GENERAL INFORMATION AND RULES**Based on IPMS/USA Model Contest Guide (Rev. 7/14) & IPMS 2016 National Contest Rules**

1. Models may be made of any material, i.e. plastic, wood, metal etc.
2. 1st, 2nd & 3rd Awards will be given in categories 1-10 (Others receive 1 each)
3. No self propelled or radio-controlled models will be allowed to be entered.
4. Junior division is limited to modelers who have not reached their 18th birthday as of 17 April 2022. Modelers qualifying as Junior may enter any other category, however, they may not enter more than one category with any model.
Categories for Juniors will be split as follows: Juniors 12 and under and Juniors 13 and over. Juniors will be eligible to win specialty awards.
5. Contest judges are not permitted to judge a category in which they are entered.
6. Bases are allowed in all categories but won't be considered during judging except in the Diorama categories. Such bases will be limited to a depiction of the natural surface which the subject would be found on (grass, tarmac, etc.). Any additions to such base will place the model in a Diorama category. **Bases (excluding Dioramas and Ships) may have to be removed due to limited space.**
7. The entrant will determine the category of each model. The Contest Chairman reserves the right to move the entries to another category, if such a move is clearly warranted. All moves will be made following entrant notification.
8. There will be no new categories (other than splits) created after the beginning of registration.*
9. For contest purposes, multi-engined, fuselage mounted, (i.e.: F-4, A-6, F-14, etc.) Will be considered single engine and entered in the appropriate category.
10. All categories will be judged with experienced "competition" modelers as judges. We owe it to each entrant to conduct the judging with the utmost integrity and fairness. Judging will be conducted in a constructive and positive manner.
11. Out of the Box entries must be an **unmodified** commercially produced single kit, **with the kit instruction provided next to the model.**
Seams may be filled if necessary, rigging, antennas and seat belts may be added. Entry may be painted as desired and substitute decals may be used.
12. IPMS Space Coast reserves the rights to move any models deemed inappropriate for general audience viewing to a special curtained viewing area that can be entered at ones own discretion.
13. IPMS Space Coast will not be required to justify its decision to move models for any reason including space availability.
14. **By submitting a model for entry to this contest, an entrant agrees to all rules.**
15. **NO SWEEPS - One award per person per category**
16. Prior 1st, 2nd & 3rd place winners from a previous IPMS National Contest may not be judged again (at equal or lower level) and must be for display only i.e. if model won at a Regional show then it can't be judged at a Local or another Regional show.

***Categories may be added or deleted prior to show**

IT IS REQUESTED THAT ALL MODELS REMAIN ON THE TABLES FOR DISPLAY UNTIL AFTER THE AWARDS PRESENTATION
