

First I'd like all the members who came out to the meet and greet, LOL.
We will be at the Pigfest on the 13th at the Ramada west in Lansing with information, sign ups, and raffle tickets.

The MRF is working on definition of a motorcycle with congress.

If you would like to attend ABATE of Michigan legislative days check dates at www.abateofmichigan.org and while your at it check out all the good times in the Chain of Events.

Hope to see you there.
