

## Snow Removal Efforts

*The Town of Rockford believes that it is in the best interest of the residents for the town to assume basic responsibility for control of snow and ice on town streets.*

*Reasonable ice and snow control is necessary for routine travel and emergency services.*

**The Public Works operator will decide when to begin snow/ice control operations.**

**When possible, please keep cars parked off the street.**

**Do not push snow into town street, it will likely end up back in your driveway.**

**Keep fire hydrants clear of snow and DO NOT PARK WITHIN 15 FEET OF THEM.**

*(This is an actual law that is in effect year-round)*

**Be sure to remove garbage cans from the street as soon as possible.**
