We strongly recommend trip insurance as a protection against cancellation. Trip insurance may be obtained through several companies such as CSATravelProtection.com, GetAwayInsurance.com, InsureMyTrip.com, TravelGuard.com, or TravelProtect. Com. We do not personally endorse any of these companies, have no affiliation with any of them, and merely list them as a courtesy. Many companies may be found online by doing a search for "trip insurance". If you choose not to purchase trip insurance and you need to cancel your reservation, notify us in writing to release the property dates back to us and we will attempt to re-rent the property for you. In the event we are able to rent the property and YOU HAVE NOT PURCHASED TRIP INSURANCE, we will refund, your money less a 15% fee only after we have secured a new rental for that time frame and we have been completely paid in full by the new applicant. If you request a refund from Best Price Investments, Inc. and YOU HAVE PURCHASED TRIP INSURANCE, be advised that is considered insurance fraud and is a crime.

WEATHER POLICY: We cannot guarantee good weather. There are no refunds for weather conditions unless there is a mandatory evacuation. Protect your investment by purchasing Trip Interruption insurance. During winter months prepare to drive in possible snow or ice conditions.

ELECTRIC SERVICE: Blue Ridge Electric is our electric provider. Outages should not occur, but if they do, should only last a short period of time. 'Best Price Investments, Inc' or the owners are not responsible for loss of electrical power due to extreme weather conditions and refunds will not be issued.

FIREPLACE: Our fireplace is available for use in the cooler months. The fire place is GAS. During those times, if you wish to use it, there is an on/off switch located on the logs in the lower right hand corner. Please NEVER turn off the pilot light. DO NOT throw anything into the fireplace.

FIRE PIT: There is a fire pit on the property for your enjoyment. Please do not use it if you see that there are high winds. The embers can carry and light the trees and cabins nearby. When you use the fire pit, never leave the fire unattended and make sure all embers are extinguished before retiring. Please help keep our mountain clean by bringing in anything that you have taken out to the fire pit area.

CLEANING: A cleaning fee of \$90 is charged. Please follow the Check-out procedures detailed in our book or on our website (www.borrowedtimenc.com).
