DESCRIPTION: Great looking and performing high quality Fasco vintage recurve. This bow was a favorite to shoot on the range. Smooth and fast. Comfortable pistol grip. Factory installed stabilizer bushing. The only original decal is the FASCO logo decal. No delamination; no cracks; limbs are straight. Overlay tips are in great condition. No stress lines or crazing. A few scratches and scuffs. Unfortunately, there were two holes that were drilled into the back of the bow to attach a sight. These have been filled (see pic). Notwithstanding, this is a really nice looking and shooting bow.
