SOROPTIMIST INTERNATIONAL OF MUSIC CITY NASHVILLE

PLANNING MEETING

President Aurora and twelve SI Music City Nashville members met on Tuesday August 7th to conduct the annual planning meeting for the 2018-2019 year. Projects and fundraisers from the past year were reviewed and discussion ensued on how they could be improved. Projects, events, and fundraisers were planned and the calendar for this year is filled with many opportunities for service and fellowship.

Among the highlights we will be celebrating our Live Your Dream award winner in February, partnering with Youth for Christ for our Dream It, Be It workshops at Maplewood High School, working with End Slavery TN with our presence and birthday cakes, supporting Kings Daughters and Oxford House with our gardening skills, and building on our successful fundraisers from this past year. We will even find time to be social with our outing to hear the Song Suffragettes in Nashville.

This is just a piece of our plans for the year. It will be busy and varied, but that's what makes it fun. There is something for everyone!

2018-2019 Music City Nashville Club Officers: L-R Installing Officer Millie Grammer, President Aurora Daniels, Vice President Nancy Los, Secretary Christina Teeple, Treasurer Cheryl Bradley, Directors Priscilla Tatarsky and Lorene Bentley.
