Jesus was out and about, GREAT THINGS happened. I feel like I've lost this perspective a little so I wanted to write about the hope that is always there... that has never left.

Similar to the story about the old couple in the car driving along and over the years they had drifted apart and the woman looked at her husband one day and said "why don't we sit close anymore?" and he said "I never moved."

God hasn't stopped performing miracles and Jesus hasn't stopped loving you and me and Holy Spirit has not stopped drawing the hearts of people and healing people. I believe that living in this world can take a toll on anyone – including believers, we are not exempt because we have Jesus living on the inside.

However, I think when the cares of this world and the people in our lives take our time and energy, we can get less motivated to find the truth, less motivated to praise God through it and become less motivated to stir up the waters of our faith.

I know personally that the Lord performs miracles, He has healed me from many things. I also know that I have been stretched thin with sickness & disease in my life and my families. I'll never be able to answer fully why some are healed and some die. Some get through a sickness and others walk through life crippled with infirmities whether physical or mental.

I can say this, when we finally meet Him face to face, there will be no more sickness and we will encounter His greatness and want for nothing. I also know that if we remember the great things He has done for us and others more than we remember the things He hasn't done, we will find ourselves in a place of thanking Him and GREAT things come from a thankful heart.

Psalm 126:3 - The LORD has done great things for us; we are glad

Luke 1:49 - For he who is mighty has done great things for me, and holy is his name.

Psalm 31:19 - Oh, how abundant is your goodness, which you have stored up for those who fear you and worked for those who take refuge in you, in the sight of the children of mankind!
