

Bison Parents,

The Bison Quarterback Club is excited to announce we are planning a Dinner/Auction for July 27, 2018 at the Depot in Gallatin. The players will be selling tickets for \$30 for individuals or \$50 per couple. Tickets can also be purchased online at [stationcampfootball.com](http://stationcampfootball.com). Information about ticket sales will come at a later date. We are looking forward to raising enough money to fund many activities for the boys, purchase equipment, as well as pay the payments on the new Field House.

We are asking each class of players to bring items to create baskets for the silent auction. Below you will see the type of basket each group will be responsible for but not limited to. Please make sure the items are a minimum of \$5. If you would like to create a basket on your own or with another parent, we would be happy to accept anything that would help raise money. We are also looking for gift cards and lottery/scratch off tickets to create "trees" to include in the silent auction.

<u>Freshman</u>	<u>Sophomores</u>	<u>Juniors</u>	<u>Seniors</u>

To end the evening, we are planning on an exciting live auction. Large donations like mountain getaways, beach condo stays, tickets to sporting events, amusement park tickets, signed memorabilia, etc. are needed. If you have any contacts or suggestions on these items, please let us know!

There will be designated times to drop off items or you can contact Elizabeth Grezenski at 615-804-2334 or email [egrezenski@yahoo.com](mailto:egrezenski@yahoo.com) to schedule a time to meet. There will be a call from the Quarterback Club when the drop offs are scheduled. If you prefer, you can send the donation with your son and he can give it to Carson Quince. If you plan on making your own basket, please let Elizabeth know the theme and include a list of all items. The deadline for basket donations will be July 13.

We look forward to a great season. Thank you for supporting the boys and the football program!

Go Bison!!
