

BLOOD MOON CARDINAL CROSS

The purposes of this study is to illustrate the Cardinal Cross that will reach its zenith on April 23, 2014. This Cardinal Cross, in comparison to most others is very peculiar in several ways. 1) It occurs right after the start of the Tetrad. 2) It occurs in-between the 1st Blood Moon and the accompanying Solar Eclipse. 3) It occurs at precisely 13 degrees from each of the Cardinal signs. 4) The planet alignments of Mars-Pluto-Uranus-Jupiter will all be 'squared' or at 90 degrees of each other. According to some who study astronomy, the Cardinal Cross will coincide with the Grand Cross. This is rare since it has not happened since a full Precession of the Equinox. According to astronomy, the 4 Cardinal Signs are Libra-Capricorn-Aries-Cancer. These Cardinal Signs are not to be confused with the 4 celestial Cardinal Points of Leo-Scorpio-Aquarius-Taurus that are also corresponding to the Biblical 'Sentinels' before the very Throne of the Creator in Heaven as depicted in the Bible. To those in the Christian community in particular that believe that the LORD has prescribed signs in the Sun, Moon and Stars, the Tetrad of 2014-15 accompanied by the Cardinal Cross is yet another confirmation and emphasis of just how profound the Tetrad is anticipated to be.

The Creator at this point in time has chose the start of the Tetrad to convey a message of 13. The number 13 is both good and evil as any number is merely ascribed an attribute.

VATICAN CARDINAL CROSS

On the visit of Queen Elizabeth II to see the Pope, the backdrop was that of the Cardinal Cross with a centered couple embracing with 13 celestial bodies depicted. The background axis is an inverted Swastika and the cranks the Angels are holding are a depiction of As Above so Below Luciferian mantra.

The beginning of the Tetrad is a prophetic sign to Israel in particular that war is coming and judgment pending as in the Days of Noah. The Message of the Cardinal Cross is that the Ark of Deliverance is ready and available as Jesus Christ was that 'Ark' during the Passover on which He became the sacrificial lamb to take away the sins of the World. YHWH's judgment passed over Humanity as the water of judgment passed over the Ark of Noah. The Ark is ready, the call is to enter in through the only 1 and narrow door, Jesus Christ.

The Ark of Deliverance is Ready

TOP VIEW OF SOLAR SYSTEM APRIL 22 2014

THE CELESTIAL CLOCK

According to the Bible, the Creator has positioned the celestial bodies in motion, they are a time-piece that functions like a mechanical clock. They are not then a nominal random occurrence as some secular scientists would prefer to reason with. Yet those within the 'scientific' community scoff at the notion that such celestial movements that configure on precise Holy Jewish Feast days and Cross alignments as mere coincidence. What many fail to realize is that upon an examination of the prophetic Tetrad and Cross alignment history, such will corroborate with the cycles of disasters, war, famine etc., to a degree.

The Number 13

According to BibleStudy.com meaning of the number 13 it is symbolic of rebellion and lawlessness. It is attributed to the rise of Nimrod, a type of the coming AntiChrist that as Nimrod will seek to be the mighty hunter (Orion) who was 'before the Lord'. This literally means that he tried to take the place of God - Genesis 10:9. Nimrod was the 13th in Ham's line who was one of Noah's 3 sons who survived the Flood. The number 13 represents government created by men, but inspired by Lucifer, in rebellion against YHWH. The phrase 'valley of Hinnom' (or variation thereof) occurs in 13 places in the Bible. The valley was where abortions were performed to the pagan god Molech. Molech was appeased and worshipped through the sacrifice of CHILDREN who were placed on the red hot arms of the idol to be burned alive. The dragon, a symbol for Lucifer the 'Shining Serpent' is found 13 times in Revelation.

ASTRONOMICAL DEFINITIONS

The planets are opposite each other are said to be in Opposition. Thus Mars is in opposition to Uranus and Pluto is in opposition to Jupiter during this Cross alignment.

When the planets are in opposition, most likely they will be at an approximate 90° angle to each other, thus this positioning is called Squared. The 3 planets that make up the 'Cross' are Mars-Pluto-Uranus and Jupiter.

THE FOCAL POINT - ARGO

Currently there has been a frenzy and talk about the Tetrad and the accompanying Cardinal Cross exactly in-between the first eclipses. This study strongly suggests that the Cardinal Cross is all about the Ark of Deliverance. A deliverance from this present evil world that has overtones of the Biblical storyline of Noah's Ark. This is depicted when one realizes what the celestial focal point of the Cardinal Cross is on Argo when configuring a Stereographic universe view from Earth's perspective. The focal point of the Cardinal Cross is Argo. Argo is the celestial star configuration that depicts the Grand Celestial Ship that takes the Pilgrims home according to the work of E.W. Bullinger.

BLOOD MOON CARDINAL CROSS

The purpose of this chart is to illustrate the occurrence of the very unique celestial alignment of planets the solar system. Mars-Pluto-Jupiter-Uranus will be squared with each other to construct a 'cross' alignment called the Cardinal Cross. While many astronomers and astrologers are excited about the start of the 4 total lunar eclipses called the Blood Moons, many others are sounding the alarm that perhaps this Tetrad and the subsequent alignments are alluding to a 'doom'. Others are claiming that many in the religious community, to include Evangelical Christians as superstitious for such a notion. What most will miss in observing this celestial alignment is the backside depiction the Cardinal Cross is actually demarking. Upon an observation using the Stereographic view of the Solar System, it can be easily ascertained that the message of the Cardinal Cross is alluding to the Ark, the Celestial Boat that is build for the deliverance of the pilgrims according to the work of EW Bullinger in his research entitled, the Witness of the Stars. As the Creator has fashioned the Sun, Moon and Stars for signs and appointments, so to has the schedule of when certain alignments are to occur and perhaps to alert to the pending fulfillment of what it is highlighting in the heavens. If this is a sign from GOD, then the Ark of Deliverance is completed and perhaps there is a call to enter the Ark as the Door is about to be shut -pending a world-wide judgment to come.

The 4 Living Creatures

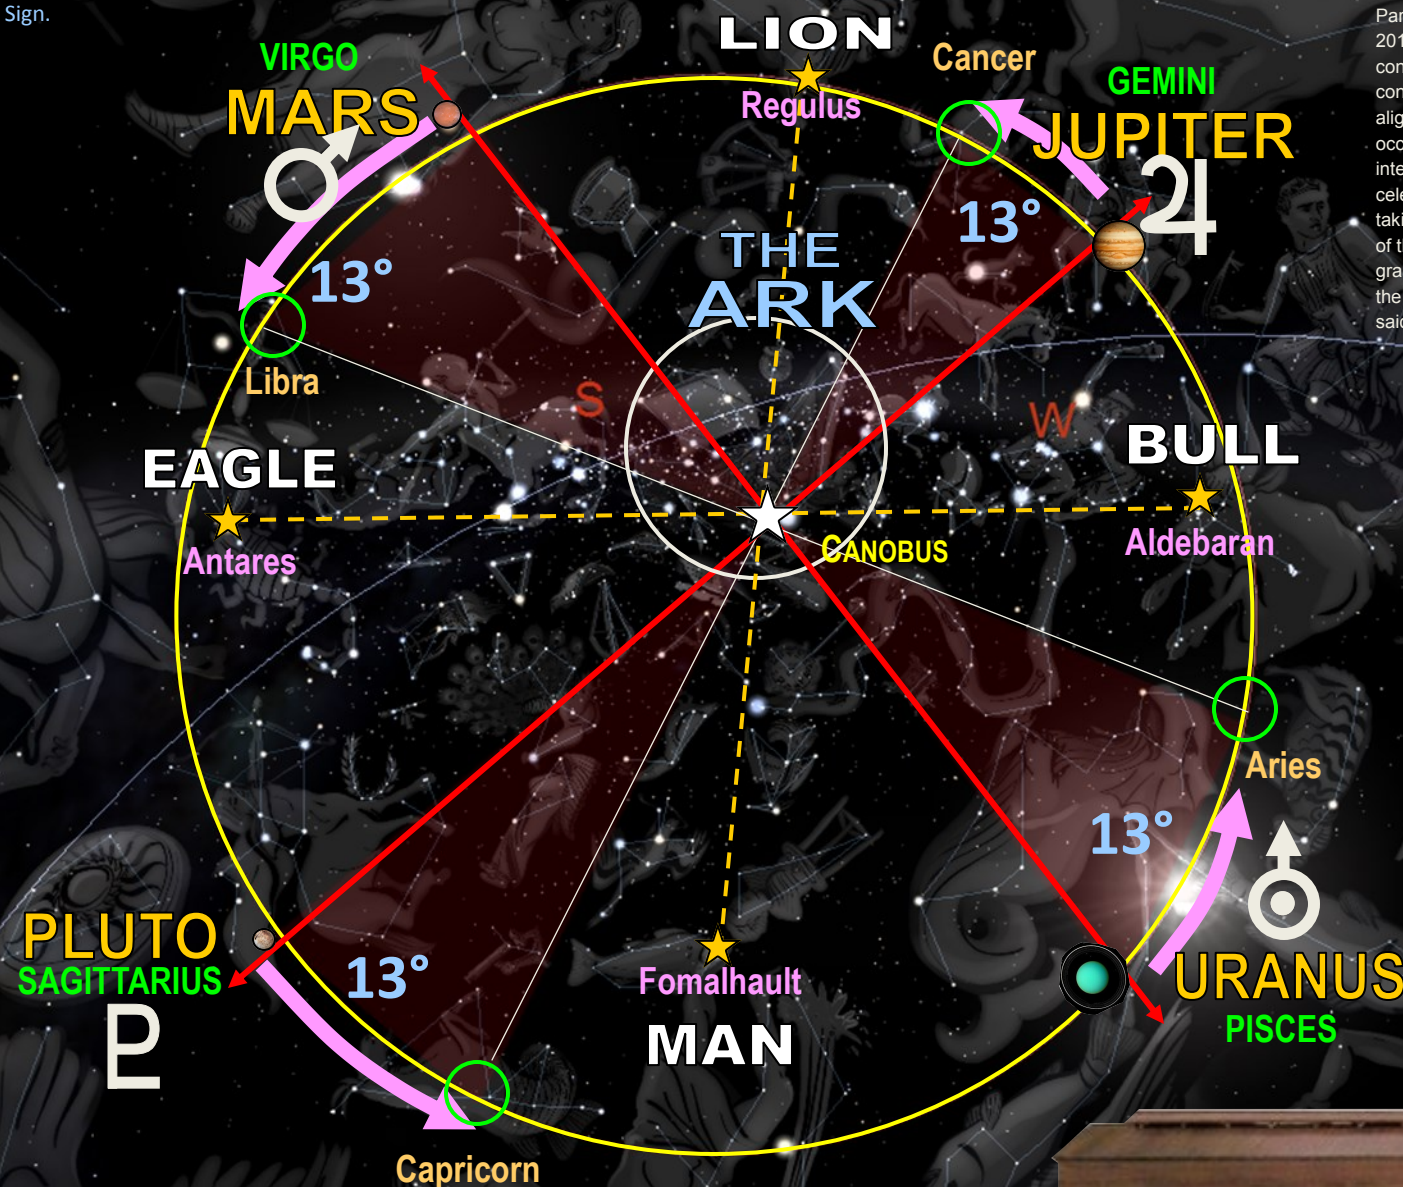

The Universe that is seen encompasses an array of celestial bodies that make up constellations or clusters of stars that configure unique symbols and in some instances some anthropomorphic depictions that are seen in the Bible. The Universe has direction as it is has width, height and depth. It is mapped out like a sea with latitude and longitude of degrees. There are 4 Cardinal Points designated by the 4 Living Creatures that the Bible attributes to the design and dimension of the very Throne Room of the Creator in the Heavenly spiritual dimension. These 4 Living Creatures correspond to the 4 Gospels of the New Testament that in actuality are a dimension of the person and work of Jesus Christ, the King of the Universe.

Jesus Christ, the Messiah

SYMBOL	GOSPEL	CREATURE	ARCHETYPE	CHARACTERISTIC
	Matthew	LION	KING	Jesus Christ is the King of the Jews from the Tribe of the Lion of Judah
	Mark	BULL	SERVANT	Jesus Christ came as a lowly servant to carry the burden of sin.
	Luke	MAN	HUMAN	Jesus Christ was the GOD-MAN, the incarnate Creator.
	John	Eagle	GOD	Jesus Christ was/is the WORD of GOD. The Almighty.

What is unique about this Cardinal Cross is that the alignment is exactly 13° to the subsequent Zodiac Sign.

Exactly in-between the 1st Blood Moon of the Tetrad on April 15, 2014 and the accompanying Partial Solar Eclipse of April 29, 2014 will be a Cardinal Cross configuration. This is not to be confused with a Grand Cross alignment. The Cardinal Cross occurs frequently but what is interesting and peculiar about this celestial event is its symmetry taking place in-between the start of the Tetrad as Mars is in Retrograde. A 'cross' is observed when the 4 key heavenly bodies are said to be 'Squared' to each other.

CROSS ALIGNMENTS

According to some who study astronomy, the Cardinal Cross will coincide with the Grand Cross. This is rare since it has not happened since a full Procession of the Equinox.

THE ARK OF DELIVERANCE

Is ready to be boarded. The Cardinal Cross is demarking the focal point to take notice during this celestial sign in the Heavens. Perhaps the time of the Tetrad or soon thereafter will witness the Rapture as a reverse type of how the world was removed from Noah as the Church is removed from the world.

BLOOD MOON CARDINAL CROSS

If the Tetrad and Cardinal Cross are indeed marking a coming turning point in human history and specifically as it pertains to Israel, then the Rapture perhaps is tied to the Cardinal Cross that is demarking Argo, the Ark in the celestial star configuration that depicts the Grand Celestial Ship that takes the Pilgrims home according to the work of E.W. Bullinger. What is unique about this Tetrad is that the Grand Cross adds another layer of prophetic overtones after a Passover alluding to the Days of Noah. The Message of the Cardinal Cross being so near to the Passover is that the Ark of Deliverance is ready and available and perhaps a 'Last Call' to get in. What most will miss in observing this celestial alignment is the backside depiction the Cardinal Cross is actually demarking. Upon an observation using the Stereographic view of the Solar System, it can be easily ascertained that the message of the Cardinal Cross is alluding to the Ark, the Celestial Boat that is built for the deliverance of the pilgrims metaphorically and Biblically speaking, the Ark is ready to be boarded. This study strongly suggests that the Cardinal Cross is demarking the focal point which emphasis Argo or the Ark. Such Signs by YHWH are perhaps meant to be taken notice of during this celestial Sign of the Tetrad, a Passover and Cross in the Heavens that are perhaps a 'Call' that a turning point is about to occur in the word and that the Ark is about to depart with the Church. Perhaps the time of the Tetrad or soon thereafter will witness this change and 'departing' scenario. The Rapture of the Church could occur as a reverse type of how the world was removed from Noah as the Church is removed from the world. Perhaps there will be a 1 year final boarding call as the calls to board trains often occur in comparison as trains are about to depart. Metaphorically, Jesus Christ was that 'Ark' during the Passover on which He became the Sacrificial Lamb to take away the sins of the World at another Cross, that of Calvary in Jerusalem. Could the Tetrad be so clear of a sign for Israel to occur after its Passover to have the Jews take note and look at a Cross and perhaps see YHWH which means, Behold the Hand, Behold the Nail.

ARGO

THE
ARK

Cancer

The Focal Point - Argo

This study strongly suggests that the Cardinal Cross is all about the Ark of Deliverance. It is a deliverance from this present evil world that has overtones of the Biblical storyline of Noah's Ark. This is depicted when one realizes what the celestial focal point of the Cardinal Cross is centered on. This center point is Argo, the Ship when configuring a Stereographic universe view from Earth's perspective. Argo is associated with the other signs of Cancer which means 'Messiah's redeemed possession held fast.' There is also Ursa Major, the large sheepfold and Ursa Minor, the smaller sheepfold.

CELESTIAL PRECEDENCE

This study strongly suggests thus that YHWH is announcing that the 'Ark' is ready, the call is to be proclaimed to enter in through the only 1 and narrow door, Jesus Christ. In an analogy of Noah to the Rapture and Passover, YHWH's judgment passed over those that were under the Blood of the Lamb. It was as if the water of judgment passed over the Ark of Noah. Many in the Christian community will ascribe this focal point of Argo designated by the Cardinal Cross as an emphasis that the 'Deliverance' is about to occur, i.e., the Rapture. This study is not insinuating that the literal Rapture event will take place at the very time of a Tetrad Blood Moon or during of the Cardinal Cross. The Signs are perhaps just a putting on notice of when such deliverance could occur but that such incredible Signs as the Tetrad and the Cardinal Cross have reached their climax and prophetically, the People of GOD should be on high alert spiritually.

Argo the Ship is referencing 'The Pilgrims safe at home'. Argo is a depiction of a celestial ship or Ark that is made up of multitudes of travelers or 'Pilgrims'. It has 64 stars in the constellation. The brightest star is near the keel and is called Canopus which means 'the possession of Him who cometh.' Other star-names are

Sephina	The multitude or abundance
Tureis	The possession
Asmidiska	The released who travel
Soheil	The desired
Subilon	The Brach.
