Association for Cardiothoracic Anaesthesia and Critical Care

**Intra-operative and critical care echocardiography
Thursday 22nd June**

Venue: STUDIO, Birmingham Repertory Theatre

08:00	Registration/Coffee/Tea/Trade Exhibition (MEZZ)	
Session 1	Mitral and tricuspid valve – From all sides	Chair: Niall O’Keeffe Ravi Hebballi
08:45	Welcome address	Niall O’Keeffe Ravi Hebballi
09:00	Perioperative multi-modality imaging of mitral regurgitation	Fabio Guarracino Pisa, Italy
09:30	Intra-operative mitral valve analysis for mitral valve repair	Henry Skinner Nottingham
10:00	Tricuspid valve- what’s the big deal? When to intervene in pts undergoing MV surgery	David Sidebotham New Zealand
10:30	Coffee/Networking/Trade Exhibition (MEZZ)	
Session 2	Ventricles, aortic valve, prosthetic valves and percutaneous interventions	Chair: John Kendall David Sidebotham
11:00	New concepts in echocardiographic imaging of aortic valve	Alexander Ng Wolverhampton
11:30	Right ventricular systolic function	Donna Greenhalgh Manchester
12:00	What do you tell the surgeon after valve replacement: assessment of prosthetic valves	Justiaan Swanevelder Cape town, SA
12:30	Echo in percutaneous mitral valve repair	Anita Macnab Manchester
13:00	Lunch/Networking/Trade Exhibition (MEZZ)	
Session 3	The third dimension- 3D is for everybody	Chair: Fabio Guarracino Tessa Oelofse
14:00	Acquisition of 3D data sets, step by step	Bushra Rana Cambridge
14:30	3D quantification of (aortic) stenosis	Mahesh Prabhu Newcastle
15:00	3D quantification of (mitral) regurgitation	Rick Steeds Birmingham
15:30	Coffee/Networking/Trade Exhibition (MEZZ)	
Session 4	Echo beyond the limits- Time to hang up our stethoscopes?	Chair: Rick Steeds Donna Greenhalgh
16:00	Point of care echo – how far can we take it?	Marcin Nejthard Cape town, SA
16:30	Echocardiographic approach to preload sensitivity, stroke volume, intracardiac pressures and adverse heart lung interactions	David Garry Oxford
17:00	Echo to evaluate circulatory assist devices – IABP, ECMO, VAD, percutaneous assist devices	Sara Allen New Zealand
17:30	Discussion and conclusion	All faculty
17:45	Close
