**A
WORD
FROM OUR
PASTOR**

A Word from the Pastor

I believe good things, God-sized things are in store for FBCHH. I think some of those things are already beginning to happen! People are interested in learning from the Word of God. We are reaching out and seeing people in our community visit and become a part of our church. The spirit in our services is filled with anticipation of what God will do! If you're still on the "negative train" it's time to change directions. Join us in moving on and moving up!

**THROUGH THE
NEW TESTAMENT**

Read Through the New Testament with us this year. It's not too late!

We are committed to reading through the New Testament together this year, as a congregation! If you haven't started yet, it's not too late to begin. There are schedules available so that you can read along with us...basically 5 minutes each day...5 days per week. Join us as we explore God's Word together.

But you will receive power when the Holy Spirit comes upon you. And you will be my witnesses, telling people about me everywhere—in Jerusalem, throughout Judea, in Samaria, and to the ends of the earth.” – Acts 1:8 (NIV)

New Sermon Series!

Our new series is based on the book of Acts. We will be taking a look at the New Testament church as a “blueprint” or example of what the church was intended to be. This is an important series and will have a huge impact on the future of our church as we seek God’s help in returning to the original mission of the Church! Don’t miss a single one!

Soup-er Bowl Fellowship

Join us for a wonderful time of fellowship on Sunday evening, February 4th. We encourage everyone to bring your favorite homemade soup or chili. We’ll even have judges and crown our very own Soup-er bowl Cookoff champion. The fun begins at 6:00 p.m. Please bring chips, crackers & desserts too, if you’d like. We’ll provide the drinks.

Would you be interested in a MISSION trip?

We are considering a church-wide mission trip for this summer. We would like for this to be multi-generational (seniors, adults, and youth). The trip would be in the United States and the costs would be minimal (probably less than \$100 per person). If this is something you’d be interested in, please see Wayne Burgin or Jane McKinney.
