

ENVIRONMENTAL ISSUES COMMITTEE

Rich Johnson and Jack McNamara, co-chairs

Highway pick up

Due to the highway 371 construction project, highway pick-up will be suspended until the spring of 2018.

Shoreline restoration/preservation

It has been four years since we last were able to present a Most Improved Shoreline Award and again this year we do not have any nominations. We assume that people are making every effort to keep their shorelines environmentally friendly and we appreciate their diligence to help keep our lakes in pristine condition. Also, for the third year there will be no Lake Friendly awards.

Let us hear from you! If the Board doesn't get positive feedback on these programs, we may consider dropping them and pursuing other beneficial plans or programs.
