## Snow Removal

***PLEASE refrain from parking vehicles on the street when it's likely that plowing will be necessary.***

The Town of Rockford believes that it is in the best interest of the residents for the town to assume basic responsibility for control of snow and ice on town streets. Reasonable ice and snow control is necessary for routine travel and emergency services. The town will provide such control in a safe and cost effective manner, keeping in mind safety, budget, personnel and environmental concerns. The town will utilize town employees, equipment and/or private contractors to provide this service. For a copy of the policy in it's entirety, please contact Town Hall or visit [www.rockfordwa.com](http://www.rockfordwa.com).
