## NEWSLETTER

---

Congratulations to the teams gaining berth in the D.D.A. playoffs. The fourth and final round of play is wrapped up for the 1987-88 Fall/Winter League. As is customary, the final round saw some tough matches as teams either solidified their position in the playoffs or gained a berth in the playoffs. A list of the playoffs is in this newsletter.

The annual banquet is well planned and an even better time than last year's is anticipated. The reservation form and several articles pertaining to the banquet are also found in this issue.

The thought at this time is to ensure all D.D.A. members realize the annual business meeting will take place during the banquet. This includes elections for officers of the Board of Directors' seats whose terms expire this year. The office of Vice-President and four Board of Trustees seats are open this year.

Enough can't be said as to using your right to vote wisely. It should be emphasized that these elections are not popularity contests but are held to hopefully elect the most honest, responsible, qualified and willing people to govern the financial and business of the D.D.A. Your vote will either make or break this association.

The D.D.A. has grown to it's present level through it's members desire to have the best available personnel serve as it's officers. Continued growth and strength will be obtained by using your vote and using it wisely.

Bear in mind that nominations are accepted from the floor for the elections as well as in advance. The people that have chosen to allow their name to be nominated in advance are to be found in this newsletter. More candidates will be nominated at the banquet so wait to select your choices until all nominees are named at the election portion of the banquet.

DEAR HANK....

by Hank Duff

Okay all you darters, let's get ready for the party! It's all for you and you deserve it. This year has been a great year for the D.D.A. members. We are growing and things are happening.

Another Dayton Dart Open is planned this October with Busch beer participating as a sponsor.

A great list of people are running for the Board of Directors - I'll give you a run down.

Mark Grencoavage has placed his name on the ballot for Vice-President. Mark has been a silent worker for the Board, volunteering to help with everything he can. He has given us much of his time. Mark understands how the Board operates.

Ellie Nicoll on the ballot for Trustee. Tell me a lady who knows more about darts. She has been a member of the D.D.A. since it was started and has been a member of the Board as a Trustee for four years.

Bill Bereda as Trustee. This guy has been a bear. How could we have gotten along without him? He was at his best at the D.D.A. Open. How could the Easter Seals have gotten along without him?

Pete Mougey as Trustee. Pete has volunteered his services at every meeting. He wanted to contribute to the D.D.A. and he has.

Chris Sanders as Trustee. He deserves so very much credit. I couldn't begin to tell you all he has done, some of which required Chris to miss work at his expense, to help with the D.D.A.

Mike Frith as Trustee. His knowledge of writing articles and the things he does with a computer would surely benefit the association.

Bill Nicoll Sr. as Trustee. Mr. Dartman himself. Ask him anything about darts and he will know. A former American Darts Organization representative, Tournament Director, you name it. He also has been a long time member of the D.D.A.

Mark Ferguson as Trustee. Mark's from the Little York Tavern and has some positive ideas for the association. He has been a member of the league and Captain of his team for seven years. Now he wants more involved with the operation of the D.D.A.

These are the people known at this time wanting your vote at the Banquet this year. Of course there will be other nominations from the floor. So do your duty and vote!

Congratulations to Pam and Tom Patterson on the birth of their daughter March 26.

The mens' Lucky Sixteen at Hanks Pub witnessed a perfect six dart game of 301 by Ron Cloutier. That's a first at Hanks.

Four guys and two ladies from Hanks' mens' and ladies' Lucky Sixteens going to the Dallas International Darts Classic in May.

If you're not in the Summer League you're going to miss a lot of fun. Go to your favorite dart bar and get a new team started. Let's keep the D.D.A. growing.

Hope to see all of you at the dart banquet.

Hank

**A.D.O. ALL STAR PLAYOFF**

The top three finishers from the A,B and C Bracket Playoffs met at the Shroyer Inn on April 30 to play a round robin play-off to determine the two players to represent the D.D.A. in the A.D.O. All Star Playoffs.

Greg Ford took top honors as he went through the bracket undefeated and Ron Cloutier finished second with Tom Patterson finishing third. Ron tossed five Ton 80's during the competition and Greg threw two. Those who chose to take in the event also witnessed a rare feat. Steve Schuyler took 170 out in his last match in the final leg with the match tied at two legs apiece. This is the highest out shot that can be made and a perfect throw of triple 20, triple 20 then double bull claimed Steve's victory. GREG FORD, RON CLOUTIER and SUE KREUZER will represent the Dayton Darting Association in the A.D.O. Playoffs. Best of luck to these players in that they will face some of the best players in this region.

**HEAVY HEAVERS DOMINATE**

At the A.D.O. playoff in the Shroyer Inn, it was heard that Katz's Heavy Heavers are the dominating force in the Dayton darting scene.

How can this be? Well, it was brought to our attention that the Gem Division Champion, Ron Cloutier, Bracket A Champion, Ron Cloutier, and A.D.O. Playoff Champion, Greg Ford are Heavy Heavers. It was also pointed out that Greg finished in the top three in the Division Playoffs, four of the top five finishers in the A Bracket are Heavers (1.Ron, 2.Greg, 4.Tom Patterson and 5.Sam Few) and that the top three finishers in the A.D.O. Playoff are Heavers (1.Greg, 2.Ron and 3.Tom). Not withstanding are the numerous Gem Division team championships won by the Heavy Heavers.

The Heavers also qualified for this year's team playoffs going on now.

Impressive to say the least.
