

Beverly Hills Church Preschool - substitute positions for Spring 2019 and SY 2019-20.

Beverley Hills Church Preschool is a Reggio-Emilia inspired cooperative preschool located in Alexandria, Virginia. We follow the philosophy of teacher-as-researcher, observing and documenting children's play, using observations and conversations to plan experiences to enhance learning, embarking on investigations and project work, and documenting the learning process. Our playground/outdoor classroom experiences lend an important depth to our preschool.

We seek an enthusiastic and experienced early childhood educator, familiar with the Reggio Emilia or similar intentional approaches. Our teachers enjoy being part of a community—with children and with families. We work in teams, and individually and jointly aspire to grow and learn in the profession.

Salary is a daily rate between \$50-70/day.

We are hiring part time substitute positions for Spring 2019 and SY 2019-20.
