

Please join the **Chinese American Citizens Alliance of Greater New York (CACAGNY)** to oppose **PROP 1** that's on the November ballot.

Tomorrow Wednesday, Oct. 16, 2024

1:15 p.m. ET

City Hall Steps (must go through security)

Prop 1 is the so-called "Equal Rights Amendment" to the New York State Constitution. It's actually not about abortion rights or equal rights, but may legalize "reverse" discrimination against certain communities. Under such "reverse" discrimination, our City's prized Specialized High Schools may be dismantled for being "Too Asian."

Stand with us as we make our voices heard! Joining us will be Cornell University Law Professor & Equal Protection Project Founder Prof. William Jacobson and members of the New York State legislature to discuss the impact of "Prop 1."
