

A Voice Discovered

Grant Application

Thank you for your interest in applying for a grant from A Voice Discovered, a non-profit 501 (c) 3 foundation founded in 2012. Part of A Voice Discovered's mission is to provide funding support through our grant program to help those with complex communication needs and the people who support them gain access to the services and equipment that are necessary for them to effectively communicate.

The grant committee will review and provide grants to individuals in accordance with our guidelines and policies. Applications are reviewed on a first come first serve basis. The grant committee meets once per month to evaluate and make grant determinations. You will receive notification of the committee's decision within 30 days of receiving your application. Notification will be sent via email to the person who applied. Please review AVD's FAQs, guidelines and policies on our website www.avoicediscovered.com

A Voice Discovered accepts grant applications for people who need AAC equipment and services in Ventura County from January 1 through May 31st of each year. On June 1st of each year, if there are still grants available, A Voice Discovered accepts applications for people who need AAC equipment and services in all Southern California counties.

Please consult the application checklist on the following page to ensure your application is complete. Only complete applications sent via US Mail or email will be considered. We cannot accept faxed applications.

If you have questions about the process please contact us at grants@avoicediscovered.com or call 1 (805) 651-3906.

Mail your complete application and all supporting materials to:

Application Checklist

The following are required. Incomplete applications will not be considered. Please refer to the FAQ section on the website, www.avoicediscovered.com for additional information about the application process, what and what we fund and how grants are distributed.

Required

- If you are applying for AAC equipment (e.g., iPad with communication app, wheelchair mount, switches, etc.) please include the following:
 - An AAC Evaluation report. The evaluation reports recommending an iPad with communication app must be completed by an ASHA-certified speech and language pathologist (SLP) within 1 year of the date of the application. It is preferable that the SLP have AAC experience as well.
 - If applying for equipment such as a mount, switches, etc, please include the rationale for the specific items being recommended.
 - Quote for the cost of the equipment from the manufacturer. The full name of the device, price and descriptive information must be provided (e.g., mount, switches, iPad, communication app)
- *If you are applying for AAC services (e.g., AAC evaluation, therapy, training, etc.) include the following

- Quote of service (AAC assessment, AAC therapy, AAC training)
 - Service provider contact Info – include the facility and therapist where applicant will be receiving assessment/therapy. The therapist must be informed that you are applying for a grant through their facility as the service provider.
 - It is recommended that the SLP have experience providing AAC services
 - If you do not have an SLP, A Voice Discovered can provide you with a list of names of SLPs local to you who specialize in AAC.

- Please note if applying for services (e.g., AAC evaluation, therapy, training) that all other funding options must be exhausted first.
 - If you have private insurance please contact your insurance company to inquire about an AAC evaluation and therapy and to see if there is a therapist with AAC experience in-network.
 - If the applicant is a Regional Center consumer and 22+, please talk with your service coordinator about AAC evaluation and services.
 - The applicant must first pursue funding for services through other means such as private insurance, Medi-cal, Medicare, Regional Center. Please contact grants@avoicediscovered.com with any questions about funding options.

- Testimonial
 - In order for A Voice Discovered to raise awareness about the importance of access to AAC equipment and services as well as to raise funds for our grant program we rely on testimonials of grant recipients. Once you have received your grant you will also receive a feedback form with a space to fill out a testimonial. The testimonial does not need to be long. A few sentence or short paragraph are incredibly helpful. Including a picture and/or video of the person who benefited from the grant is also helpful as our donors enjoy seeing who is benefitting from the grants.

Optional

- IEP, other reports, include only pages that reference communication impairment
- Photos/Videos

You may type information into this form and either print it out and sign to send by mail or provide an electronic signature and submit as an email attachment.

Please submit your completed application and all supporting materials to A Voice Discovered by one of the methods. Contact grants@avoicediscovered.com with any questions about the grant process and funding for AAC.
