We offer many different resources and programs that the community is not familiar with. We would love to see you stop by this Summer and see what we have to offer.

We also offer a variety of online sources with the MeLCat being one of them. Mel is the Michigan eLibrary that is available to Michigan residents. In the many Databases offered on the Mel you can find academic info, health and psychology articles as well as information regarding family history.

### *Tell Us Something True*

by Dana Reinhardt  
For fans of Sarah Dessen, Jennifer Smith, E.L. Lockhart, and John Green, this delightful, often comic coming-of-age novel stars the lovable, brokenhearted River, the streets of LA, and an irresistible cast of characters. Seventeen-year-old

River doesn't know what to do with himself when Penny, the girl he adores, breaks up with him. He lives in LA, where nobody walks anywhere, and Penny was his ride; he never bothered getting a license. He's stuck. He's desperate. Okay . . . he's got to learn to drive. But first, he does the unthinkable—he starts walking. He stumbles upon a support group for teens with various

addictions. He fakes his way into the meetings, and begins to connect with the other kids, especially an amazing girl. River wants to tell the truth, but he can't stop lying, and his tangle of deception may unravel before he learns how to handle the most potent drug of all...true love!

## NON-FICTION ADDITIONS

### *The Girl Who Escaped Isis*

by Farida Khalaf  
This is the story of what happened to Farida after she was captured: the beatings, the rapes, the markets where ISIS sold their female prisoners like cattle,

and Farida's realization that the more difficult and resistant she became, the harder it was for her captors to continue their atrocities against her. So she struggled, she bit, she kicked, she accused her captors of going against their religion, and then, one day, the door to her room was left unlocked. She took her

chance along with 5 other women, and set out across the Syrian desert. This is a story of incredible courage in the face of unthinkable atrocity. As the battle against ISIS continues to ravage the Middle East, *The Girl Who Beat Isis* provides an astonishing perspective on this very terrifying global threat.

## ADULT FICTION UPCOMING ARRIVALS

### *The Black Widow*

by Daniel Silva

#1 New York Times bestselling author Daniel Silva delivers another spellbinding international thriller - one that finds the legendary Gabriel Allon grappling with an ISIS mastermind. Gabriel Allon, the art restorer, spy, and assassin described as the most compelling fictional creation "since Ian Fleming put down his martini and invented James Bond" (Rocky Mountain News), is poised to become the

chief of Israel's secret intelligence service. But on the eve of his promotion, events conspire to lure him into the field for one final operation. ISIS has detonated a massive bomb in the Marais district of Paris, and a desperate French government wants Gabriel to eliminate the man responsible before he can strike again. Acclaimed novelist Daniel Silva has thrilled, entertained and educated readers with eighteen thoughtful and gripping spy novels featuring a diverse cast of compelling characters and ingenious plots that have taken them around the globe and back - from the United States to Europe,

Russia to the Middle East. From its shocking opening to its explosive denouement in Washington, D.C., *The Black Widow* reveals itself as Silva's most timely and powerful novel yet. Following the success of his smash hit *The English Spy*, this electrifying thriller showcases Silva's consummate skill and brilliant imagination, and is sure to be a must read for his multitude of current and future fans.

Other novels by Daniel Silva include *The Heist*, *The English Girl*, *The Fallen Angel* and *The Rembrandt Affair*.

### *The Singles Game*

by Lauren Weisberger

Bestseller Weisberger (*Revenge Wears Prada*, 2013, etc.) follows her formula of launching a naïve young woman into uncharted territory. After a devastating injury at Wimbledon, tennis pro Charlotte "Charlie" Silver knows she needs a major change if she wants to take her career to the next level. Known for her squeaky-clean and always-polite image, Charlie doesn't argue when the

Wimbledon officials deem her sneakers in violation of their strict uniform standards. At the last minute, she's forced to scramble and play one of the biggest matches of her life in someone else's shoes, resulting in a fall that injures both her wrist and her Achilles tendon. As she heals, she knows she'll have to fire her good friend and sweetheart of a coach, Marcy, and sets her sights on Todd Feltner, a tough men's coach known for his brash attitude and cultivation of champions. Todd not only overhauls Charlie's training and fitness regimen, barking at her if she even glances at a cup of coffee or a simple

carbohydrate, but he makes over her image as well. Gone is good-girl Charlie with her bright outfits and ribbon woven through her cheery braid. After all, did she really work her whole life to settle for being "the twenty-third best female tennis player on earth"? Rebranded and restyled as the "Warrior Princess," she feels fierce in her all-black tennis garb. Todd even goes so far as to help orchestrate a steamy romance with tennis champion Marco Vallejo, giving plenty of fodder to the press. While Charlie's tennis game definitely improves, she struggles with some of the nastier aspects of her new life.

*"Sleep is good, he said, and books are better."*

### *Deadly Fate*

by Heather Graham

When Clara Avery, an entertainer working on the Fate, an Alaskan cruise ship, goes to nearby Bear Island, she comes across a scene of bloody mayhem. She also comes across Thor Erikson, who will soon be a member of the FBI's elite paranormal unit, the Krew of Hunters.
