

Memories – AFVN Telephone Numbers as of January 1968

How many of these do you remember?
It really doesn't matter because none of them exist anymore....

Television Branch	Tiger 3182, Ext 21		
Supply OIC & NCOIC	Tiger 3182, Ext 53 or 54		

The following is from the Saigon Telephone Book in 1971

Evidently (courtesy of the U.S. taxpayer?) a new system had been installed and the old military "Tiger" (U.S. Military) exchange numbers were replaced with more modern seven-digit numbers. And, while "3182" (between 3181 and 3186) was retained, some of the extension numbers have changed.

<u>AMERICAN FORCES VIETNAM NETWORK</u>
