

# Sony – Control for HDMI, Bravia Sync, or Bravia Link

## Setting the Control for HDMI

The **Control for HDMI** function must be set up in order for the TV to communicate with other **Control for HDMI** enabled equipment. To setup the TV's **Control for HDMI**:

- 1) Select **Channels & Inputs** on the **Settings** menu.
- 2) Highlight **HDMI Settings** and press .
- 3) Select **Control for HDMI** and set it to **On**.
