SIGN AND SYMBOLS OF THE LUCIFERIAN SYNOGOGUE OF SATAN ON EARTH

The purpose of this illustration is to observe some of the many Luciferian Motifs, Hidden in Plain Sight as Corporate Logos and the like. Primarily, the Biblical inference to the Name, Number and Mark of the Beast is deduced as 666. It is said that the Beast is disclosed as the AntiChrist of the Bible that is coming to 'Save Humanity'. In the Rockefeller Plaza, this 'LORD' is depicted as Prometheus who Stole the Fire of Illumination. He dared bring it to Humanity' against YHWH's Decreed of having a 'Prime Directive' not to. The Human Bloodlines such as the Rockefellers and the Rothschild, for example claim to have this Serpent or Dragon Blood and Power and Authority to Rule over Earth. Lucifer has given his Kingdoms on Erath, for the moment to Subjugate all Humanity with. Such Bloodlines thus, control all aspects such as the Money, Medicine, Military, Media, Secret Intelligence gathering apparatuses, World Think Tanks, Religions, Food, Fuel, Education, Entertainment and Industry. Such Motifs are the Signatures of Luciferian Ownership.
