### SOFTBALL SKILLS CAMP

**\$75**

Campers will be divided by age, and taught numerous softball skills by Terror staff. Skills include throwing mechanics, fielding skills, hitting mechanics, and base running. Camper of the Day and Camper of the Week awards will be presented to those who stand out for their skills, positive attitude, and coach-ability!

### CAMP STAFF

Terror staff and coaches work throughout the year with individual players and teams to teach the many fundamental skills of fast pitch softball. Their knowledge and experience encompass all aspects of the game. The Terror staff includes professional softball instructors and well experienced, registered Terror players.

### PITCHING OR CATCHING CAMP

**\$30**

This is an opportunity for pitching and catching instruction, in a small group setting. While the rest of the campers are reviewing their skills on the last day of camp, those who choose to add this option will be pulled to a separate area for instruction around these specialized skills.
