Kingswood Arts Center

Dear Parents, Students, Family and Friends,

Welcome to Expressions Dance Academy's 21st Annual Spring Dance Performance! Today's show is the result of our dedicated instructors and students' tireless efforts and passion. I am confident that you will share in the pride we feel for their remarkable accomplishments.

This dance season has been exceptionally exciting. Our studio took a special trip to New York City during Christmas. In addition to attending the unforgettable *Rockette Christmas Spectacular*, our dancers participated in a unique dance class led by a Rockette, where they learned the technique of their iconic kickline. The weekend was filled with enriching experiences and lasting memories for our dancers. We plan to organize similar trips every other year, so please stay tuned about our upcoming adventures. Get ready to wear some cowboy boots in 2027!

From ballet to jazz, hip-hop to contemporary, our students have explored a variety of dance styles, and their growth over the past year has been truly remarkable. The dedication and passion they have exhibited in every rehearsal has led to today's spectacular performance. We invite you to sit back, relax, and enjoy the diverse and captivating performances our talented students have prepared for you. Let the magic of dance take you on a journey through rhythm, movement, and expression.

Thank you,

Miss Chrissy
