

**INSTRUCTION CURRICULUM REVIEW AND DEVELOPMENT****POLICY**

The program of study of the Valley Stream Union Free School District Twenty-Four shall be approved by the Board of Education and will have syllabi prepared by the professional staff which are in accordance with the legal requirements of the State of New York and the philosophy adopted by the Board of Education. These syllabi are to provide the instructional staff with the direction and means for reaching the learner goals established for the district.

The Superintendent of Schools shall have the general coordinating authority and oversight of the preparation of all programs of study, syllabi, curriculum guides and course descriptions developed within the district.

Board of Education

ADOPTED: June 18, 1992
