

SAGA

Literary Journal

We are excited to announce the prose and poetry selections to be featured in SAGA Volume VI.

Each piece articulated great passion and talent from our community. In a year of separation, we are grateful to have been united through their powerful words.

I would like to thank our amazing editors who have committed their time and skill to the production of SAGA.

With great pride, we present and congratulate the authors of SAGA Volume VI.

Bilen Rowland
Managing Editor
SAGA Literary Journal
