

Carriage Hills Water Assn.

Agreement for Water Rights

This is a contractual agreement between the Carriage Hills Water Association, hereinafter called the "Association" and _____, hereinafter known as "Homeowner" to allow the initial curbside water line hookup between " Homeowner " residential property described as:

The "Association" will provide to "Homeowner ", a water meter and, if needed, a pressure reduction valve, upon payment of said Hookup fee and the final hookup to the "Association" main water line.

Upon final hookup "Homeowner" will be billed for water usage by the "Association" based upon the residence's water usage amounts as determined by its readings from the supplied water meter, on a recurring monthly basis.

It should be noted that there can only be one water hookup per lot, and further noted that the "Association" supplies water for residential needs only and is not an agricultural water supplier.

The Homeowner is responsible for the interconnection infrastructure between the curb stop hookup point and said residence. This includes leak repair, installation or replacement of the interconnection piping, labor, excavation and backfill, and consequential damages resulting from interconnection failure. .

I, the undersigned, hereby apply for membership in Carriage Hills Water Association, Inc. and agree to abide by the Bylaws, Articles of Incorporation, and rules and regulations of the Association as they may be from time to time adopted and amended.
