Meet Brandjactory!

Connect with investors. Brandjactory is a relationship building platform that connects brands with early stage CPG investors to accelerate a brand's growth trajectory.

Tools and technology. Brandjactory combines the best of social media, networking platforms, and secure file distribution tools to cultivate meaningful relationships between early stage CPG entrepreneurs and accredited investors focused on the industry.

Focused on relationship building. Brandjactory is designed to create and build relationships between investors and brands. It's not a crowdfunding or transaction system, so transactions occur outside of our platform.

Be discovered by investors with greater efficiency and effectiveness.
