First to Review

This store had leather goods in it as well as a great selection of patches and misc. types of jewelry and riding gear. The gentleman there was very nice and helpful. You can pick out patches and he will put them on for you while you wait. Overall, very satisfied with the customer service and I have recommended his store to everyone that I know. Go check it out he's open all year round.

Needed a leather jacket tailored and bought another one from them I'll probably also ask to be taken in. They said no problem and it was a great price. Great local business and the owner is cool to talk to. Definitely coming back for all my leather needs - as weird as that sounds.

Best place to buy all your motorcycle riding gear. Great service, prices and selection. Also had my 25 year old jacket restored by them. I thought I'd never wear it again, but they did miracles. Thanks Eddie.
