NURTURING INTIMACY:

- Had a "date night" twice or more per month to focus on one another without the children
- Wrote a note, gave a flower, or some other tangible expression of love at least twice per month
- Called during the day, sat down to chat, took walks together, or some other time of focused, non-task driven communication at least three times per week
- Prayed with my spouse at least twice per week
- Demonstrated meaningful touch and/or verbal affirmation at least once per day

AVOIDING DANGERS:

- Took steps to reduce risk to my marriage in vulnerable areas (bad temper, office relationships, demeaning language, etc.) by maintaining boundaries, increasing accountability, etc.
- Took care of myself physically and emotionally to be the best lifelong partner I can be
- Admitted I was wrong and apologized and/or forgave *before going to bed* after conflicts with my spouse
