Hi everyone. We hope everyone is staying healthy. Not much to report, as we are pretty much stuck in place. As of now, our May meeting will still be held Sunday, May 3rd. at 1 p.m. at the Paw Paw Eagles. If there is a change, which will only occur if the stay at home ordinance is extended, we will post an update on the region 12 Facebook page, and I will send it out to all the a.b.a.t.e. members email addresses that I have on my computer. If you don't receive email updates, but would like to, send your current email address to terryanddi@msn.com and I will add it to the list.. thanks

After much thought and discussion, Melissa has decided we should postpone our region poker run, originally scheduled for Sunday, June 21st. Unfortunately, a couple stops that were planned on the route aren't even sure they will be able to open once the stay at home ordinance is removed due to lost revenue. It will be rescheduled once things return to normal.

The coast to coast ride is still on the agenda!! The weekend is Friday, July 24th to Sunday, July 26th. It starts at Sterling State park, camping Friday, watch the sunrise Saturday Morning, then travel across the state, staying the night at Van Buren State Park, watching the sunset on Saturday night. Contact Melissa at 269-532-9570 with any questions. This sounds like a fun weekend!!

With all the cancellation of fundraisers and events, Eric really would like us to focus on moving Bike Raffle Tickets and the tickets for our Raffle Draw down, to be held on Saturday, August 29th, at the Constantine American Legion Post. With schedules being altered all over the state, our a.b.a.t.e. treasury will probably be struggling to make ends meet. These are 2 ways we can help make a difference. Tickets will be available for both at all our meetings, or contact Eric or Terry (email above) to inquire about or purchase tickets for either... The trip to Angels is also being postponed to Wednesday, June 10th. No cover if you arrive before 6 p.m. Hope to see you all there!! See you all Soon!
