FYI~

Effective July 1, 2016, any staff, consultants, or independent contractors of service agencies who witness or becomes aware that an individual with and Intellectual and Developmental Disability has been a victim of, or is in imminent risk for, must make a report to law enforcement within 24-hours. Failure to report is a class 3 misdemeanor. Please see House Bill 16-1394 for complete list of persons mandated to report, definition of M.A.N.E, and consequences for not reporting and/or false reporting.

Please contact your Program Coordinator if you have any question.

Thanks!
