Mission: to ensure the safety of residents—to preserve the integrity of the neighborhood—to increase the value of homeowner property

Project Teams

Would you be interested in putting your talents to work by participating in short-term project teams? We would love to hear your

ideas for projects that are beneficial for the neighborhood. Join us at the February 19 meeting, for a brainstorming session.

Emergency and Non-Emergency Calls:

Call 911 for emergency calls for EMS, Fire, or Police. Beyond the traditional emergency calls, you may call 911 for loitering in the commercial properties along Cameron Road and Coronado Hills Dr.

You may call 311 to report homeless activities in the lots, greenbelts and creek areas around the neighborhood.

Do you have news to share in the neighborhood spotlight? Please send the information to the CHNA president or vice president email address

Annual Association Fund Our neighborhood association also needs your financial support. We ask for annual dues of \$12.00 per household. Our treasury monies are spent for neighborhood fees for things like postage, mailbox, occasional lawyer or other fees, and other neighborhood related activities. Please bring or mail a check to any board member or you can drop off your check at DavidRisher's home: 7304 Glenhill Rd. **Thank you!**

Free Water Conservation Tools

Austin Water offers free tools to help you save water. Some are available for pick up, while others can be checked out from the Austin Public Library.

Available for pick up Mon. – Fri. 8:00 a.m. - 4:30 p.m. at 625 E. 10th Street, 6th floor Limit one item each per residential customer.

Showerhead - save 2 gallons per minute or more with a water-efficient showerhead, available in either regular or soap-up valve models that only use 1.5 gallons of water per minute.

Kitchen & Bathroom Faucet Aerator - mix air with water to reduce the amount of water used without reducing water pressure. Bathroom aerators use 0.5 gallons of water per minute and kitchen aerators use 1.5 gallons per minute.

Soil Moisture Meter - measures the moisture of your soil to help you know when it's time to add water; available in ladybug or frog design.

Available for check-out at the [Austin Public Library](#)
Water Saver Hose Meter - monitor and control water use with a digital meter attachment for garden hoses and hose-end sprinklers.

Sunlight Calculator - measure the amount of light each area of your yard receives, then use the included [plant guide](#) to select plants that best fit the light conditions.

Garden Calendar — February

Prepare your yard and garden for spring!
