

June 9, 2016

Austin City Council
City Hall
301 W. 2nd Street
Austin, Texas 78701

Mayor Adler, Mayor Pro Tem Tovo, Council Members:

Austin Neighborhoods Council” Executive Committee unanimously passed a resolution in support of Austin Fire Department’s focus on needed fire stations to assist with our current and growing needs for that infrastructure. Fire protection is a critical need. Our citizenry’s lives and expectations will be protected equitably with these investments that could be provided by public/private partnerships.

Thank you for your attention to this important item.

Respectfully,

A handwritten signature in black ink, appearing to read 'Mary Ingle', is written over a light blue horizontal line.
