DESCRIPTION: The Necedah X-26 is one of the all-time great all-purpose recurves. Comfortable grip and great performance. This is one of the first 55" models, before it went to the standard 58" length in 1966. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No stress cracks. Some minor stress marks and faint crazing. A few minor scratches and nicks here and there. Decal is in good shape. Overall, this is a really nice bow in excellent condition for its age. I found this 55" bow to work well with an AMO 56" string.
