v18.8R	End Of Game Point Totals									

Each Achievement is scored in 1 of 3 ways: Multiple Times (M), Once to each Player (P), and Once per Round (1). Each Achievement has points associated with it, some are **negative**. Some Achievements require a public vote which will require a 51% majority. Some require a private vote, which should be written down and concealed.

*** NOTES: 1. "≥3" reads as "3 or more." 2. For post game achievements, make notes during the game if needed. 3. "Constant" Achievements are the same on EVERY list, the rest vary list to list. 4. A complete round is from the start of someones turn until the start of their next turn. 5. Each Changeling counts only once, and as only 1 type for achievements (vou dick)**

Create games that EVERYONE will love to remember, not the ones you'd like to forget.
