I Wanted to Go Fishing, But the Nets Were Torn

January 1, 2016

The Lord bless you, my sweet Heartdwellers with His healing, His wisdom and His anointing.

I'm going to ask your pardon ahead of time, I must put out this message because the Lord is deeply grieved. If you complain that it isn't for you or that you've heard it before, I kindly ask you to take your complaint to the Lord, because I am under the yoke of obedience. And this is

something He wants spoken.

And while I am writing this for those who live in Brazil, understand that there is not one of us all around the world who are not guilty of the very same crimes and it never hurts to be reminded. So, kindly bear with me, please. And if you know anyone who is doing these kinds of things to the Body of Christ, please pass this message on to them.

Also we have new believers on this channel, and they must be informed as well, that to attack other Christians privately in your heart, with or without your mouth (because Heaven hears you loud and clear even when your words are not spoken) or certainly more grievously if you attack people in public, targeting ministers of the gospel who have given their lives for Him, You will be disqualified for the Rapture. You will NOT be raptured. The Lord has told us this over and over again. It is a severe warning: if you want to be taken in the Rapture, you CANNOT be critical of other ministries or other people.

This is not an idle threat, these are the words spoken to me by the Lord Jesus Himself. If you are willfully denouncing a brother or sister, then you have taken the Lord's authority and throne into your own hands and blasphemed the work of the Holy Spirit. YOU WILL NOT BE TAKEN IN THE RAPTURE.

Blasphemy is the act of insulting or showing contempt or lack of reverence for God, to religious or holy persons or sacred things, or toward something considered sacred or inviolable. So, in other words, a brother or sister who has given their lives to the Lord to minister the Gospel, that person is holy. and to insult or attack them is a crime against the Holy Spirit. This is a stern warning. I will not have your blood on my hands because I did not warn you. You will be left behind, crying out in agony while those you denounced are taken into the Lord's arms and you are left to endure the brutal agonies of the Tribulation.

Now, it is reported that certain people are putting our messages on the internet along with their own indictments of other Christians. This is what's going on in Brazil. Please cease and desist. Do not continue to grieve the Holy Spirit of God by mixing what is pure and loving with what is bitter and filthy. The Lord has shown us many, many times, judgement on other souls is like a filthy diaper. When you change a baby's diaper you put it in the trash - you don't pull it out, play with its substance, sniff it and put it in other people's faces.

Please do not mix the profane with the Holy. Please do not criticize other Christian groups, because you are robbing Jesus of the suffering He endured on the Cross for each and every member. You are scattering the flock, you are pillaging the stores of Heaven by scandalizing other souls who are young in the Lord and don't recognize that what you are doing is wrong.

Is it not written: 'Do not judge, or you too will be judged. For in the same way you judge others, you will be judged, and with the measure you use, it will be measured to you.

'Why do you look at the speck of sawdust in your brother's eye and pay no attention to the plank in your own eye? How can you say to your brother. Let me take the speck out of your eye, when all the time there is a plank in your own eye? You hypocrite, first take the plank out of your own eye, and then you will see clearly to remove the speck from your brother's eye.

Matthew 7:1-5

You will be held accountable for souls that are lost because of your slander. Do you understand the seriousness of this? If a soul leaves a Christian group because they heard that group is bad, that soul becomes bait for the wolves. In other words, if that soul is stolen from the Lord because of the words of your mouth, you have become responsible for them going to Hell. You have blood on your hands, the Lord's blood, and the soul's blood.

If this sounds harsh, I'm sorry. It IS harsh. Ezekiel and I were both guilty of this for 20 years. The Lord withheld His blessings from us because of this grievous fault. The cry of our heart was to minister, but we disqualified ourselves by judging others. That's why my real ministry didn't begin until I was 68. It took me THAT LONG to really get it. And now, when Ezekiel and I talk about something, if we begin to see that we're talking about someone, we stop immediately and repent.

30 Do not grieve the Holy Spirit of God, by whom you were sealed for the day of redemption.

31 Let all bitterness and wrath and anger and clamor and slander be put away from you, along with all malice.

29Let no unwholesome word proceed from your mouth, but only such a word as is good for edification according to the need of the moment, so that it will give grace to those who hear.

32Be kind to one another, tender-hearted, forgiving each other, just as God in Christ also has forgiven you. Ephesians 4

I want you to also understand that if you refuse to forgive a brother or sister for what they have said or done to you, you too, will not be forgiven by the Lord. He has told us clearly, He cannot forgive you until you forgive others and release them from their sin against you.

In the Lord's prayer, He says, "Forgive us our trespasses as we forgive those who trespass against us." The words of Jesus in Matthew chapter 6 verse 12.

Let us move on to what the Lord is really calling us to. For five days the Lord has been giving Ezekiel and I the same Scripture. I had no idea what it was about. The Scripture reads:

"I do not ask on behalf of these alone, but for those also who believe in Me through their word; that they may all be one; even as You, Father, are in Me and I in You, that they also may be in

Us, so that the world may believe that You sent Me. "The glory which You have given Me I have given to them, that they may be one, just as We are one; I in them and You in Me, that they may be perfected in unity, so that the world may know that You sent Me, and loved them, even as You have loved Me. John 17:20-23

This IS the Christian witness. This is what makes us Christians. This is how we will be recognized. This is how we will know that people are authentic Christians. It doesn't matter how profound your teachings are, if you do not have love for your brother, you are just making noise, your words are not backed by your example in your life. Eventually those who listen to you will either follow your example of bitterness and be disqualified for the Kingdom or turn away from you seeking the Real Jesus.

And I want to make this statement, TO ALL YOUTUBE AND HEART DWELLERS, TO ALL OUR LISTENERS:

If you hear any criticism of a brother or sister or group, or any denouncement, that person has no part in our ministry, they are in no way representing us. And you are taking your own salvation and qualification for the rapture into your own hands by listening to them. May God have Mercy.

Again, if anyone criticizes another Christian person or group, they are in NO WAY associated with us. Even if they broadcast our messages, they have no part in us until they repent and are restored to fellowship and unity with those they have condemned.

Those of you who have been following us for months - you know better. Those of you who are young in the Lord, this is one critical qualification for the Rapture and even Heaven. Do not listen to slander or criticism of other groups! It is NOT of God!

We are all called to be fishers of men, each of you have your assignment and position in holding the huge net that Jesus has thrown over the whole world. Your job is to gather in the fish, the lost, before it is too late. Be faithful to your post. Do not tear the net, do not drop the net, and do not try to yank it forcefully from the hands of the others who are holding it. Cooperate with them, don't lose one valuable fish, not one! Make sure you work together to bring in the catch.

Now, I will tell you what is going on here in Brazil. I will pull back the veil for you. The witches in your country have come together to divide you, to cause jealousy, gossip and division. I have lived in Columbia and Ecuador. I know exactly how they operate - they send demons of jealousy, lying, slander. And those who are weak catch this like a virus and then spread the disease around. When you judge someone, you are cooperating with Satan to bring the Kingdom of God down.

It is written in Scripture: Not everyone who says to me, Lord, Lord, will enter the kingdom of heaven, but only the one who does the will of my Father who is in heaven. Many will say to me on that day, Lord, Lord, did we not prophesy in your name and in your name drive out demons and in your name perform many miracles? Then I will tell them plainly, I never knew you. Away from me, you evildoers! Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock. The rain came down, the streams rose, and the winds blew and beat against that house; yet it did not fall, because it had its foundation on the rock. But everyone who hears these words of mine and does not put them

into practice is like a foolish man who built his house on sand. The rain came down, the streams rose, and the winds blew and beat against that house, and it fell with a great crash. Matthew 7:21-27

Or, in modern day terms, the shofar sounded, the skies parted and the Bride of Christ was taken up into Heaven to enjoy the wedding feast with her Groom. But those who had been criticizing others were left crying on the ground and not taken to the Wedding Feast.

Please, dear Heartdwellers, bring no bitterness into the Lord's heart. Grieve not the Holy Spirit, repent, forgive, and re-unite. Work together - you need each other. Each of you has a role to play. It is very important for your salvation and the salvation of others. Don't ruin the harvest with bitterness. Seek the Lord, let Him heal you and fill you with His glory that you may take the hand of your brother and sister and work together.

The Lord bless you, Heartdwellers. May He give you the strength to purge whatever is in your craw, whatever you have against one another. May He give you the strength, the wisdom and the Grace to forgive and work together.

A Bruised Reed He Will Not Break

January 1, 2016

The sweet blessing of our Lord Jesus and Holy Spirit be with you all, Heartdwellers.

You know, the Lord wounds and the Lord binds up. He does both. He's a master at reforming us and helping us. Tonight He's talking about healing.

I asked Him, "Lord what is on Your heart?"

"That they should all be one, even as the Father and I are One."

This is referring to the last video that I did on gossip, "I Wanted to Go Fishing But the Nets Were Torn".

Just to clarify something, I certainly wasn't talking about ALL Brazilians. I'm just talking about a very small group - well, a group of about 400 people that have been seriously under attack. My heart goes out to them. They needed healing and other people around them needed healing. I'm just hoping that what the Lord had to say, what He gave me to say will reach into their hearts and there will be healing and they'll join in unity, because that's what He really wants.

So, the Lord continued here:

"This kind of thing happens when souls are wounded and have very little self-worth. They long to be accepted and loved by others, yet the wounds run so deep in their souls, they end up alienating others. You know all about that, you have been there."

Yes, Lord it is true. So, how does one get beyond that?

"By coming to Me and allowing Me to rearrange their thoughts about themselves. I heal their wounds. I dress them with kindness. I pray over them until they are restored. It is very hard, if not impossible, for anyone to lead others when they are carrying deep wounds in their hearts. And if they do lead, it is usually others who carry wounds similar to theirs that follow them. Misery does love company and wounded souls seek out the companionship of other wounded souls.

"They can either heal one another with Me living inside of them, or carry one another deeper into pits of resentment, jealousy, rejection. It is a root of rejection. Satan begins at a very early age in the childhood to cultivate that root and make ready for rebellion. What you learned as a new Christian is true, rejection opens the door for so many demons, especially rebellion.

"The broken and wounded are amongst the poorest and most needy souls and I hate having to correct them. But when they turn against others, wounding My Body, I must call the question.

"My dear and holy ones, clothe yourselves in love, as I clothe you in Love. Each day as you spend substantial time with Me I give you rest and restore your souls. When you feel that jealousy and bitterness are rising up in you, come to Me immediately, confess it and beg forgiveness as well as healing. My heart is to make you whole, so the Body can be whole. But I need your cooperation. I need you to recognize that this self-righteous spirit is poison and not from Me. You are not defending My honor when you attack others and find fault - you are sowing division, breaking the nets and chasing away the catch - MY catch.

"Oh, how I weep for those who are scandalized through bad example. I see their hopes dashed to pieces when they see what Christians do to one another. Some are blessed, they know Me, and know that is not My Heart, not My Way. But others don't recognize that is not My Heart and they turn to witchcraft and divination and the New Age to fill their spiritual void.

"Many, many of the New Agers are highly focused on loving their brother. You want to know why that movement has so much success? Self-righteous, critical and judgmental Christians play a huge part in turning away a hungry soul seeking spiritual depth. I am not saying they are innocent on all levels, but what I must call My Church has played a major role in filling the pews of New Age churches.

"When Christians act like Christians, act like Me, they will seek Me out. Until then, they are finding solace in counterfeits that preach, teach and live love. And do you know, some of them are safer there than in the local churches? Why? Because being trained in love, they begin to find Me - they begin to find love. Rather than sinking deeper into bitterness, they embrace love. And in the proper hour, I will reveal Myself to them and crack open that heart that has erected a hard shell against Christianity, because those who do not follow My teachings have wounded them.

"People that do not know or have My Heart, teach the Bible. They are trained in legalisms without knowing by experience the laws of Mercy. This results in a whole generation of Pharisees...they lack the tassels on the outside, but on the inside they are abundant. This is why I have rejected many of this generation of preachers to lead My People. This is why I have raised up shepherds after My own Heart. They are wounded souls that found Love and cleaved to Me until their were healed. Now I am sending them out without any credentials other than deep scars that have healed and been filled with the anointing of My Love.

"These are the ones I referred to when I said, 'The last shall be first, and the first shall be last. And the wage of the worker that only worked a few hours will be the same as the worker who was hired in the beginning.' These are of the generation that will build for Me a Holy Nation and prepare the way, leveling every pretense, every religious spirit, every haunt of self-righteousness and pride.

"There is hope for all, if only they will see I did not come to judge but to love, heal and encourage and I need all of My spokesmen and women to be gentle...a bruised reed they will not break, as it is written:

1"Behold, My Servant, whom I uphold;
My chosen one in whom My soul delights.
I have put My Spirit upon Him;
He will bring forth justice to the nations.

2"He will not cry out or raise His voice,
Nor make His voice heard in the street.

3"A bruised reed He will not break
And a dimly burning wick He will not extinguish;
He will faithfully bring forth justice.
Isaiah 42

And I believe what the Lord is saying here in that quote is that shepherds after His own heart are also going to resemble Him, just as it's written here in Isaiah 42.

So, the Lord bless you all, Heartdwellers and bring healing and new understanding to all of us. He's with us to heal us and to build us up. Amen

Victory Over Trials, Temptations & Spiritual Muscle

January 3, 2016

The blessing of the Holy Spirit and our precious Jesus be with us all, Heartdwellers.

Lord, I pray that you would encourage and strengthen every soul who hears this message. Oh, Jesus, You are faithful and never will you give us more than we can handle with Your living presence inside of us.

As you are well aware dear Heart Dwellers...whenever Holy Spirit reveals a hole in the Binding Prayer, I am quick to make revisions. And there is one thing I have wanted to

bring to your attention because the Lord continues to stress it every time I use the Binding Prayer.

So, I'm going to share that with you today.

Just as an animal that has been isolated from every bacteria never acquires a strong immune system, so it is with us. If the Lord were to remove all our trials and attacks of the evil ones, we would become spiritual marshmallows and couch potatoes.

But praise be to God, He is continually exercising us in warfare and making us strong against all adversaries.

As I was speaking these words, I had a vision of a soldier, a big Roman soldier with muscles bulging out of his arms and his legs. Not only was he skilled with the sword, but he was very strong, very powerful. And this is what I believe the Lord is doing when He allows these trials. One of the things I'd like to mention here, is that when you are under attack - the demons are just having a hey-day with you, you can offer all the sufferings of that attack and those inconveniences for the salvation of the soul who is on the brink of hell, who is just about ready to fall into the Abyss. And by doing that, you'll greatly frustrate them (the demons), because they'll reason, "Well, the more I torment her, the more she offers up to God for the salvation of that soul. And the less I torment her, the more trouble I get into 'cause I'm not doing my job." So, it really does throw them into confusion.

I've often wondered why He put us in Taos, but it is well known among the occult community that the mountains of Taos are second only to the Himalayas for making spiritual sacrifices to the principalities and powers of the air. It soon became obvious to me that if that under the Lord's direction, we could survive and thrive here, we could survive and thrive anywhere.

Carol and I and others of you continue to be tested and tried beyond your current limits. It seems like there is no end to the sorrows and pains we suffer in this life, although for most of us it is nothing like those in refugee camps running from merciless regimes.

But still, as first world countries we are suffering our own woes and trials.

With each passing day we have a choice to make, complain or come to God for more strength to endure. And believe me, I'm not for one minute saying I don't complain!

Give us aid against the enemy, for human help is worthless. With God we will gain the victory, and he will trample down our enemies. Psalm 108:12-13

I am the worst coward among you all, so, be at ease! I'm really the worst coward of all of you. So, I know first hand all about complaining and fear of pain. Yet each day He gives me the grace to live through and offer to Him one more painful failure in my body, or the loss of another animal dear to our hearts. Just two days ago, we had to say goodbye to our Abbey about 14 years old, who chased a mule and got kicked in the head. We nursed and doctored her for almost a year, and yet her injuries would heal and come back until it was obvious that she had served her tour of duty down here on Earth and she deserved her reward. Saying good bye is so hard.

But someday we will be able to say, "O Death, where is your victory? O death, where is your sting?" 1 Corinthians 15:55 Interesting note on that: 555 - 5 denotes the wounds of Christ and His suffering. Whenever I see 555 on a clock I figure, 'Oh, Boy...we're in for it now...' Kind of a warning, so to speak.

Anyway, we look forward to the greeting committee when we finally are taken up and out of here 'cause all of our pets are going to be there.

What exactly is the Lord doing? I have learned from two decades of experience that the blood of the martyrs truly is the seed of the church, both in an obvious way like the beheadings in Syria and in a less obvious way, the death of a dear pet, and even prolonged illness that will not yield to prayer. (By the way, that expression: "the blood of the martyrs truly is the seed of the church" came from Tertullian in the 2nd Century he was a church father.)

I have recognized these things happening in each of these events, a fast offering of what is dear to us for the spreading of the Kingdom of God, a strengthening in endurance and resolve to accept whatever the Lord allows in our lives, learning detachment...that in the final analysis the only thing we cannot live without is Him...and finally the Lord does allow some things as part of a discipline necessary to our sanctification.

By the way I have been nudged more than three times to tell you about the book *Abandonment to Divine Providence* written by Jean Pierre de Caussade, it gives us a profound look into the thinking and workings of God during trials. It is a spiritual classic much like *The Imitation of Christ*. And it has helped me like no other book to accept with docility the ways of God in my life and to abandon the purse of my own opinion, leaning on the Lord's wisdom over my shallow human reasoning. Very good book.

But getting back to discipline as one of the elements in trials, "The Lord disciplines whom He loves, and He scourges every son whom He receives." Hebrews 12:6 Paul certainly knew all about those scourges and permitted sufferings. He suffered SO much.

So, my point here is that while I would love to write a prayer to cover every eventuality, every demon, every situation, it simply is not possible. Were we to stop having attacks we would become even greater spiritual weaklings. So, while we can pray against them, eventually we must accept Divine Providence when the Lord permits them in spite of our vigilance and prayers. He is building spiritual muscle, guys. Detachment from earthly pleasures, including the approval of loved ones, and physical sufferings, thorns in our flesh.

And going one step further...many Heart Dwellers on our channel have complained that no matter how hard they try, they can't rid themselves of smoking, or giving in to sexual temptation, or avarice, or any other fault that plagues us, much like a thorn in the flesh.

And here Paul explains to us by way of his example, exactly what is going on:

"Because of the surpassing greatness of the revelations, for this reason, to keep me from exalting myself, there was given me a thorn in the flesh, a messenger of Satan to torment me-- to keep me from exalting myself! "

Wow! What an insight!

" ...Concerning this I implored the Lord three times that it might leave me. And He has said to me, "My grace is sufficient for you, for power is perfected in weakness." Most gladly, therefore, I

will rather boast about my weaknesses, so that the power of Christ may dwell in me. 2 Cor. 12:7-9

So, Paul boasts about the power of God working through Him, but the main reason was to keep him humble. Every time I fail to fight off some kind of temptation, remorse follows on its heels and I am again humbled. So, if the Lord is not giving you the power to overcome your temptations, look to pride...look to judging others, look to lack of compassion and mercy. That's where I find my weaknesses and then I understand well, the Lord is humbling me. As soon as I get over myself...the temptations cease. Isn't that amazing??

So, Lord do you have something to add?

He began: *"Through and during all of these temptations My Dear Ones, I am there, holding your hand, advising you, right there standing beside you until you choose to sin... then I must painfully turn my gaze away. Oh, how grievous sin is to Me. And yet though I allow you to stumble and fall, and withhold from You the sustaining grace to overcome yourself, if it were not absolutely necessary for your higher good in the end, I would not permit it.*

"The solution is always for you to rush to Me, fall on your knees and beg for the graces to overcome trials and keep from offending Me. When your motive becomes 'not to offend Me' you are on the highway of holiness. The only other remaining thing left for you to do is humble yourself below all others, see their virtues compared to your failures and know beyond a shadow of a doubt that you are the littlest, weakest and most easily compromised soul you have ever met. Staying in this station keeps you very close to rock bottom, totally dependent on ME...and you are far less likely to sin.

"Always beware of the times of victory or completion of a task. This is when you are most vulnerable and likely to let down your guard. Your enemy waits for these times and coaxes you to take your 'virtue' for granted...secretly thinking you are above falling like others. That is the most dangerous time of your life so far. When you have conquered steep mountains, over and over again, Satan lies in wait for that next mountain when you will relax your guard and soar on your laurels.

"These are the times when humility has been abandoned and they are also times when it is needed the most. Always rekindle your awareness that you are positively zero in virtue without My grace. Leaning on Me in this way will sustain you when those lying in wait finally pounce with a HUGE temptation and reams of excuses as to why you should do it. And if you should be fortunate enough to have many, many victories due to My Grace, the enemy will invariably lead you into a trap with great delicacy and forethought. At that point if you have not been on guard, it is almost too late. Always, look way ahead at the potential consequences before you step forward.

"Not only is the adversary a roaring lion lying in wait, he is a clever hunter knowing just where to set the snares and exactly what kind of bait to use. He also watches for a string of events that make you more than usually vulnerable to his suggestions. During times of loss and trial you become weakened and seeking consolation. This, too, is a time of great vulnerability. Although at those times you are still safer than after a major victory, because then you are feeling defeated. When you are feeling defeated you are on guard.

"I have given you these instructions, My Ravishing Bride, because you are so close to the time of your nuptials and I want you to maintain your integrity to that final moment. Know that your greatest enemy is your self will and your greatest protection is humility, which always leans towards obedience.

"Now that you know these things, happy will you be if you do them. My Love is forever with you, dear ones."

Warrior or Lover for Christ

January 4, 2016

The Lord bless you with His sweet presence Heartdwellers.

Well, it's been an interesting day. One of our friends told us about a book *Regions of Captivity* by Anna Mendez Ferrell. And it's a very interesting book, I decided to check it out and get into depth a little bit with it. She goes into some very interesting deliverance experiences. She talks a great deal about fragmented souls and how events in

childhood can fragment a soul and keep a soul tied to a place of...torment, really. That's what I would call it. Where demons are present.

And it was a very, very interesting read but it was troubling to me, because it was dark, you know. She was dealing with some very dark stuff. And I like the way she went about it, because she was very much into prayer and worship, entering in to the Secret Place with the Lord before she did anything. And being obedient to what He wanted her to do. And it's obvious that she has a ministry of deliverance.

That's not my ministry. We do it, because we have to sometimes, but that's not something that I need to go chasing after, so to speak.

The book had an impact on me and I shared that with the Lord.

I said: "Lord I don't know what to say about this book, it's so powerful and my heart is aching so much. Jesus, I don't want to go to those dark regions, but I want to set the captives free and be a restorer of ruined homesteads. Lord what am I to think?"

And He answered me, *"Peace. Peace, Clare."* He put His hand over my heart. *"Peace. Peace in your troubled heart, your troubled soul. Peace. These are regions of darkness and they are terrible places. Most people do not operate in the fullness of their spirits because of what the enemy has done to them. You are one of those, Clare, that's why it is so troubling to you."*

And I said, "But I know Ezekiel is, too, Lord."

"Yes, in a much worse way than you. That is true. What do you think I make of this suffering?"

Knowing You, You always bring good out of suffering... but is it Your will to continue to allow this kind of torment?

"What do you think?"

It's up to the individual soul and what they are willing to offer You. But You came to set the captives free? Oh Lord, I'm confused.

"Don't be, I haven't changed a thing. What I have allowed, though dreadfully painful, is nonetheless working to bring forth a harvest of righteousness."

"In some cases, where the oppression is extreme, I release the captives. In others, where the soul is functioning, it becomes like an investment; a portion of your life set aside that is earning interest that will be cashed in when I take you home to Myself. Oh, Clare, you know and understand so well the mechanics of redemption - not just the saving of the soul but their sanctification as well. Are you going back on what I have taught you?"

I always want to remain open to deeper truths You might want to reveal to me, my Beloved.

"Yes and I do love that about you." He said, "What you have learned is the ultimate truth: deny yourself, pick up your cross and follow Me. Are you doing that?"

To some degree.

"Well, what I mean is, are you operating in what I have taught you?"

Yes, Lord. I believe so.

"Good, then steady as she goes. Not all are called to this deliverance ministry. Clare, haven't you figured it out yet, you're not a warrior, you're a lover?"

"I created you to love and through your love, I work the miracles. Yes, yes, I know what you will say, that it is My love at work through you - and that is true enough. But your cooperation in the outpouring of My heart upon others - well, that is a sublime gift and I do not want you to veer to the right or the left. Keep your heart purely for Me, tend to Me, Clare. Meet My needs."

And what He's talking about there is worship. Worship and keeping Him company, just being there for the Lord above all other things. You know, there's conquests that we can go on, there's all kinds of things we can do for the Lord. But the one thing that He values SO much, aside from setting the captives free, because that's part of our job as Christians - is our company. Our loving company and being there, being present to Him.

He continued, *"There is a point where you become impervious to these things...you have seen it in certain saints and martyrs of old. It is called total surrender to whatever I allow. When the soul rivets their loving gaze on Me, all that is going on around them they know to be allowed by Me and it makes no difference to them, because they are so in love with Me. They reason, 'Whatever You allow, My Holy God. Nothing could be more perfect than what You have allowed.'*

"Thus the fight is gone and conquered by love alone. Do you understand?"

I could not answer. I was struggling with my own interior pain.

"You needn't answer, My Love. You know My ways well indeed. Acquiescence is everything."

I thought, 'I'm not sure what that means.' So, I looked it up for a more thorough understanding. And the definition says: "Passive assent or agreement without protest. To accept, agree, or allow something to happen by staying silent or by not arguing. To submit or comply silently or without protest; agree; consent."

So, how do I know when to pray and when to stay silent?

"By My Spirit, as in all things, obedience."

I fear I have failed You then, Lord - because I pray for my husband's relief all the time.

"And I honor your prayers, because of your love for him and for Me."

But am I depriving him then of the sacrifice of the offering that's he's making of himself?

"Not really, the pain will come back."

So, what's the use in me praying?

"Temporary relief, a respite. I am not a slave driver that I should continually allow suffering. It is good for him to get relief and see your love in action. Or should I say, My love working through you, in action."

"It's like a dance. Sometimes you move forward, then backwards and side to side. It is the variety that makes life rich and interesting. If one were to be always moving forward, they would soon be bored...no challenge in that. But with ups and downs your life becomes richer and fuller. As it is written, there is a time and a season for everything under heaven."

But Heaven is constant forward motion and it is never boring, right?

"In Heaven, it is another kind of dance, a dance of joy, worship and eternal thanksgiving for the living wonders of God through the fabric of your now supernatural life. You have served your term, so to speak. You have sought your higher ground, and now you are graduated into supreme bliss. But what good you have done on Earth goes on and on and on, continuing to bring forth fruit."

"It is all very much of a mystery. Try to content yourself in knowing that My ways are not your ways, and in all things you need not know how they work; they just work and you don't question because you trust. Just as you trust that when you turn the light switch, the light comes on. Trust also that when you pray, things happen, grace pours forth, everything proceeds from God and Our divine plan. Oh when will I ever get you to just accept and relax My Love?"

I answered Him kinda wobbly... "Never???"

"Probably so. Yes...you do have an enquiring mind. Just make sure you don't ask out of insecurity thinking that perhaps My ways are not best. Rather ask because you enjoy learning about Me."

I love learning about You, Lord.

And that's the end of the message.

Unique and Monogamous With Jesus

January 6, 2015

The Lord is with us, Heartdwellers. And the journey is long...I'm so glad it's almost over!

Well, Brothers and sisters, I don't know how all of you are feeling, but if it is anything like me you are longing to be gone from this world. I think the Lord tried to perk me up by giving me this reading from *Chronicles of the Bride*, which I'm going to share with you in just a minute.

While we danced, he in His tux and I was in my wedding gown, tears rolled down His cheeks. *"You just have no idea what is waiting for you, no idea at all."*

And I could feel poignantly His excitement over all the wonderful discoveries and wonders He has prepared for us. I tried to block out the state of the world and the ugliness of the demon world from my thoughts but I couldn't. It was constantly in the background.

What I opened to in *Chronicles of the Bride* was "Your New Homeland."

"My Beloved, My Faithful Bride, I wish to spend some special time with you tonight. I wish to take you away once again, to the celestial land in which you will live for all eternity.

"These times are very real and genuine that we share, and they are preparing you for a paradise far, far beyond your experience of this temporary world that you now live in. In a very short time, you will be with Me in Heaven.

"It is not so far away as it would seem, and the thin veil that hangs between you and this marvelous place is all but dissolved at this moment of your life. You are being transformed more and more everyday, that the moment of your arrival will be quite natural.

"Everything will be so dazzling and resplendent, so fresh and open, colorful and pure, yet you will feel such a sense of familiarity, with no fear or apprehension at all.

"Come now. Come away with Me to your new Homeland once again, that we might bask in the Love of Our Father and His magnificent provision for us."

That's from *Chronicles of the Bride*, and it's just as much alive and full of meaning today as it was then, when it was written.

So the Lord began speaking after that.

He began, *"As each day presses on towards the fulfillment of all your hopes and dreams, I caution you, My Love - steady as she goes."*

I've gotta confess to you guys, I was really feeling like playing hooky, just doing something different, and getting very restless. Like a child that gets bored doing homework, you know. I mean, how could I feel that way?? But it was just something that came over me and I had to fight it off. Anyway - I'm human, you know... SO human!

I said, "Jesus, I need your restorative life, this world is swathed in such darkness it is amazing to me that anyone survives. Anyone."

You know, looking back on our road, it's not swathed in darkness. It's immersed in darkness. Oh, my goodness.

He continued, *"Only by My Grace, for I tend to each lamb singularly. Each day something worth living for comes forth, a touch of hope, just enough to move onto the very next day. So many are dependent upon one another, when one goes down it affects all. Yet I have managed to keep you on your feet through these difficult times...I know that it seems your strength is less than the work on the road before you, short as it is."*

"But I promise you, My Love, I am with you. There are times I carry you, Clare. Oh, don't grow weary or despondent. Nourish yourself on Me and rise up for another day. Together we can conquer the adversary and continue to nourish souls."

I answered Him, "Lord, I am not counting on You 20, 30 or even 50%, but 99.9% to energize us to the end. Thank you for the many victories You have given us, thank you for always being here to speak with us, thank you for a love that is beyond description."

Today the Lord was wearing His wedding tux, as He has been for a couple of weeks now. I was in my bridal gown and He was encouraging me to dance, dance, dance in my bridal gown...so happily, so gaily, you would think I were the only person in the world to Him, so intent was He on enjoying our time together.

He continued, *"I really tried to get you to celebrate with Me...I need that, too, you know. This is the bright spot in My day, when My Bride goes into her Secret Place to exclude everything but Me from her consciousness. No matter you have interruptions in your concentration. Doesn't My voice singing sweetly to you bring you back almost immediately?"*

It does, Lord!!! You are an endless romantic Jesus, looking into my eyes and singing..."Draw Me Close to You...Never let Me go...I'd lay it all down again...just to hear you say that I'm your

friend..." (sung by Michael W. Smith, written by Kelly Robert Carpenter.) And when you sang that, I saw what you did for me on Calvary. And Your eyes were so loving and intent on me.

He answered me, *"And are you going to share what I told you?"*

Yes! When you sang "You're all I've ever wanted..." I thought to myself, 'But what about all the other Brides??' And You gave me to understand that the beauty of each one is SO unique, that that particular uniqueness satisfies a longing in You that no other soul can duplicate. And therefore, it is like a compliment to Who You are with her, and she is in a very real way your helpmate, completing and returning the gift You gave her at conception. And in a sense, she is the only one in the world to You...when you are with her, it is as though no one else exists.

Your Godhead longs to be melded into One, because each one's total, irreplaceable beauty completes your irreplaceable essence in a singular and unique way; not only bringing glory to You, but satisfaction and happiness as well. Oh, it's a mystery.

"Indeed it is. But one that lends itself to a monogamous relationship. And that is why you see Me represented in different ways with each of My Brides. Each one is a perfect compliment to Who I am when I am with them.

"Just be happy to know that no jealousy, lack or loneliness exists in Heaven. All your deepest needs and desires are met to perfection in spotless purity.

"It won't be long now, sweet Clare, it won't be long at all."

That's so good to hear, Jesus. Carry Me Lord, I'm too little for this work.

"You can count on it. I will never abandon you to your own devices. Never. If the journey seems too tiring, lean on Me more heavily.

"My Brides, lean on Me. I will support you and carry you when necessary. My love for you has no end and I am coming."

And that was the end of the message.

Regaining Joy In Oppression

January 8, 2016

The Lord bless you Heartdwellers. Sorry about getting the message up late, but we've had a snowstorm here, and an incredible system on top of us - it's just kind of leveled me. And Ezekiel, too - very, very heavy.

And there was a spiritual heaviness, too, that we've been feeling. And exhaustion and kind of a lack of joy and a lack of strength. Very interestingly, one of Lana Vawser's Word of Knowledge about the situation in the Body right now.

And I want to read it to you right now. And I want to read it to you, because it addresses exactly what we've been going through lately.

She says here:

There has been a very specific assault against many with the sole purpose of stealing joy. An assault to steal expectation, hope, contentment and feelings of joy in all that the Lord is doing. Word from Lana Vawser

Interestingly, guys, I think a couple days ago my attitude was reflecting that. And I told the Lord, "How could I possibly be tired of listening to You, Lord - I just don't understand it!!!"

But this is a spiritual attack that's going on.

She continues here:

I saw this assault as a very heavy weight and burden upon many. A heaviness and weariness that felt like the 'life was being sucked out' of many.

This heaviness, discouragement, and heavy weight many have been feeling it has come upon many suddenly, but will also leave suddenly.

I felt the Lord was specifically highlighting fasting as a HUGE key to breakthrough. I heard the words while being with the Lord "Fasting is fast tracking many back into joy."

I feel like the Lord is really putting emphasis on fasting right now to bring a great shift, deliverance, breakthrough and acceleration. Fast tracking into joy. A sudden 'cutting away', deliverance and freedom is going to take place in the fasting process right now.

As many of God's people fast this month of January, are going to see the Lord position them for a greater "take off" in February. You are going to gain greater authority over the very area and demonic force and principality (some are facing) through the fasting process as He awakens you to the authority that you ALREADY have in Jesus, but also the authority you are gaining as you continue to push through this incredible heaviness and assault to steal joy.

Now, I just want to take an aside here and say that, a lot of you are going to say, "I don't know how to fast." Well, there's different ways to fast. For those of you are still watching television, you can fast from movies and television. I particularly can't fast from food for very long, being alone having Fibro, but I CAN fast from favorite foods and foods that are desserts and things like that. You can do a dessert fast, or a Daniel fast, which is (only eating) vegetables and grains. So, these are different ways that you can just deny yourself certain little pleasures and offer those to the Lord as a fast offering. And that will definitely help you extricate yourself from this lack of Joy.

She continued on:

Don't give up! Push through! You are going to KNOW the joy of the Lord AS your strength.

This day is holy to our Lord. Do not grieve, for the joy of the LORD is your strength.
(Nehemiah 8:10)

The enemy has been lying to many that this season is like no other and will be another season of grieving, but I felt the Lord saying that He is rebuilding confident expectation in Him, HOPE ARISING and RAINING DOWN again that will see the FRUIT of that joy released. Get ready to laugh again and like you have not laughed before!

I asked the Lord why there has been a constant emphasis on "JOY" and a constant assault by the enemy to see JOY stolen, and I felt Him say, *"Because this year 2016, is going to be the year of great JOY for many."*

I think that's the Rapture myself, personally.

Going back to what Lana is saying:

Greater peace, greater confident expectation in Him. Faith will go to new levels, and breakthrough and increase of the manifestation of His Word will go to a whole new level. This will be a year where JOY and many fruits of joy, hope, peace, confident expectation and LAUGHS will be restored.

You may feel very heavy right now, but I want to encourage you to keep pressing in. Fasting is a key right now to unlock MORE than you are believing for. He is going to FAST TRACK YOU INTO JOY in areas you haven't had it, and FAST TRACK YOU BACK INTO areas where you had it before and it has been lost. It's going to break and joy will break forth again.

And that was the end of her message. So, basically she's saying the Lord is calling for a fast to overcome these obstacles, this oppression, this heaviness.

Boy, I could feel it yesterday - it was SO heavy. And I didn't get a message out because there was one thing after another that I had to deal with. So, I want to get this out to you today. Just so you have something to think about. Like I said, I am fasting from dessert foods and from other certain things that are just a pleasure for me. That's the best I can do. Nursing mothers and pregnant women - you don't need to be fasting. You can deny yourself a treat, but don't fast in any way 'cause that baby needs the nourishment.

So, yesterday was a really heavy day for me.

And I heard the Lord say,

"Are you with Me?"

I answered Him, "I am trying, sweet Jesus. I cannot do it on my own so I am asking for Your help. Jesus, please speak to me for Your Bride and Your children."

"Yes, the world is a heavy place right now, more than ever, and yes it is draining you and other souls, especially My Betrothed. It is all I can do to hold back My tears, and My Faithful Brides

bring Me more comfort than you can ever imagine. Thank you, My Precious ones, for loving Me, for needing Me, for wanting to partake of My suffering and drink from My cup.

"At long last I have a true helpmate, companion and believer. At long last I am standing with souls that have given Me their all, even in the very trying situations some of you are dealing with. I am eternally grateful for your companionship, My Brides. You are walking in the very pinnacle of Christianity, which from the outside looks like the very pits.

"But this humility you suffer with in your oppressions, is the walk I had on Earth and it is forming you into My faithful helpmate, one who echoes My estate on Earth, one easily recognized as being like Me. How glorious you are to the angels and how terrible you appear to the demons, because My Blood is running through your veins, My anointing, My character, My Love and My Mercy. Oh how beautiful you are to Me, My Bride.

"All of Heaven rejoices when they behold the glory of My Brides. They are happy for Me that at last I have found fulfillment in the souls I have sent to Earth."

And that was the end of His message.

You know, in all things, I don't care what it is that we suffer. If it is sickness that doesn't yield to prayer. I always pray and I'm glad to see sickness leave when I pray. It happens many times with Ezekiel and I, between the two of us. And pray against oppressions. But when something DOESN'T yield to prayer, we know the Lord is using that as a fast offering. And so, even this assault against Joy has been a fast offering, because I know the Lord is suffering great trials in His heart for the souls that He will never see again.

And one more thing I wanted to share with you, a note on yesterday's message. And that is, can you imagine - I don't know how it is for a lot of you, but it is very difficult for me to find, for instance, shoes that fit me just right, because I'm up already into a man's size, 'cause I'm tall. So, I don't have very much of a choice when it comes to shoes. And they have to fit just the right way, they can't be too narrow, they can't be too broad. They have to have a certain shape - it's amazing. Trying to find shoes that are comfortable that I can walk in is really hard!

And some of you are probably familiar with the expression 'and old shoe' - 'my friend is like an old shoe'. Well, old shoes are broken in and they're comfortable to walk in. But more than that, the Lord yesterday, I believe, REALLY, really unveiled His heart to us. That each one of us is so uniquely different and fulfilling His need. The need that He has when He created us as beautiful, unique individuals. To see us coming back to Him. To see us reaching out for Him and our life being fulfilled as HE would have it fulfilled. It's such a beautiful thing to Him.

And we are like those 'old shoes'. We're like an old shoe, or a shoe that we discovered that fits us to a "T", that's perfect. Each one of us is like a different shoe that fits a different part of God, and different specifications. Like a glove fitting a hand perfectly. Each one of us is different.

You can imagine. He's giving forth these beautiful anointings and gifts to souls when they are conceived, and how He longs to see that soul fulfill all those gifts and anointings. So you can imagine what He feels like when He loses one who was so unique, no one else could ever take their place. And yes, He has other souls He loves and adores, but there was something about that one soul that cannot be replicated. And so, you can imagine what He goes through when

there is a mass-tragedy or war breaks out. Many are killed, and there's no hope of redemption for them now.

So, we're bound and likely to feel some heaviness, guys. We're going to feel that, because we're so close to Him. Our heart beats in unison with His heart, so we're bound at times to feel that heaviness that He's going through. But He's giving us the strength to walk through it.

As far as the oppression from the enemy goes, fasting and worship through all that we're going to mount upward and overcome that as well.

So, the Lord bless you Heartdwellers. Just a little message for you today to cheer you up. And this evening, God willing, He'll give us another message for tomorrow.

Invasion, Underground Cities, Prayer Defeats the Enemy

January 8, 2016

Well, Heartdwellers - good news and bad news.

Wedding Bells are definitely on the Lord's heart as we danced tonight. And He's also giving us a look into the future and what's going to be happening in this next war.

So, I'll go ahead and begin.

Wedding Bells are definitely on the Lord's heart as we and danced and danced in our bridal attire. Understanding more about how this monogamous and pure relationship works, I am being more attentive to my feelings for Him. I see more and more each day that He is not just God unapproachable, or for everyone the same. But I uniquely bring joy to Him, that each of us matter to Him profoundly. My eyes and my heart have truly been opened to reciprocate and not feel like I am giving nothing to Him because He is God and I'm just another human.

No, I bear the fingerprints unique to Him, so special so singular, so un-duplicable. Knowing this is causing me to take His personal love for me much more seriously. Before it was more like "God is Love, so God has to Love." Now it is more like "My Lord is in love with me because of the beauty He created in me." And not even because I was faithful to return love to Him, but just because I am uniquely beautiful to Him the way He created me. And that goes for ALL of us, Heartdwellers.

Oh, I struggle with the words. I really hope you will be able to catch on to what I so poorly describe. It's not easy to describe it. But I just am getting more intimately attached to Him, getting to know Him so much better.

Today, He very tenderly put a ring on my finger, a heart shaped diamond giving off waves of light just like the aurora borealis intermittently sparkling with fire. We lingered there for a very long time, forehead to forehead. It was really a tender moment. Then He presented me to His Father and I fell into worship. Afterwards, we continued to dance for quite a long time. Then

Jesus took me out to the rose garden and we sat on a bench together with roses gracefully drooping over the bench. One in particular was right between us, as though it wanted to catch as much of the love between us as it could.

The Lord began to show me planes flying over America. They were coming in from the northern border and I saw them somewhere over the northern part of the Midwest. I also saw paratroopers dropping from them. The thing that confused me was that the planes looked like old warplanes, more rounded in shape, not as sleek as jet fighters and that kind of thing - just more rounded on the wings and the shape. And our Northern border was completely unprotected.

The Lord began to speak at this point:

"I am showing you what must transpire soon. The sky will be cluttered with parachutes as you are invaded from the North. That day will be like none other in the history of the world. The people living in your country are so unprepared for what is to happen that many will succumb to shock.

"I know you hear Me talk about this a great deal, My Love, but you cannot be too prepared, especially because your country's borders will at that time be completely open and for all practical purposes, quite deliberately unguarded."

I had a flashback to the Canadian prime minister and Obama talking on the phone.

"They really do think they will be totally prepared and protected. But I am telling you, so many things will go wrong in their efforts to destroy this country and yet stay safe, that it will soon balloon out of their hands. He will not be safe, nor will his family. And ultimately he will suffer the same grief he has laid on the backs of American people. He will not escape unscathed, nor will his children. As it is written, 'they dug a hole for others but fell into it themselves' No one can possibly calculate the probabilities or things that can go wrong in such a huge operation.

"These underground cities that they are relying on so very heavily are still within the shifting crust of the Earth. With barely a nudge, the tunnels will break into pieces and shift - effectively sealing off those who are in them, in segments.

"Because of the prayers of your people, there are many ugly underground creatures that will be snuffed out in an instant by My hand moving the crust of the Earth and burying them in their own subterranean graves. This will be one weapon against the people that I will destroy. Your prayers are powerful My People. Very, very powerful. And while I cannot forestall the Tribulation any longer, because of repentance and prayer I can lift off some of the judgments that were planned to fall.

"Do not underestimate the power of repenting for your country. Oh, how powerful this is!!! Like Moses, you stand between the righteous judgments of God and this corrupt generation. Yet I shall have pity and show mercy, time and time again. So, continue your prayers. There are devices of wickedness and evil that you in your own imaginations would never think of. Terrible things, inflicting great pain and death. But because of your repentance and prayer I will intercept and destroy many of them, giving those left behind another chance to repent.

"Oh, pray for the repentance of your children, America. For those caught in disobedience and sin. Pray that they will repent and not join the ranks of those who are bitter and shaking their fists in My face, cursing Me. Pray that a wave of repentance will be sent to bring them to their senses and that they will come to Me repenting and seeking guidance. Many heroes will be born in that hour. And many that you thought were heroes will crumble in the dust, revealing their true interior emptiness.

"I will raise up warriors after My own heart. They will listen to Me alone and from their hands I will wrought great miracles. I will grant them the advantage against their adversaries, just as I jarred the Earth's crust and entombed those who have brought this upon their countrymen.

"So much depends on prayer. So much is out of your hands and in Mine. Those who are swift to see this will prosper; those who rely on their own strength will quickly succumb. That is a point I have wanted to make over and over again to My Heartdwellers. You can rely on Me or you can rely on yourself and your own prowess, but you can't have both. Only the prayerful and obedient ones will gain the victory.

"In all things, My People - pray. Repent for the nations, listen for My instructions and obey. Pray much that the horrors planned against the innocent will fail. Pray for the destruction of the infrastructure that has arranged all these events to decimate mankind from the Earth. These prayers I will answer. And yes, pray for your enemies and the unsaved.

"Know that with the death of millions, Hell will expand and unprecedented volcanic activity will erupt in places never imagined. This will be part of the destruction of the underground cities. Even as Sodom and Gomorrah were reduced to sulfur, so shall these chambers be filled with deadly gasses and magma. No one could foresee the effect the expansion of Hell and what it would have on what they called 'secure' bunkers and cities.

"Yes, pray, repent, and pray more - especially for the innocent and last minute conversions. Pray even that your enemies repent in their last moments, for those who call upon Me will be saved.

"I bless you now with courage, intercession and a heart after My own, even as Moses had. Lift up your hearts to Me and call down mercy on the Earth."

You Were Made For Me Alone

January 9, 2016

Oh, what a wonderful gift I have to share with you today, Heartdwellers! This is such a beautiful, beautiful message from the Lord. I pray that it really reaches down deeply into your hearts and really stirs you to know how profoundly the Lord loves you.

So, Jesus wanted me to tell you about what happened today. I confess, I have no idea how to explain this to you...so you will REALLY get it. But I'm going to try.

You know I've been talking about His real, intimate love; holding me, dancing with me, looking into my eyes. Taking me places and revealing things that are to happen. Well that is all sublime and precious when I'm in my right mind and not under some kind of oppression, like I was a few days ago.

But I have been making a very small fast offering, forgoing sweets and a little thing like butter, which I love on everything. It isn't much of a fast offering, but it is a little sacrifice. And this word came from Lana Vawser, that if we fast He would put us on the fast track to breakthrough. Well this is only been going on for two days, and I just had a breakthrough.

In worship, Jesus came to me the usual way, inviting me to dance with Him to these slow worship songs of Terry MacAlmon's. But what was different this time, was that I saw His face so clearly, and He was younger. Someplace between 14 and 17, and of course I was, too. His face was much more tender, no beard, and you could just sense the flush of His tender youth blooming, that extraordinary time when everything is beginning to blossom about our natures.

And I began remembering those days when I was that age, and I fell in love and had crushes so easily. The feelings for the person I was dating at that time weren't there but the whole idea of being 'in love' and tenderly being drawn into everything about that person and constantly wanting to be with them...that came to mind very strongly.

Mixed in with those feelings, the youth and tenderness of young Jesus, and His whole demeanor of being so in love with me, was totally new to me. It's as though I was 16 again and deeply in love with the boy who was deeply in love with me. We had found each other - the treasure of our lives! I was pure, innocent and head-over-heels consumed with love for Him.

It is very much like the feeling that is portrayed in the image we have of the Bride & Jesus together. In that image He looks so tender, He almost looks effeminate by some people's standards. But really, what I was wanting to portray in that painting was the sweet, innocent, uncluttered and pure love the bride and groom had for one another.

Perhaps if you can remember back to your first crush...your first 'in love' experience, you'll remember how you were consumed with wanting to be with that person. And they felt the same way about you, and it was like Heaven on Earth. Well that is what I experienced with Jesus just now.

We were sitting together, looking at one another and His love for me was so deep and poignant and obviously quite exclusive...I just understood. I was everything He ever wanted in a relationship. We loved the same things, we thought the same way, we really enjoyed the same music and loved to walk in the fall leaves rustling beneath our feet. We loved to lay in a pile of leaves and look up at the brilliant maples in the full glory of Autumn. We loved to listen to the babbling brook and feel the spongy green moss beneath our bare feet. We would stay up together for hours waiting for the Aurora Borealis to dance in the skies. We loved to go agate hunting in the northern beaches of Lake Superior, and watch mother bear with her three cubs scrounging for food around our camp. We sought out the otters and waited for hours for them to be comfortable playing in the waters before us.

I mean, I could go on and on and on about what He loved about me and what I loved about Him and how perfectly in love we are with one another in our teenage years. It is such an amazing experience. Truly, I feel 15 again. I feel innocent and pure again and I feel profoundly loved and profoundly in love again.

With these feelings being stirred up, along came the usual anxieties: "I want to be with You forever, but in Heaven You'll be so busy! I'll only see You once in a while and with so many other people around You..."

And He began to explain what it will really be like. I saw Him on a throne with people coming to Him and I was seated beside Him on His right. Together we ministered to each person. In one scene, someone came with a baby and handed it to Him, and He passed the infant on to me. I put it on my lap, having a sense that I was to pray for the child while He prayed for the parent. I also remembered the times we went swimming together and played with the dolphins and how He taught me how to jump in the water just like them. In Heaven, everything comes so easily - you think it and the next minute you're doing it. Effortlessly, I might add.

Then Jesus asked me what I wanted to do in Heaven...or did I want to be in a deliverance ministry like Ana Ferrel for instance. My mind went immediately to the piano and how I wanted to write and play songs that would draw a soul into His arms. And I thought about it some more and said, "Jesus, I don't know what I want as well as You do. I think I want to do whatever would please You the most."

Then after I said that, I had an insight into my own being: "Undoubtedly more than anything in the world, I want to make You known Lord, for who You truly are. I want to bring people into Your arms that they may discover the REAL Jesus."

He replied, *"You're already doing that."*

I replied, "Yes, I am! I'm living my dream. But I also want to write songs that will minister to the deepest need of souls to be loved by You, by Perfection, a Love they've never known on this Earth...a love that heals every wound and restores all brokenness."

Well, He has really promised me that, but not quite in this timing, which is OK with me. Although I do miss creating music, it is work, too. Everything has its challenges, but my understanding about Heaven is that the challenges won't exist anymore. All things are accomplished totally naturally, with hardly any effort. Wow! Do I look forward to that!

Lord, I've done my best here to explain what I have been feeling. Have You anything to add?

Jesus began: *"Look before My Godhead. What I mean is that you can see a forest, but you can also see an individual tree with the loveliness of its bark and branches and leaves. It has an aroma, a sweetness; it gives shade, its leaves sing in the wind. Further up its trunk lives a mother falcon with her chicks, down at the base the squirrels chipper back and forth as they store their acorns."*

"What I mean is that you, My Bride, have known the forest for a very long time. You have worshipped, prayed, sought Me. Learned about My Father and My Spirit, and these things are

immense for all mankind to adore and give honor to. I would liken that to the forest. But now, I am revealing Myself to you in the things you find beautiful and cherish, in every little detail - from the color of the lichen on the side of the trunk to the ornate little trails the bugs leave behind, to the places where the deer have scratched their antlers and the cougar has sharpened its claws.

"Now I am revealing to you the intimate details about Myself that we two have uniquely in common, things that only you and I notice and appreciate, things we do together that no one else does together. Things revealing our natures to one another that cause us to fall head over heels in love with each other, as I find My reflection in you and you find your perfection in Me. And we are so in love.

"I adore everything about you: the highlights in your hair, the graceful curve of your neck, the way you laugh and celebrate with joy the rainbows of life, and even the way you are sensitive to the tragedies in the lives of others. The way you say 'I'm sorry' when you do something less becoming of your station in life and the way you seek Me out until you finally have all of My attention.

"Oh, so many things about you, My Love, that I will never find in another. You are My unique and perfect soul-mate and I rejoice to be in your presence as you rejoice to be in Mine. And when we are together in this innocent and perfectly pure world of ours, our hearts beat a little faster, we get just a little light-headed, and just lingering together puts us in heavenly places. Oh, how I appreciate and adore you, My one and only love."

"You have seen the forest, you have known its majesty and grandeur. Now you have found the tree of Life, the tiny details that make us so like each other, the common ground for the things we find beauty in. And in one another's presence we can linger forever and never grow weary. In this place I refresh you with My very being, and in this place you bring Me joy - a joy that I have never known before. Do you understand, My Bride? You are exquisite beyond anything ever created. I find My completeness and joy in you alone, for you were made for Me and no one else will do."

Learning the HARD Way/Playing Deaf

January 11, 2016

The Lord bless you, Heartdwellers.

Well, we have some improvements to share with you, thanks to our dedicated volunteers. We now have a search engine option and you can find the teaching you need simply by typing in the subject and all of the teachings with that word will come up. I've posted the link here below this video in the information box and at the very end of the video, but you'll have to copy it into your browser since Youtube won't allow us to put a link to

another site as a message at the end of a video.

Also I want to share with you a new way of worship we have been trying out, and it's really been wonderful. We make a playlist with all our worship songs then ask Holy Spirit to please pick the song He wants us to hear and we put the list on shuffle mode. Amazing results. I'm getting to know His favorite songs and also, He ministers love to us through each song and what it's about. Sometimes I feel guilty and He cheers me up, other times I'm feeling sad and He gives me a song like 'Dance with Me.' Oh truly, His ministry through the playlist on shuffle is just amazing!!! So, I hope you'll all try it. Just get together all your favorite songs on one playlist and then put it on shuffle, and pray and ask Him to do the rest.

And finally, I would ask you to forgive us, but we don't have the staff to answer letters, as much as I would love to. Please dear ones, if you have a concern you need counsel or prayer for, please send me a Personal Message on Youtube? I will be able to answer you MUCH more quickly than a personal note. I love your letters. They are beautiful and I really appreciate them. And I put some out where I can see them, they touch our hearts so much, but we feel very guilty that we can't answer them. So, we're really overwhelmed with letters, and we appreciate them, but we just don't have the time to answer them.

We will try very hard to reply to a letter that has an email, but I can't guarantee you quick results. However, if you send me a personal message, you'll probably get same-day results. So that's just a heads-up for you.

Also we pray for you and we will put you on the prayer list, but I can't answer questions to the Lord for you. I have labored to put out many, many videos on how to get a word from the Lord, and I wouldn't do anything different than you would do to get a word if you followed those instructions. So, I would ask you please listen to the videos "How to Get Your Own Word from Holy Spirit" - there's a whole playlist about it - and get your direction from Jesus and Holy Spirit just the way we do. That's one of the things this site is all about, is teaching you to go to THEM to get a word. They love you, so you needn't fear anything. So, I wanted to make that clear to you, just in case... I don't want to disappoint those of you who have written asking for advice in counsel. In moral matters we can help you with instruction, but still we prefer that you ask that question in Personal Messages.

And in case you don't know how to get to the personal Messages, you can google it or go to our Home page and it says "About Us". Click on that and it'll say "Send a Message". Click on that and it'll open a box and you can type in whatever you want and we will answer you privately. No-one else will see that message that you sent us.

Okay - so I have a confession. I have been self-willed again. Tonight, I really felt like I wanted to throw a few ingredients together to make fasting bread, and I make it very substantial so I can live with it for a while, not eat other foods. And I felt a tug that I shouldn't be doing that just then. But I didn't listen 'cause I wanted my homemade bread.

Then, when I was in worship, one of my kitties kept putting his paw on my shoulder and I tried to coax him to climb up from his chair to my shoulder, but he wouldn't. So, I tried to grab him. Well...that was not such a good idea...I fell over backwards in my chair, spilled water all over the floor and knocked over a big pot of hot coals I keep in the back room to heat our office, because the wood stove is in another part of our house. It was a close call and a mess. It could have been

much worse, I could have been seriously hurt or burned. The Lord was merciful. But I knew immediately it was a correction for being self-willed.

So, when I came into prayer I said, "Uncle."

First I confessed that I didn't want to give up my cinnamon buns that I made two days ago, that for all practical purposes are too yummy to eat during a fast. So, I reasoned making this bread could take the place of them. But I need more fear of God and respect. I'm still very brash - good at justifying MY way and self-willed.

The Lord answered me, *"All you say is true, but My Mercy still covers everything. Please, Clare, forgive yourself a little more often?"*

But I see that as taking advantage and presumption.

He said very tenderly, *"Come here."*

So, I collapsed on His heart and cried. I said, "Lord, I am pitifully self-willed, beyond imagining."

He answered me tenderly, *"True."*

I'm lazy, irresponsible, and self-willed.

He answered me again, *"True."*

But, You, oh Lord are faithful.

"True. What else?"

I'm a sinner, Lord, of the worst kind. Forgive me, Lord, set me free from the snare of my pride and self-will. I really hate it.

He answered again, *"Not quite enough... yet...but you are getting there. Should I force you?"*

No, never.

"Should I nudge you?"

Yes, always.

"Falling over backwards in the chair was just a nudge. You didn't get burned, you didn't ruin your computer. That part I protected. You've got a problem with food, and this fast is going to help you get over it."

That's true, guys. I really like good food so I learned to cook. Bread from the store just doesn't cut it with me, I'm a real snob with bread and coffee and things like that. So, it's true. I do have a problem.

"We are working to get you to the place you were at once before in your life, when you were free of these entanglements."

Wow, I remember that time. I could walk through a store and I don't care what I saw, what I smelled - I was not the LEAST bit interested. My head was totally in a different place with the Lord.

But I thought for a minute and I thought, 'Wow. That's a major undertaking. In such a short time?

The Lord answered me, *"We are always reaching higher and higher, My Love. The high calling, the mark I've created for you. So, now we will go on and address this very same thing in all of My Brides.*

"Dear Ones, many of you play deaf. You know what I mean don't you? Those times when you think you maybe hear My voice but you're not so sure and you really want what you want anyway... so you play deaf?"

"This has many negative repercussions, not only for the moment, because you know I always want what is best for you and you don't...so I help you. That is, if you are willing. I whisper in your ear...and you play deaf. 'Was that the Lord? Surely not, such a little thing, and look at the advantage of me doing this. Isn't it better for everyone's good?' So, you go ahead and do it.

"But then later in prayer, that still small voice comes to you again...and since you discounted the last time it spoke to you, you begin to doubt that it truly is Me or that would make you guilty of not listening to My counsel before when you doubted. So you see, you set up a cycle of unbelief. And this is much to your ruin and disadvantage.

"Many of you I would like to use in Word of Knowledge ministry, but you are so used to ignoring Me, you still don't recognize My voice. I would ask you to work with your conscience more carefully. Listen also to that check in your spirit when you wish to forge ahead with something that might not be My will.

"I am at your right hand, always encouraging the right and discouraging the wrong choice. But all of you, My Brides, have very strong wills. If you did not, you couldn't cleave to Me in thick and thin. But your wills must be trained to correspond with Mine. In that way, you will gain a great advantage in every decision.

"How much happier you will be when you obey. And I can also protect you much better."

Then I cut in with the Lord and I said, "Yes, I remember the only time I've been in any kind of accident in decades -because of Your protection. We were going to a funeral dinner and I wanted to stop at Walmart to pick up a few things before the crowds got there later in the day. I knew I should have waited but I wanted to go in - so I did. When I came out, and was sitting in my truck in the parking lot, a lady slammed into my truck as she was backing out and blamed it on me. Well, that was a mess.

The Lord knew the devils were cruising for me. I stepped out of the corral and went my own way through pride and stubbornness. So, He allowed them to touch me. Had I obeyed my better instincts, the accident never would have happened."

At this point the Lord continued, *"Sometimes, My Precious Ones, My only recourse is to let you walk into a trap because you didn't listen when I told you not to go there. In this way, you learn to lean less and less on your own counsel and more and more on Mine. Even when it costs you your way of doing it, it is always safer.*

"So, now knowing these things, blessed will you be if you do them. I am always with you, at your right hand, eager to guide you into the right choices. Lean on Me, Beloveds. Lean on Me."

Man's Best Friend

January 12, 2016

Well, forgive me, Heartdwellers for not getting a message up sooner. Last night it was zero degrees ALL night long and this house is not real tightly sealed, and it was unbearably cold in here. So, I went to bed early in hopes that I could get up early and get a message out to you.

So, after some very sweet worship time with the Lord, I said, "I'm here, Lord."

"Barely...." He replied.

On that, I think I owe you an explanation.

For whatever time is left to us the Lord has given permission and put it on my heart to get another dog, or two. I hate for them to be alone. And since all of ours have gone on to be with Him, there is a big void in this house that Ezekiel and I both feel rather poignantly. I love cats, but dogs are man's best friend.

Anyway, I've see two things in visions about them. One vision I keep seeing the Lord holding a large-boned, fluffy white puppy with a beige circle around it's left eye. I get the feeling it is a male. Then I also see a full-grown, tri-colored, rough-coat, collie barking at me in Heaven just behind the Lord. It seems like I am seeing this dog in the spirit as perhaps another one He has chosen for us.

So, I put out feelers for my favorite animals, my favorite dogs: Collies and St. Bernard's - two different rescue operations in our part of the country. The biggest hurdle is the full-grown must get along with cats. No options there, my canine friends! Cats rule in this house. My beautiful Bruno of months past was half St. Bernard and half Husky. He was the most perfect dog I ever owned. No slobber, very obedient, guarded us and wasn't a wanderer like most St. Bernard's.

So, when the Lord said that I was barely here, He was referring to my distractions of the heart.

"But I am here, Lord. Please speak to us."

He answered me, *"My child, seek first the Kingdom of God and all these things will be added unto you. This should help you stay on track. I know the whole idea is pulling at your heart strings, you may offer that to Me as a fast offering, but don't let it distract or pull you down."*

"With Your help, Lord. You know how easily I am distracted; I really need your help here. I am so weak."

And looking at pictures of dogs reminded me of Bruno, and that was hard.

"I know," He answered, *"and I will not abandon you in that weakness. When you are tempted, I will provide guidance and a way out. I will never leave you on your own here. I do have a surprise in mind."*

"Oh Jesus, I trust in You. I would much rather have the dog of Your choice than my own. I waited for Bruno the way You had asked me to, and You brought him to me. I really miss him, Lord." I had a few tears there...

"I know. Keep your heart and mind fixed on Me, Clare, and I will do the rest. I created dogs to be companions to men, but so few treat them as true members of their family. When they do I rejoice, because that creature has the need to be loved and provided for just like a child."

"I use animals mightily to reach through to hard-hearted humans. They've been turned off to Me by abusive and manipulative parents, and a dog is one animal that most represents My unconditional love. When a soul is deeply troubled or hurting, it can count on coming home to a wagging tail and eager, loving heart. Wives and husbands can't even give that kind of comfort all the time. It goes beyond the intellect, straight to the heart and soul of men and women."

"This is one reason why the elderly woman you were taking care of seemed to enjoy living like an animal in her surroundings."

She had four or five dogs, little barkers, you know - pee and poop anywhere dogs... It just drove me nuts!

"That's the only love." He continues " that woman's known for most of her life. The danger comes when the animal becomes a replacement for human interaction. Then the soul loses touch with painful realities such as rejection and they tend to put all their energies into avoiding people except for what they can get from them when they need something."

"I created dogs to be fail safe companions when the rest of the world is at odds with you, but never a substitute for human companionship. In Heaven, everyone will treat you like the sweetest dog you ever had. There's a comparison for you to think about. In Heaven, every soul will give you tail-wagging, unconditional love."

I'm going to get it for this statement, Lord....

"What is that to Me?"

Nothing?

"That's correct...what people say is nothing to Me, although it hurts Me when you come under attack."

Well, I'd rather speak what You want me to speak and get into trouble than to withhold one word of Yours, Lord.

"I know, that's why you go out on a limb with Me all the time. But truly, the sweetest dog you ever had is very reflective of the kinds of greetings that souls in Heaven. They are always glad to see you, their entire focus is on you, and honoring you as they honor Me. In fact, each one of My Creatures is a reflection of a very tiny part of My nature, although not the corrupted part since the fall of Adam and Eve. That is why the redeemed Earth will be a living paradise. Love and order will be restored to the Earth in the millennium, and again at the end of ages.

"Peace will flood over the Earth as waves upon the sea. What a tremendous blessing you will someday have when I restore all things to their rightful order. Love will infuse all creatures and man will shepherd the creatures rightly.

"But in the meantime, I want you to enjoy your animals. I want to see your eyes light up and smiles cross your lips as you delight in their joyous and uncomplicated antics. Just as I delight to see your wonder on a golden autumn day, so do I rejoice to see the exchange of love and joy from one creature to another."

And when He said that, I was reminded of a Scripture in Romans 8:21 Creation itself will be liberated from its bondage to decay and brought into the freedom and glory of the children of God. Amen.

You Are The Highpoint of My Day

January 13, 2015

The Lord's precious, precious blessing be with you all, Heartdwellers.

Oh, He gave me such a sweet message tonight. I had been having a little bit of problem concentrating in prayer. Finally, with the help of His grace I was able to really enter in. And after a while, He told me, *"I'd like to speak to you."* So, I came and sat here at the computer and listened for

His voice.

He said, *"When you come to listen to Me, don't you know that I long for you to listen even more than you long to hear? But you approach Me as if I am doing you a favor. Listen to Me, My Brides. I long for you with a Godly yearning which you will never comprehend.*

"It is as though I am hunting for a very singular treasure. I look everywhere, every possible nook and cranny of the Earth and the oceans, the

mountain tops, the valleys, the cities, the country hamlets, all the while looking for a twinkle breaking forth from this Earth so swathed in darkness.

"Then I see one...a soul hungering for Me, a soul on fire, a soul that burns in this darkness and its light is only perceived by Me. And I ask My Father, 'Please, Father, turn the heart of this precious one to Me, so I may speak with her. Cause her to reach out for Me.'

"And her heart is quickened, but never with the thought that I desire her company. No, she thinks only to herself, 'Wretched as I am, have Mercy, God, and send me a sign of Your presence in my life.' Never does she for one moment imagine that she may speak with Me, face to face. So, that long process begins. The process of convincing her that I am longing for her company.

"And as I press in to get her attention, she presses in seeking Me, and the devils come along and try every conceivable tactic to rob her of My reality. And their most successful one is 'You are not worthy, you are no prophet or priest. You have no royal blood, you are worthless.' And she believes it!!

"But then I break through and tell her, 'My Darling one, your worth is the blood I shed for you. Your worth is My very life given for you on Calvary. Do you understand? You, I died for.' And slowly, she turns her hope towards Me, daily gaining ground against the tormenting liars. With My grace, she encounters Me and receives Me into her heart and we dwell with one another. And I find My delight in the sound of her footsteps as she hurries to our trysting place, and there I pour out My heart to her and she drinks from the living waters of My very own soul and is refreshed.

"Daily we grow together. Daily I seek her out. She seeks Me out, despite every device of evil that seeks to quench our love for one another, through My grace our hearts and souls become united. And she becomes a diamond studding the Earth, breaking the dense darkness and shining out to all around her...but especially to Me. I savor her light and to be in her presence.

"Ah yes, this is My Love affair with the one they called 'not worthy.' She offers herself on the altar of Our Love and carries with Me the burdens of dying humanity. She refreshes my soul. She anoints My weary eyes in the salve of devotion. She washes My feet with her tears, tenderly heals My wounds with the earnestness of her heart.

"Oh children, children, do you not know how precious you each are to Me? You come begging Me to visit you - don't you see, I am the beggar? I am the One waiting for your attentions, hoping and waiting for you to believe that I desire your company.

"And what do the evil ones do? Everything in their power to discourage this relationship: from the jealousies of spouses, to lies about unworthiness, to lies about My nature that I am deaf to ordinary souls, to distractions, sickness and interruptions engineered just to cause you to forego your time with Me.

"But still I wait. Still I watch. Still I listen again for the footsteps of My Beloved to her trysting place, so once again we may exchange our tender expressions of love and bask in one another's presence.

"So, I am asking you, please get busy with Me. You are the high point of My day, you are the healing presence I so long for. You are My drink of goodness restoring My soul. Yes, I hear you ask, 'How can the creature restore anything to Her Creator?' The offering of your free will, praise and thanksgiving brings restorative delight to Me amongst a sea of disappointment and indifference.

"I have sought, I have called, I have waited. I have watered and waited even more, but the preoccupation with the world continues to grow and that fragile little vine shrivels into nothing. When it grows and blossoms and brings forth fruit, shall I not be moved to tears of gladness?? Shall I not dwell under its shade and nourish Myself on its fruit?"

"So you see, I present the evidence to you. I long for your company more than you long for Mine. Cease your doubting, cease your evading and preoccupation with temporal pleasures...rather turn your whole heart and soul to dwelling with Me, and satisfying My thirsty soul for the living waters you give back to Me."

Lukewarmness, How It Happens

January 14, 2016

Well, my Heartdwellers, may the Mercy and Peace of our sweet Lord Jesus be with you today.

I had a beautiful experience during worship. Just a confession, I've been feeling just a little drawn off in distraction, distractions of every kind - to the point where I was beginning to question if I was Lukewarm. In fact, I opened my Scriptures to the church in Sardis - and that concerned me greatly.

When I was looking at, basically, how the Lord and I have been getting along for the past week or so, I realized that I have been drawn off course a bit by distractions and when I came to Him this morning I was just very eager to confess that I was feeling lukewarm, and I really put my finger on what's been troubling me. There was just a tendency to get lukewarm.

And I couldn't understand intellectually how in the world could I get lukewarm?? But I was feeling it in my spirit, and it just really concerned me, deeply.

Well, after I confessed it, the Lord came to me during prayer in just a very powerful and sweet way.

And I said to Him, "Oh Lord, I am undone by Your Kindness today. I was beginning to feel lukewarm."

And He answered me, *"You have been seriously opposed by the type of oppression that leads to lukewarmness. They are skilled in this kind of baiting, but it was your humble confession that called Me so quickly to your side to help repair the damage done."*

I asked Him, "How does a soul become lukewarm?"

He answered, *"First and foremost, by pursuing the world and all it has to offer, whether it be material things, status, power, knowledge or friends. The more enamored you become with a pursuit, the more time you want to give it, the less time you have for Me. The pursuit of these things begins to pave the way of indifference to Me.*

"My children, even in your pursuit of knowledge, be ever so careful that learning does not become an end in itself or a distraction away from Me and what I've called you to do. Guard your hearts carefully. Whenever you begin to veer off course, don't let it take precedence over what is most important to Me, namely our relationship and the outpouring of gifts I've entrusted to you."

I guess I'd better confess, I've been reading Ron Wyatt's book on his archeological discoveries. I'm truly fascinated by it! He goes about it like a scientist and a historian, although he is a man anointed and favored by God more than anything else. And there have been times when I just didn't want to quite put the book down, even though I felt a tug to lay it down and go back to my other work. So, I can see how I've been walking the edge with it.

The Lord continued, "It is a form of entertainment and lifting you out of your current perspective. It is a form of relief, and I don't fault you for it, as long as it stays in its proper place. Clare, you haven't much time. I'd rather you get busy with other things. But you may do a little reading in-between as long as you don't let it distract you or keep you from your other work. I will gently remind you, 'time to put it down.' It will be an excellent exercise in self-control for you."

Yes, Lord, I have felt you tapping me, thank you. I also have been aware that very soon, all things will be revealed to us in Heaven, so the pursuit of knowledge doesn't seem like a very good use of time right now. But I am greatly inspired by Your faithfulness when archeological discoveries are made. And the few things I have collected, I see as useful for my children to read once we are gone.

"My Love, you have always been one to go off on tangents, sometimes very good tangents with My direction. Other times, very destructive tangents that caused you to leave important things unfinished. This has been one of Satan's major dynamics to keep you from who I have called you to be. But as long as you are obedient to Me, and aware of the dangers, you have My blessing.

"There are many suffering confusion right now, going back and forth from condemnation to distraction, to allowing too many interruptions in their lives. When you feel badly about yourself, you tend to withdraw from Me and very often getting busy is the best cover-up for what's really going on inside of you.

"There is a sweeping movement of condemnation and lies going out upon My People right now and I am calling upon you, My Brides, not to allow it to drag you out into the sea of distractions and the world. Any comfort you get there will only be temporary and you will come back to yourself feeling more distant than you did before.

"That is why I gave you that beautiful love letter last night. I am trying to counteract the lies that are being spawned about you not being worthy, about Me being dissatisfied with you. Lies,

lies, lies! Most of you are bringing Me Mountains of Consolation right now. The enemy sees it and tries to cut it off. His entire existence is wrapped around bringing Me grief and hurting Me, which he can only do through you, or by hurting you and by injuring My beautiful Creation.

"So, I am asking you to be vigilant and thoroughly convinced that I desire your companionship and I am not in the least judging or condemning you, only warning and entreating you to spurn the distractions of the world and spend that time with Me, so I may hold you tenderly against My Heart.

"Be swift to come to Me and be vigilant. Don't listen to those lies."

Doors of Mercy Closing, On God's Clock Only Seconds Left...

January 15, 2015

The blessings of our sweet Jesus and His company be with you, Heartdwellers.

Well, I've been getting hit with distractions, one after the other. And I wasn't recognizing that they WERE distractions until my husband brought it to my attention.

Thank God for my husband. He has the anointing to see right through what the enemy is trying to do.

The Lord has something very specific He wants me to do, and the moment I got serious about doing it I was slammed out of left field with distractions. Powerful distractions, like dropping everything and stocking up food for the left behind, getting involved in community dramas. I suspected it was a distraction, but Ezekiel knew it. One after another for the last three days I've been getting hit with those. Finally, my husband and the Lord brought me back to my senses and I and see what's going on.

Precious Heartdwellers, some of you have been writing heart-rending letters asking for guidance from me. And it just breaks my heart - there are so many letters, we can't answer them all. I can't do it! I just can't answer them. The Lord has asked me to do a specific task and I have to complete it. And there is no time beyond the time it takes me to just eat, sleep, live and work on what He's asked me to do. Ezekiel and I have wept over some of your situations, how very painful they are and the Lord has assured us, as we take care of what He has asked us to do, He will take care of you.

Know that my heart is with you. Please, I ache and groan for you, but only Jesus can give you the answer and solve your dilemma. Know that time is extremely short and wrapping up, right before your eyes. You don't have much longer to wait. Everything you suffer right now is going to the Father's throne as a fast offering for last minute conversions. So please, take it to heart, it's not that we don't care about you, we care deeply, but if we stop what we are supposed to be doing to answer you, we'll never finish it. And thousands of others will not receive the comfort they need after the Rapture.

That's basically it - I can't take any personal requests right now. But I do have a group of seasoned warriors that will be able to pray and advise you on the comments page or on the message page. The help you don't get from us, the Lord will give you. I am not just saying that, when Ezekiel and I cried out to Him for the stack of letters from you, after we'd read them, the Lord said, *"I'm taking care of them."*

So, He is with you and He's going to take care of whatever it is that's going on in your life right now, that's causing so much grief. Please, press into the Lord, He is there for you. If I tried to answer you, I would do the same thing - I'd press into the Lord. He has taught us to do this with the Bible Promises and Scripture. And I would have to do the same thing that I'm asking you to do. Holy Spirit has your answers, I don't. So that said, please don't be upset with me, I'm just telling you the bare bones Truth.

A month ago I could have answered you, but now I can't. There is no time left Heart Dwellers, we are truly on the verge of the Tribulation. I saw these Giant Doors of Mercy and they are slowly swinging shut, and what is left on the outside is suffering beyond our comprehension. The Lord needs your prayers for NOW - more than ever. He needs our fast offerings NOW. He needs our repentance for the world NOW. I don't know how many different ways I can say it! There's no more time!

When I came into prayer, the Lord held me to His heart and I just cried and cried, not really knowing the specifics and exactly why, except somehow, my spirit has been shown what is about to happen and I've been given a glimpse of how serious it really is...and I just kept weeping and telling Jesus, "I'm so sorry You have to do this, I'm so sorry." As I was being held by Him and I was crying, soon He began to weep, too, and several angels surrounded us and comforted us.

He began to speak, *"Yes, the reality of it is terribly daunting. There are things I must keep from your eyes so terrible are they. Yes, time is up, the horrible reality is upon us. Oh, Clare, I wish you didn't have to go through this with Me. I so wish I could deliver you out of this world before the worst of it hits. I wish you hadn't been born at this time, but you were. And you've been created for such a time as this. Stay in prayer, My love, and don't let anything carry you off."*

And I just want to make an aside here and say that, He's not saying that we're going through the Tribulation; what's He's saying is that we're going to see the beginning of it. And that in itself is going to be just horrendous.

He continued, *"Do only the designated tasks I have laid before you. Everyone and everything else I will take care of."*

As I rested my head on His Heart and He held me ever so tightly, I began to see Blood... pools of blood and more blood everywhere. It is almost as though those bodies just melted in pools of blood. Then I saw fire... bodies lying on the ground burning and burning. I saw a Korean woman alive and burning, calling out for someone. She's lifted her head and called out. A child was near her, obviously dead. She collapsed and died as well.

The skies were thick with smoke. I'm looking at a city on a bay, reminiscent of Oakland in California, but not necessarily that city. This city was some kind of shipping port. I just keep

seeing fireballs of debris falling from the sky, leaving a trail of smoke behind them. They look like the shattered remnants of a passing comet or volcanic eruptions coming from the sky. Coming from out of nowhere. It seemed that the city was totally quiet...because everyone was dead. Everyone.

I cried out, 'Mercy, Lord, Mercy!'

And a quiet voice came from behind my left shoulder, where my guardian angel is usually stationed. And the voice said, "The time of mercy is over, Clare. This is God's judgment on this evil and corrupt world."

Then I said, "Please Lord, say something to me."

He began, "*What is there to say, except 'utter devastation' to the cities of the world? One by one they will fall, beginning in the East and coming across Europe and to your country.*

"What can I say except that the time of mercy has come to an end. Pray for Mercy. On My Eternal clock face there are only seconds remaining, pray much for mercy before the door has completely been sealed shut."

But Lord, Your mercy is never ending...

"This is true, My mercy never fails. Never. But the harvest is ripe and the sickle is sharpened and I will have an end to sin. Yes, I will have a complete end to sin. Oh Clare, what I am showing you are those nations that are marked for destruction. Yours is among them.

"The world will not be recognizable when Satan has had his way with it. Nothing that was will remain but charred remnants and utter chaos."

Jesus, I feel so sick inside.

"Nevertheless, you must rally yourself while there is still a bit of time and finish what I have given you to do, Clare. Finish it. You've allowed distractions to have their way with you. Now I am asking you not to allow another distraction. Buckle down and work. Please, My Beloved, it is so important to Me."

At that point, when the Lord said that, I was just weak. I'd been crying - I was just empty and just as weak as I could be. And I said, "Jesus, please give me the strength and clarity."

After I asked Him for that, all of a sudden my empty pain racked heart began beating again with new strength. The anointing rose up. He is going to help me, I could feel it.

Oh saints of God, pray your chaplets of mercy, make your fast offerings. Seek the Lord with all your heart, seek Him with all your strength. Don't focus on your problems right now, they are nothing compared to what is coming. We are used to being secure in this country and having what we need, but the whole world is about to be thrown into chaos. There is no more time for selfish thinking. Back up the Lord with your prayers, focus on those He is about to lose forever. Please do this, this is where His heart is aching the most.

Get your mind off your problems, if you must have a meditation, imagine those who have lived in suffering and have not found or responded to Jesus. Imagine that they are planning a life ahead of them or expecting something good to happen, but the jaws of Hell have opened and are heading wide open for them. Behind them stand demons with pitch forks, pushing them right into the abyss. Imagine now that the person who just fell into that abyss was your own son or daughter and you will never see them again.

Do you see how critical this is?? Pray and offer sacrifices that they might be saved even at the last minute. And if you have issues that must be addressed, press into the Lord and expect Him to act. Review our teachings on getting a word from God and get busy!! You are adults now, you and Holy Spirit can work it out together, He is right there with you, just waiting for your full attention. And understand that there's very little time left. Hang on. Things are coming to an end and they're wrapping up. Trust in the Lord with all your heart. And lean not on your own understanding.

Stay Tuned...New Search Engine and Upgrades on Resources for You

January 16, 2015

The Lord bless you, Heartdwellers.

Well, I have simple request for you today. I'm going to be working on the Triage site, which is kind of an apologetic site to bring forth Scripture's that are the basis of Heartdwellers. We do have a wonderful search site now, which I will leave in the description box, where you can type any word and it will bring up all the videos that

contain that word. It's a wonderful site! And I've been using it, it's been very helpful.

So, for the next three days Carol is going to be Featuring a video that's important for you to hear, because right now we're going back and editing and putting together another book, and she's finding things now that were back in June that really would benefit you to hear. And if you haven't heard them, it will be very interesting for you. If you have, it'll be a wonderful reminder.

So, for the next three days or so, we're going to be Featuring special videos that are helpful in this time of preparation that we're in.

And keep me all in your prayers if you would, thank you. I'm going to be working really hard to get that Triage site filled out. And if I get any messages between now and then, I'll be sure to post them. But mostly my focus is going to be on completing that site, which is what the Lord was asking of me. Triagefortruthseekers.org So, you can watch the progress of it as things begin to populate it.

But for now, that's pretty empty! So, the reason for this little sabbatical is so I can get that done. And Ezekiel and I and our Heartdwellers prayer team pray for ALL of you every day, that you'll grow in the Lord's love and wisdom and joy. And especially intimacy with Him and discovering all the wonderful things about Him.

So, stay tuned, because the videos that we're going to be posting for you to see again are very important for this time.

We Are Drawing Closer and Closer to the End

January 18, 2016

The Lord bless you, Heartdwellers.

Well the Lord made me understand that He really wanted to speak to you everyday, which I was going to wait until Tuesday, but that's not what He wants. So, I'm going to share the message with you that He gave me tonight.

He began:

"As we draw closer and closer to the end, you all need to draw closer and closer to Me. I am going to be your ONLY stability during the time that is up and coming. The more

you cleave to me, the safer, more secure and prepared you will be. This is no time to drift. Rather as the seas get more and more choppy, the mooring ropes need to be secured more and more.

"Everyone can feel that something's coming, but they are so used to that feeling and nothing materializing on the heels of that they are numbed down. This has been deliberate, because the more they are taken off guard the easier they will be to control. There have been warnings for so long now with no events, people have lost their focus, even the Preppers. It's been looming since the 60's, Clare. People have grown old and died waiting.

"But now it is surely here and at the door and those Brides who have been listening to Me and following My instruction will be secure when the storm hits. It will hit hard and confusion will be everywhere; everywhere except with the government. Their preparations are complete and they are counting on the public being disorganized and confused. Yet there is a certain element, true Americans, that are prepared and will move into action. They have been informed from the top down about what is to take place and they are ready.

"There are many in the military who won't stand for this. When I told you that things would not go as planned, that's what I meant. They, too, know what's planned and why and they have stationed their men in key places to totally frustrate your government's takeover. Things will not go as planned. Earth changes will surprise many and frustrate provisions to secure key leaders. Things will be turned upside down. Even My people in key places are not aware of the extent that I will intervene.

"But you see, they have put their hope in Me. They have prayed and fasted and prepared and drilled and are a formidable underground force. Because no one knows who is on My side, many will be shocked when their plan of action fails. But even more than that, many will crumble in despair because things will be reversed on them so quickly. They will become victims of their own designs to destroy the innocent. Yes, truly it is written, "They spread a net for my feet-- I was

bowed down in distress. They dug a pit in my path-- but they have fallen into it themselves."
Psalm 57:6

"And They called to the mountains and the rocks, 'Fall on us and hide us from the face of him who sits on the throne and from the wrath of the Lamb!' Revelation 6:16

"Yet there will be sorrow and death everywhere. No one will remain untouched, all shall be thrown into the pits of despair. All that is, but the ones I have prepared; they will stand tall and keep their eyes on the horizon, 'I will lift up my eyes to the mountains; From where shall my help come? My help comes from the LORD, Who made heaven and earth....' Psalm 121:1-2

"But it is essential even today that all of you keep your eyes, your mind, your hearts, riveted on Me - that even when the Earth and all its people begin to crack, you will stand strong."

When He said that I saw the Earth riddled with deep cracks as though it were about to disintegrate.

"What you are seeing, My Love, is the condition of the nations. You see, the sovereignty of each must be destroyed for the Beast to rise and take control, melding the entire world population into one nation. But just as in Daniel's vision, the clay feet will not support the body for long. When My wind blows upon it, it shall topple and crush the designers beneath it. I am the Rock that will strike it's feet and disintegrate it."

The head of that statue was made of fine gold, its breast and its arms of silver, its belly and its thighs of bronze, its legs of iron, its feet partly of iron and partly of clay. You continued looking until a stone was cut out without hands, and it struck the statue on its feet of iron and clay and crushed them....Daniel 2:32-34

And here I want to mention very briefly, that the Lord was drawing an allegory about the appearance of the statue. The original meaning has to do with the success of governments and Nebuchadnezzar being the head and so on. That's the original meaning of the dream. But here the Lord is drawing an allegory as to how the statue looks and it's strength. But it will nonetheless fall.

"Oh yes, the head will look strong, pure and highly valuable, the arms and torso gleaming with strength, the legs of iron will trample on the world and destroy men's freedoms ruthlessly. But it cannot last, for it has no strong foundation. I will strike it, it will fall burying the evil beneath it, and with the blast of My breath will be scattered off the face of the Earth.

"Woe to those who have planned the demise of the nations! Woe to you who trample the poor and are callous and deaf to their pleas! I am against, you says the Lord God, and I will use you for My purposes to be accomplished; but afterwards fling you into the dirt and shatter your fine veneers and pretenses 'till there be no trace of you on the face of the Earth - you and your families shall be no more.

"Then I shall establish My government and all peoples will rejoice from sea to sea. Peace will settle like an ocean, over all the Earth. And My government will uphold the rights of the poor and

needy. My government will mete out justice. My government will restore the Earth to pristine purity. And all who call upon the name of the Lord will be saved."

And then a couple of Scriptures were quickened to me after that:

He will proclaim peace to the nations. His rule will extend from sea to sea and from the River to the ends of the Earth. Zechariah 9:10

"The hand of the Lord will be made known to his servants, but his fury will be shown to his foes. See, the Lord is coming with fire, and his chariots are like a whirlwind; he will bring down his anger with fury, and his rebuke with flames of fire. For with fire and with his sword the Lord will execute judgment on all people, and many will be those slain by the Lord.

"Those who consecrate and purify themselves to go into the gardens, following one who is among those who eat the flesh of pigs, rats and other unclean things—they will meet their end together with the one they follow," declares the Lord. "And I, because of what they have planned and done, am about to come and gather the people of all nations and languages, and they will come and see my glory.

"I will set a sign among them, and I will send some of those who survive to the nations—to Tarshish, to the Libyans and Lydians (famous as archers), to Tubal and Greece, and to the distant islands that have not heard of my fame or seen my glory. They will proclaim my glory among the nations. And they will bring all your people, from all the nations, to my holy mountain in Jerusalem as an offering to the Lord—on horses, in chariots and wagons, and on mules and camels," says the Lord. "They will bring them, as the Israelites bring their grain offerings, to the temple of the Lord in ceremonially clean vessels. And I will select some of them also to be priests and Levites," says the Lord.

"As the new heavens and the new earth that I make will endure before me," declares the Lord, "so will your name and descendants endure. From one New Moon to another and from one Sabbath to another, all mankind will come and bow down before me," says the Lord. "And they will go out and look on the dead bodies of those who rebelled against me; the worms that eat them will not die, the fire that burns them will not be quenched, and they will be loathsome to all mankind." Isaiah 66:14-24

Tinkling Northern Lights & the Coming Conflagration

January 20, 2016

Well, beloved Heartdwelling family, this little delay in getting this message out to you is definitely been worth it! Because the Lord always seems to give me longer messages when I'm late.

So, the Lord be with you and bless you and keep your hearts steady, in His will and in His peace. Amen.

I want to share a really beautiful experience I had with the Lord last night. My husband very often sees Jesus waiting for me when I go to bed. Many

times He'll be by a swing and I'm seen as a little girl, other times in a jungle hammock listening to the parrots. Well, last night he saw Jesus and I in one of those arctic snow personnel carriers with tracks. Normally, I'm too tired or skeptical to really latch onto the vision and go with it.

But last night was different! I soon found myself out on the arctic ice walking with Jesus to the edge where the ocean began. He called to a mother polar bear with two cubs that was out on a small iceberg. She swiftly jumped into the water, her cubs following and swam to us. Now, what I was seeing was at night time, but for some reason the sky was light enough that I could actually see some details.

After a few moments of shaking the water off, she came up to us and greeted us with a sniff and a paw, pulling me closer. No sooner had she done that than her two cubs, probably weighing about 60 pounds each, attacked me with glee until I fell to the ground rolling around and giggling as they stuck their cold, wet snouts under my chin. We laughed and played roly-poly for a while. I looked back at Jesus with momma bear and she was up on her rear feet mimicking His movements as He danced back and forth. They were so cute together. He'd put His right hand up she'd put her left paw up. And then He'd put His left hand up, and she'd put her right paw up and they swayed back and forth together.

I didn't hear music, but I heard twinkling sounds and realized the sound was coming from above the Earth with the vibrant Northern lights shifting in curtains of colors. Oh it was mesmerizing! Now I remembered, as I was getting ready for bed, I thought to myself, "Lord, someday would you please let me go to the North Pole and see the northern lights? Oh, I know the rapture is soon and I won't get to see them now... but maybe later? I do so want to experience them." And that thought just sort of drifted off into my 'wish list' for later. I never expected Him to satisfy that life-long desire that very night!

Well, we ALL decided to cuddle up and watch the lights. Momma bear must have weighed a good 600 pounds or more as she spread herself out on the ice sideways, so we could all cuddle up into her belly. I was nearest her head, then a bear cub, then Jesus, then another bear cub snuggled up on His lap. The Lord had also accommodated my questioning about sitting on the bare ice with a very large and thick rug-like cushion with a quilted, foil top - that just appeared beneath us.

We all became very, very quiet, totally enthralled with Jesus' sweet presence, the dancing curtains of light and the tinkling sounds coming from above. As we nestled in, we saw a brilliant ball of light with somewhat of a tail going whooshing by us, only to disappear somewhere over Russia, I suppose.

I exclaimed, "WOW! Look how close it came to us, I've never seen anything like that before!"

The Lord said something about the atmosphere at the top of the world being thinner and making meteors more closely visible. We continued to snuggle up and watch the dancing curtains turn marvelous phosphorescent colors. After a while another meteor came shooting by us, headed the very same direction.

I wondered about it being cold, 'cause I wasn't feeling at all cold, but suddenly this blanket of white twinkles settled over us like a mist. It was beautiful to watch, sparkles popping off every

few seconds...and the Lord made me to understand it was a blanket of warmth He created for us.

You know, this is the way it is in Heaven, guys. You think of something, and it's immediately done. It's just so amazing! I was thinking it was kind of...it must be cold, even though I didn't feel anything - and the Lord accommodated my thought immediately by bringing this beautiful kind of quilted mist over us, with twinkling stars in it.

Then my mind shifted to angels...because I did see orbs of light in different places. I've never seen them with the naked eye, but the Lord has allowed me to capture them on film during important events in my life. The Orthodox Christians call them "uncreated light." They are usually perfectly round and very subtle in contrast to a background, but still clearly visible. I've seen them on photographs taken off the tip of a shofar that was being blown, during worship and even at an ordination.

But this time the Lord allowed me to see angels surrounding us. They were all sitting on the ground as far as the eye could see. And they, too, were resting with us, their wings gracefully folded.

So, I came to the end of this vision, and I said, "Lord, did you have anything to add?"

He said, *"My dearest, you have worked very hard, this is something I've wanted to do with you for SO long. The wonders of My Creation are all around you, but your lives are so filled with activities, sometimes the most beautiful and subtle things I have created go right by you.*

"Nonetheless, come unto Me all of you who are weary and I will give rest unto your souls, drawing you tenderly under My wings with the breath of My Spirit rustling your hair and coming to rest upon you, with renewed anointing.

"I understand well the tensions of this time and how little is being spoken about the looming events. Even that I have orchestrated. Yes, many will be totally taken off guard and surprised, but I will be there to catch them and reassure them of My Love and protection.

"Those who perish in these events will not even know what hit them. One moment they are on Earth struggling through their days, the next moment caught up with Me in the clouds. All is prepared and awaiting the trumpet blast...but much havoc will proceed the time of your great catching up.

"I wish for My faithful ones who are living at ground zero, My Breath will surround and sustain you in those moments and your only awareness will be the freedom from Earth you will suddenly experience, and then My presence, My comforting arms, My welcoming smile. Oh, you have waited all so very long for these days to arrive. You have prayed and cried, you have feared and released your fears into My hands. You have watched, waited and prepared, praying for others for so very long.

"Some of you will have many crowns for your faithfulness, all of you will have watchers crowns for your vigilance. Instantly you will be caught up into the heavenliness from a life of wearisome toil and delayed expectations.

"For those who are not at ground zero, do not allow yourselves to be terrorized by events occurring in other regions, for I will catch you up into My waiting arms lest you experience the torments of the evil ones responsible for these weapons of mass destruction."

Lord, there has been talk of comets and they are in the Scriptures. How do they fit into this?

"What you speak of will be a tempest beyond your ability to understand. Fire raining down from the Heavens in such a powerful display there will be no place to hide. Everything will be set on fire, from skyscrapers to forests. The deluge of fire will burn the Earth as never before. Understand this will be a necessary purification from the contaminants man has despoiled the Earth with. These elements will blaze and burn away and from the new growth will spring what I would like to call a perpetual Eden, good for the next thousand years until Satan again rallies his forces against Me."

"But I am giving many men another chance. Do you understand, My Sweet Love? Many were simply ignorant of the evil one's doings in their lives...and ignorant of My true nature. So, some will be spared to be given another chance to live with their offspring and resist the draw of evil as Satan is loosed in the last of the thousand years of My reign."

Lord, when will these signs appear in the sky?

"Soon My Beloved, very, very soon. But I have made known to you, you will not be caught in these tempestuous events from the East. I will deliver you and set you on high long before that moment comes for your region. I cannot emphasize enough the prayers I want to go forth for the lost while there is yet time for them to repent."

At that point, guys, I started to doubt and rearrange thoughts in my head to suit what I know from before, especially about New York City, and the bomb, tsunamis and comets. Oh, my. So many different things have been said about that. But the Lord's only told me about a bomb. I repented and said, "Lord, in no way do I want to speak words that are not from You. Forgive me, I want only to be faithful to Your words."

Tears were welling up in His eyes and I saw fire falling from the heavens over the Earth through the reflection in His eyes.

He answered my unspoken question, *"Things will happen simultaneously, Clare: nuclear war, holocaust, unprecedented natural disasters precipitated by man's foolishness. It will happen simultaneously. Remember what I told you about Miami? That will only be the tip of the iceberg, if even that."*

I answered Him, "But I don't see how anything could survive...pockets of technology, and that kind of thing."

"Some utilities will continue without logical explanation for My purposes, others will be non-existent."

Well, I was under the impression that there would be war and then the new world government with all its regulations and controls.

"Yes, what is planned will precipitate that reign."

So, then much of technology must remain for that to function?

"There will be whole areas of the country that are uninhabitable, but people will be quickly rounded up into controlled areas and make-shift housing near where the devastation hits. Other areas of the country will continue to function almost as normal. Yet connections to the world will be greatly hindered because of the key points that are targeted, for they are in the center of communication networks."

Lord, why do I feel so disconnected from all of this?

"I have put a wedge of protection in your heart, Clare, lest you see, feel and crumble. But I will assure you of this, it will happen very quickly."

"There is no preparation for this, My People, but prayer. Yes, one can prepare and take measures for the body, but the impact on souls will be horrendous and without remedy. Nonetheless, My Mercy will be afoot and will not fail those who call out to Me."

"You see, many will shake their fists at Me and curse Me and My People. Others will fall to their knees and beg Mercy. For these I shall be the great Eagle that tucks them under My wings of mercy. For the rest, I will be as an acid rain falling on their beings. It is entirely a choice up to you People of the Earth, it is entirely your choice. I will abandon no one who calls upon Me. No not one soul will perish who puts their trust in Me."

"Do not be afraid, do not despair, keep your eyes on Me and the eastern horizon. I am coming for you, My people. I am coming."

I remember about 22 years ago, I was shown something like fireworks shooting up into Heaven. Bombs had gone off and these fireworks just shot straight up into Heaven. It was explained to me that they were the souls of those caught up to God in the conflagration. And even at that time, I was told they would not suffer.

Then the Lord added to this and said, *"Clare, don't let the reports and prophecies of others confuse you. I have established you in the truth. You know Me, trust Me alone and none other. This is why I have asked you not to look into the prophecies of others, lest you be corrupted and thrown into confusion. You must be an example to your flock and not go searching for prophecies in other places, but rest peacefully in what I have given you. Your hope will NOT be disappointed."*

Powerful is the Prayer of the Heart

January 21, 2016

May the sweet blessings and the presence of our Jesus be with you, Heartdwellers.

Well, today when I came into prayer, I asked the Lord, "Please share with me what's on your heart and mind, Lord."

"What is coming is very much on My mind, continually. Even My angels are now working overtime (so to speak) to bring in the lost...making connections so My Spirit can move upon hearts. I try not to look at those who have continually turned Me away. I try... but it is of no avail. I love them, Clare, My heartaches for the choices they have made.

"But there are those who are coming along, slowly, but coming. And they bolster My Heart and bring the promise of souls restored. Never underestimate your prayers, My Love. I know you don't feel powerful in prayer, but even as you said today, when My mother mentioned they were out of wine...though I was not ready to work a miracle, because of her tender heart and the grief she felt, I did it anyway.

"You see, that is a beautiful pattern of prayer and intercession. She was always one to feel the pain of others and come to Me with their burdens. Not only was she truly the first Christian, but the first Christian intercessor who came to Me. I could not resist her pain, so I did many, many things no one would even guess I did, just because she approached Me with such sincere love for her neighbors.

"And this is what I've been trying to teach you about prayer. You do not have to be loud, on-fire, full of eloquent words, tears and gestures. Did I not say to pray secretly in private and I would reward you?

"It is all in the intention of the heart. When you cry out from the depths of your soul, because of the plight of others, I immediately, immediately move into action. No lags, no maybes. No, "Well, maybe later I'll pray a better prayer." No formalities. Just the cry of your heart. I hear it loud and clear and even the angels stand to attention when they hear it. Their eyes are fully on Me waiting for My command to swing into action.

"The cry of the heart sets off a chain reaction in Heaven; all souls recognize Me crying out from that soul. Yes, that is another dynamic. I cry out through you."

Lord...do you mean that You stir my heart to pray to You?

"Well, not exactly. When I cry out from within you, it is because our hearts are in union and I correspond to your intentions. I wait for you to initiate the cry. Do you know what most often stops you, Clare?"

Unbelief?

"Yes, but it is a Pharisee spirit that discourages and demands formal prayers: the raising of hands, the beating of breasts. Nothing about these gestures moves My Heart to act, unless it is accompanied by genuine love of brother. Some are of the opinion that these gesticulations make the prayer. Oh no, far from it. Remember little Audrey?"

Yes, the girl who was totally incapacitated, but when people came to visit her and her mother read her prayer requests, some marvelous miracles happened. I even remember that a group of

ladies undergoing chemotherapy came and left with the burning pain from the treatment totally gone, and soon after little Audrey manifested chemo burns all over her body.

The Lord replied, *"Here is the heart of a pure child. I came to her that day she drowned in the pool and she chose to be My instrument of healing. I showed to her all the people she would touch by just praying in her heart, and she humbly received that assignment, Clare. And now she is in Heaven with Me."*

Wow, I didn't know she had passed on. So, I looked it up and I guess her ministry lasted for 20 years. She drowned in the pool at 3 and died at 23. Amazing miracles are attributed to her intercession.

"All I can tell you is that she is a very holy soul that said, 'yes' every time I brought her a case. She always said, 'Yes, my Lord.' It cost her dearly, but she never said, 'No.'"

"Bring Me your heart, pray from the heart, let all things come forth from the Heart where I dwell. Do not be fooled into believing your prayers are worthless. this lessens your effectiveness. You need to accompany these cries of the heart with faith that I will indeed respond. Recognize and know that the very moment you cry out to Me, I move into action on behalf of that soul you are praying for. I would love for all My Heartdwellers to remember this and apply it now in these your last days on Earth. This will bring an increase in the harvest."

"Many of you will be shocked at the fruit that came from these spontaneous moments when your hearts were moved to pity, I am telling you now, so you may exercise your faith more and more, each time you hear of or see a desperate need. My Brides, I am standing by. I'm waiting for you to recognize these needs and cry out to me EXPECTING that I will act in that very moment."

"Oh, how pleasing the prayer of faith is to Me. Oh, how I value the souls that will accompany their cries with faith, knowing in their hearts that I am a loving, merciful and faithful God who cares deeply and needs only the very littlest provocation to move on behalf of the lost and suffering. Yes, I hear the cries of your hearts. Yes, I answer those prayers as if you had spent the night interceding. Why, you ask Me. Because time is so very short and I make a big deal out of the littlest intention of the heart."

"Come to Me, My loved ones. Come to Me with the pain in your hearts for others and I will turn them into miracles. Blessed are those who take these words to heart and put them into practice."

Resist Gossip & Judgment, Nations of the World Deteriorating

January 22, 2015

The Lord be with you, Dear Family.

The Lord began: *"I love the way you have tuned yourselves into My messages, Heartdwellers. I am so pleased with*

your focus and obedience. Know that in this last few weeks there will be many, many attempts to throw you off.

"The enemy is plotting waves of discouragement and distraction. Discouragement comes first, leading you into seeking distractions. Do not fall for his ploys, rather stay secure in what I've given you - not only your prayer times but the messages also. Keep your focus like the captain of a great ship on the ocean. One degree off can result in the wrong destination.

"All of you are great ships, loaded with treasure, spices, gold and silver, perfumes and precious stones from afar. All of you are also targeted by the pirates of wickedness wanting to steal from you the treasures I have imparted. Therefore you must stay the course and be vigilant.

"There will be more attempts to discredit this channel and cause you to abandon the vessels who have served you with all their hearts. Continue to honor, protect and support them, knowing that they are vulnerable just like the rest of you and the devils want to despoil them as well. You have been taught well to refuse to get involved in quarrels and useless arguments. Even just one step...one sentence into gossip is dangerous to your souls. Please, continue to avoid all forms of gossip and deprecation of My ministers. Not only Clare, Ezekiel and Carol, but other faithful servants who have been preparing you for this time.

"The enemy's bottom line is divide and conquer. Cause disputes and controversies provoking others to take sides so that ultimately the nourishment I have given you and continue to give you, can be taken away from you. Know that this is in the wind, the enemy is planning assaults against you and other faithful vessels unto honor. Blessed is that servant who hears and obeys. Please, no matter how tempting, do not decry other ministers or people who attack this channel. Rather pray for them and I will remove the weapons from their hands and make them no longer effective.

"Your greatest safety is in holiness and refusing to judge others. Many have many opinions, and unfortunately much of what is proposed is opinion and not from Me. So remember your tools of discernment and if you are caused to lose your peace be wary; this is the enemy's number one form of attack. To continue to listen to those who detract from others is truly a leak in your vessel. The graces pour through that leak and are lost because of this serious fault. Judgement is Mine and your safest stance is to avoid these poisons and cleave to what is righteous and good, even showing mercy to your enemies - but not taking in their poison.

"My Brides, you are stunningly beautiful and the enemy hates the very mention of you. That is why he is waging war on this channel. He cannot stand to see the beauty of brotherly love, patience and caring for one another. He hates you for it. On other channels, he has succeeded in causing division, strife and calumny, but here he is a miserable failure; that is why you are being targeted. Your vigilance and obedience will keep you in My Peace.

"Things continue to fester and advance behind the scenes like a well-oiled machine. Evil is taking ground quickly around the world. You will see the fall of every great nation as the Trojan horse of migration continues to penetrate the governments of Europe. Do you understand? This is deliberate, this is planned, this is succeeding. What you are witnessing in the world right now is the destruction of national sovereignty around the world. The leading nations must fall for the one world government to be established. The stage is being set for Anti-Christ to come forward

and rule the entire world, destroying all cultures and governments so that one law, one faith and one nation can be inaugurated.

"It will never succeed of course, for any length of time, but this is the plan as well as the destruction of the poor on this planet. Yes, the poor, the lame, the elderly are targeted for destruction. Those who will not support this worldwide regime are also targeted. The individual will be crushed and those who have been prepared to rule will come into power.

"I will come and restore national sovereignty and the faith of the nations will acknowledge Me as their savior and ruler. We will enjoy unprecedented peace for as long as the enemy is kept at bay. You will learn the ways of laughter and joy, especially in those places that have been most heavily oppressed and deprived.

"All will enjoy an equitable standard of living and justice will reign. Keep your eyes on this goal, My Beloved ones. And for you who are reading this after the Rapture, keep it in mind: joy is coming after this long trial, joy and true prosperity of spirit and life is coming. Do not despair, for at the darkest hour I will come and restore righteousness to this Earth. In the meantime, cleave to Me, learn and follow My ways alone. Man's ways are futile and only lead to death. This world is now living the results of man's ways. That is why I entreat you to follow My ways no matter what the cost.

"I will amply reward you at the right time. Injustice and corruption will not reign over you forever. I will establish My Kingdom and you will live in peace, joy and prosperity of soul. So, do not give in to depression. Rather, stand your ground, knowing the final outcome: the Victory is OURS.

"Seek Me until you find Me. Rely on My instruction and it will go well with you. Have no fear of those who can kill the body; rather fear the One who can assign you to eternal torment where the worm never dies, the fire never goes out and cries of agony are heard down the corridors for eternity.

"This place is a last resort for the lawless ones, not for you. It is a place of torment for evil spirits, not My glorious Creation: man, who is made in Our image. So, do not allow the enemy to steal from you your citizenship in Heaven. Cleave to Me no matter what the cost and you shall find rest for your souls."

I'm Not a Mannequin

January 24, 2016

The presence of the Lord enwrap you like a warm blanket, dear Heartdwellers!

Forgive me, this is a very short message, but I expect that later there will be a longer one.

The Lord and I were dancing together, and we've been doing that before messages but I haven't been always

talking about it. We were dancing and dancing, I think about an hour and a half in worship.

When I came out of worship and He wanted to speak to me, He said:

"Dearest Clare don't you know that when i hold you I am truly present to you, thinking about you, not drifting off, but engaging in the sweetness of your soul? You dance with Me like I am a mannequin. Why don't you connect more with Me?"

I had to laugh when I heard that, but I knew that I was distracted, I think that was it.

"I'm tired, Lord. And I'm having trouble focusing?"

"Unbelief maybe?"

No...not again.

"Again. My Love, please focus your entire being on Me, 'cause truly I am there, truly I am yours, truly.

"But to receive the benefits of our times together, I really need you to focus on Me, on My affection for you, on your affection for Me. I'm not a mannequin. I'm not even a man. I'm mostly your Beloved Jesus, who is so in love, so enthralled, so tenderly hoping to be with you, for real...without your mind drifting here and there. Just waiting patiently for you to believe enough that you try to catch a glimpse of Me and when our eyes meet, My Heart soars. There are so many things tied up in just one glance.

"Spirit to spirit, heart to heart, mind to mind, all these lovely places where your God receives the tribute that is His due. That you are tired or distracted is your work to conquer and be present truly in My arms.

"Heaven is in your eyes, on your lips, in your heart. Commune with Heaven, My beloved. Commune with Me there, tap into the living waters flowing forth from the Father's throne and pouring into your heart for souls. This is where the anointing flows from, the very wellsprings of life; our life now and forever. When you tap into these you are granted insight into the Heart of Your God, insights to share with a broken world which is confused beyond measure.

"These trying times prepare you for the challenges ahead, but you must get the most from them."

I answered Him, "I don't know what happened to me Lord, I was so groggy." Well, groggy and also we had a lot of interruptions yesterday, a lot of people coming by. He said, *"Well, you have remedies for that."* He was talking about my coffee drinks that I make.

Do you want me to come back to worship, Lord?

"What do you think?"

I think 'yes, You do.'

And so I took a nap and returned a half hour later and just programmed my little iPod to shuffle the songs as Holy Spirit led. One of the songs that came up was "Song of Songs" that Ezekiel and I recorded together before we were married, when we were just friends. I realized later that that love song was being sung to me by the Lord, through Ezekiel. Little did I realize it was my husband to be who was singing it for Him. It's about 20 minutes long and profoundly sweet. You can find it on Ezekiel's song list.

But this time in worship, I really did connect with the Lord, it truly was a time of deepening our relationship. It went on for about three hours. I could tell I was making Him so happy!

Lord, I am back do You want to continue on with the message?

"My dear Clare, so much has transpired in your life, it is difficult for you to separate songs from those times and I know you have struggles remembering the past. But that song especially expresses My feelings for you in so many ways, you can't even imagine."

Just as an aside on that, I've always longed to fully understand the allegories in Song of Songs. That's always been something I wanted to know.

I answered Him, "Really, Lord?"

"Have you not said I was romantic?"

I have.

"Well, I am romantic, far beyond what you can conceive. So many poignant allegories in the lyrics of that song. So much spiritual depth and beauty. For instance, dripping choice myrrh from the lock...is a reflection of the suffering of My Bride for Me."

I arose to open for my beloved, and my hands dripped with myrrh, my fingers with flowing myrrh, on the handles of the bolt. Song of Solomon 5:5

Jesus, I am here. I am just so empty.

"And what's new about that?"

Ummmm...nothing?

"That's right, nothing."

"Well, I wish for My Bride now to keep her eye on the Heavens, knowing and expecting Me to come anytime. I expect her to be expecting Me. I expect her to spend substantial times making ready for the hour of her visitation."

"Yes, Satan will try to counterfeit it, by I will not allow it for the pure of heart."

"So much attention is paid to so many words, when all I desire is the attention to be put on Me and Me alone."

And that was the end of His message.

War Drums Are Beating In Heaven

January 25, 2016

Forgive us, precious Heartdwellers for a short message, but the Lord ended this message a little sooner than I was expecting. And I sat and listened and He said, *"That's it for now."* I felt badly, but He said, *"I have other things for you to do."*

So, I'm going to give you a short message, exactly as He gave it to me.

He began: *"War drums are beating in Heaven."*

In Heaven?

"Oh yes, they beat, for My Father's Heart is sickened by what the enemy has done to His people and creation. He is sick of the suffering of the innocent and is preparing an end for the wicked. This is every bit as much a spiritual battle as it will be in the physical."

And when He mentioned war drums, I thought of some Celtic worship music that has drumming in it, that is very, very intense. It's also warfare, spiritual warfare. It's in the Firelands album, there's a very intense part of drumming in there that we have used before in worship, for warring against the enemy. And it's said that the drumbeat represents the heart. So, when the Lord said that His Father's heart was sickened by what the enemy has done, it made sense that there would be drumming, because that represents His heartbeat.

The Lord continued, *"There will be rescues, spectacular supernatural rescues because of your prayers, My Brides. Yes, judgment must come to Earth, but My Heart is soft for My Bride and I have hearkened to her prayers for her families. I wish for you all to be at peace that I am faithful and have noted down all of your tears for your families. Angels are already assigned. So much mercy will be granted the loved ones of My Bride, because she of all people has been hardest hit with family members. She's been targeted and while free will still has the last say, I know how to move on the hearts of men. Is it not written, "The king's heart is in the hand of the LORD, as the rivers of water: he turns it wherever he will." Proverbs 21:1 *"That stands for those who are dear to you, also."**

Thank you, Lord, I know so many will be relieved to hear that.

"There is nothing easy about what is yet to come, but I do not want the hearts of My Loved ones distracted by the fate of family members. Remember that I love them more than you ever possibly could and I never give up, even on the hardest hearts. You may take solace in the fact that the Rapture will jar many into the reality they've been avoiding."

"There is preparation in the hearts of your loved ones that I have done. You cannot see or hear it, but I have laid a foundation of sorts so that when confirming events happen, the hard shell will indeed be broken and they will give their lives to Me with much remorse. One of the greatest things you can do to prepare them is to be exceptionally loving and forgiving. That carries a sweetness that is the key to anyone's heart. The worst thing you can do is to preach condemnation and Hell.

"You would be surprised how many already know they are headed towards Hell, but simply can't bring themselves to the point where they are willing to change. The Rapture will change that. It will be solid proof that I exist. Hell is real, just as real as you were, only moments before when I removed you from earth.

'The harder part for Me, Clare, is the lives that will be lost during the catastrophes and wars. Lives of souls that never repented, never cared about anything but the body's needs and never had time for Me. As you were musing while I was speaking to you and you didn't know it, all soldiers are inoculated with a chip that affects the way they think. Not only does the culture in the armed forces shape a man, there also is now a chip that affects their sensibilities about Me and about love.'

You know, when He said that, guys - I had a sense and a feeling that this has been being used for actually quite a long time. It's not just a new thing. I think we're just finding out about it. That's just my opinion.

He continued, *"There are exceptions to the rule, but the fact is, it is much harder for them to get in touch with the more delicate and spiritual feelings. Don't you know...I don't leave them on their own, but override this device. Nonetheless, it has an impact. There is no soul I abandon to the deceptions of the governments, not one. I find a way to touch them, I find a way to bring My light into the darkness of their minds. Those who read the Scriptures daily are strengthened and cleansed, just like everyone else."*

I thought to myself when He said that, 'I wonder why You are telling you these things, Lord?'

And He said, *"Why am I telling you these things? Because they weigh heavily on My heart, Beloved. I share them with you because you are My Spouse and I want you to understand some of what I must deal with each day.*

"Wars are being waged in the heavenliness right now to bring souls to Me at this last hour. Much that is taking place in migration has shaken the very foundations of life and caused them to cry out to Me more than ever. I am touching them with My love, they are clinging to Me as never before and there is a harvest to be had in their camps. All of this is part of My plan to use the evil the enemy has planned, to do good and bring the lost home to Me.

"Keep your focus, My Brides, keep your hearts solely for Me, that our reunion may be a Joyful one."

You Will Experience Ecstatic Freedom

January 26, 2016

The precious peace of Jesus maintain our souls,
Heartdwellers.

Well, today I have a bit of a confession to make. As you can see, the video is a little late. I happened to watch one of the archeologists, Ron Wyatt's videos. Even up until 2006 with a new dig, his associate did. I don't know about you, but I LOVE a treasure hunt! I love being outdoors and

discovering beauty, that's why I loved nature photography so much. But a treasure hunt for God's evidences - that's just overwhelmingly wonderful!

But I have to say, the "old man"...or should I say, "old woman" is not quite dead yet. Watching these videos both excited me and over-awed me with the magnificence of God.

When I awoke yesterday morning, all I could do in prayer is sit before Him and cry, so amazing were the things He did and the evidences He left behind. The blackened mountain top and the altars and pillars and all the things that He left behind from the place where the Israelites were living for 40 years. If there was any doubt in my heart about Noah or the Exodus, it no longer remains - it's gone. But I thought it fitting to confess to you, I'm still a little girl at heart. Perhaps even 5, or 6, or 7... I still love treasure hunts. And my immaturity comes out in the following dialogue.

So, if any of you are like me - easily drawn off by the lure of adventure, you're not alone. And if He can focus ME...surely, He can focus you.

And just an additional note: some of you may laugh and some of you may say, "Oh, the Lord wouldn't do that..!" Well, He has a way of working with me... I need your prayers to find my tooth. Yep - a front tooth. He allowed me to drop my partial - again - on the floor. And I have torn the room apart and I still can't find that tooth, that goes right smack in front. I knew it was a correction when it happened, but now I have a very funny smile... He really knows how to get me back down to Earth when I go off on a tangent - it's almost as if He were saying, "You like a treasure hunt? Well, I'll satisfy that desire...Go find your tooth!"

You might think that's cruel or harsh but I have to laugh. He's VERY serious about me being faithful, as you will see in our dialogue. And if I sound a little funny? It's because that front tooth is missing...

So, it began:

Oh, Lord - the wonder of all the things You have done is so overwhelming! The more I see, the more I am amazed that You would condescend to speak with me.

He answered me, "*Beloved, why do you look for the living among the dead?*"

But Lord, the glory of what You have said and done, the signs you've left behind, Your faithfulness - it's staggering!

"I understand your fascination. Just try not to get carried away when you have work to do."
Yes, I did get carried away, I really did.

"My Love, the purpose of all these evidences is to save souls. Even one soul. And THIS is the job you've been chosen for. So, don't abandon your post to solve curious mysteries. Stand strong! And shepherd the flock before you."

Well, Lord, I guess it's useless for me to argue that my faith has grown by leaps and bounds?

"Well, that's just what I intended with all these signs. But don't let them carry YOU away."

Lord, would You carry me away? I want to go back and see all these things. It was such a tremendous time in the wilderness. I want to go with You, Jesus, and see all these things. Can I? Can I, Jesus?

"My Love, your curiosity will be more than satisfied in Heaven. Nothing will be withheld from you."

But I want to watch Moses and Joshua and the burning mountain. And what happened to the other tablets. And why did he break them. I mean, I understand him being angry, but why did he punish You for that? And yet I have met him in Heaven, and he's so meek!

The Lord replied, *"Everyone makes mistakes. The disparity between his experience with the Father and the behavior of the Israelites - after all the miracles - just broke his heart. That he loved them enough to stand in the gap so they would NOT be destroyed. And I have proved My mercy through them, even as it's written in Hosea."*

Well, Lord. What do You have to say to us today?

"I love you. I know your weakness, but you mustn't waste time, My Love. Please, try to stay on task. You started so well. Please, continue to fill out the Triage site. When I come for you, it will be in the midst of smoke and terror, even as it was on Mt. Sinai. Yes, the mountain shook, the smoke ascended. Power was unleashed from above the mountain, not a volcano. And yet, it was terrible to behold. Everything that's been written will come to pass, just as it is written. Even looking back upon Sinai, you can see that each detail has been fulfilled to the letter. Each evidence corresponds to what is written. That's the problem: most people don't take Me verbatim and seriously. Moses did. And through him, I left behind My monumental evidence of My presence and direction for My People."

"Oh, Clare. So many mysteries yet to be discovered! So many!"

I want to go, Lord. I want to glorify You through the evidence You've left for us! Oh, how I'd love to do that.

"It's hot, laborious work, enough to wear down any human being. Fraught with many intrigues, disappointments and dangers. Ron was a very special man, very faithful. That's why I blessed him with so many discoveries. He listened to Me and obeyed. He had discretion, uncommon discretion and wisdom. He wanted nothing more than to prove My Word was true. And that's all he cared about. Wealth, accumulated goods - none of that meant anything to him. Even the honor of Kings was laid aside. He knew the difference of earthly kings and the King of Kings. He spent a lifetime of labor for Me, Clare. In sickness and in health, in danger and in rest. He knew what it was to break the flask of oil and anoint Me with his love. He gave everything."

Oh, Lord. What You are saying brings tears to my eyes.

"Yes. He was and he is a very special man. But you're special, too, Clare. You've given Me your best, too. You'll see someday. Your job is different, My Love. But that's not to say that we can't go on adventures and see things that no man has seen."

But I'd like to bring things to light.

"Every day You bring Me to people in a new light. Isn't that enough?"

Yes, Lord. It's just the little girl in me that wants to go exploring and find treasure. You know how I am. Oh, how I'd love to photograph those sites with JUST the right lighting!

He replied, *"Yes, you love to play. And I love to play with you. But we have a message to deliver, don't we?"*

Sorry...

"Let's move on, Beloved. Yes, the reality of what is to take over the world is too much for human understanding - even by those who planned it. Once begun, it will have a life of its own and soon be out of their control. They cannot see that now. And when it happens, it will be too late. But you see, I am allowing it. Nothing is beyond My control."

"There will be terror on all sides. That is why I am taking so much time to prepare all of you. You cannot even begin to understand what will be transpiring around you and around the world. But you have been prepared to stand strong. Yet, some will crumble under the pressures. I will meet them there with My mercy. You cannot begin to understand the enormity of the changes this Earth will go through."

"You saw Me with a transit, marking out boundaries."

Yes, Lord. I did. (That was the other night when I was falling asleep. Ezekiel had seen me out on the polar ice cap with the Lord. He was marking out boundaries and I was helping Him.)

He continued, *"Well, that area will no longer be at the North Pole. Rather, more at your latitude. So many surprises. But that doesn't matter now. What I'm more concerned about is the readiness of My people and My Bride. I want them to understand that the body matters not. Rather, it is the spirit-man, the being who is their identity and lives on. I don't want them to be terrified along with the rest of the population, but to be very cognizant that their time in eternity"*

has arrived at last. Soon, they will be free to live on with Me. No longer encumbered by earthly limitations.

"There needs to be a point of recognition, a fail-safe, a realization that this is NOT their end - but only their beginning. Once this is established in their hearts, nothing will terrify them. I need you to turn over your fears to Me, My people. I need you to trust Me as never before. I have prepared you. I have told you what will be. I have promised I will be with you, and you will be with Me.

"You will experience ecstatic freedom in that moment. I want you to remember and trust that. My words are true, My promises are sure. Neither is there anything I have said that I won't deliver on, that I will not bring to pass.

"When terror falls upon the Earth, you will stand tall and strong, for your redemption has at long last arrived. You will nothing to fear. This will be a sign to all that I have set My people aside. I have prepared them. I am with them. When the rest of the world goes into shock, you will have peace. This is My guarantee to you.

My angels are stationed even now in preparation for that hour, but you all must be mindful that I am indeed living within you and beside you. Psalm 91 must resonate with every beat of your hearts."

And what I just wanted to say here is, for the most part the Lord is going to rescue His Bride off the Earth, but some of us are going to get caught in the midst of whatever happens. And what He's telling us here is not to be afraid in that hour. That's our freedom, that's our ticket to Heaven. He'll take care of us, and I believe even having us leave our bodies before we feel ANYTHING - we'll indeed be with the Lord.

So, I felt led to go ahead and write down Psalm 91 in such a way that we could relate to it, one on one:

Whoever dwells in the shelter of the Most High will rest in the shadow of the Almighty. I will say of the Lord, "You are my refuge and my fortress. My God, in Whom I trust. Surely You will save me from the fowler's snare and from the deadly pestilence. You will cover me with Your feathers, and under Your wings I will find refuge. Your faithfulness will be my shield and rampart. I will not fear the terror of night, nor the arrow that flies by day. Nor the pestilence that stalks in the darkness. Nor the plague that destroys at mid-day.

"A thousand may fall at my side, ten thousand at my right hand, but it will not come near me. I will only observe with my eyes and see the punishment of the wicked. If I say, 'Lord, You are my Refuge and I make You, the Most High, my dwelling - no harm will overtake me. No disaster will come near my tent."

For You will command Your angels concerning me, to guard me in all my ways. They will lift me up in their hands, so that I will not strike my foot against a stone. I will tread on the lion and the cobra. I will trample the great lion and the serpent.

"Because You love Me," says the Lord. "I will rescue you. I will protect you, for you acknowledge My Name. You will call upon Me and I will answer you. I will be with you in trouble. I will deliver you and honor you. And with a long life I will satisfy you and show you My Salvation."

And the Lord continued after that, *"And here I would say, with eternity I would satisfy you, and show you the glorious wonders of My Kingdom. Your eternal reward that I have stored up for you. Joys forevermore at My right hand. Be at peace, My people, My Bride. When terror strikes, grasp My hand all the more firmly. Settle into My wings. At last, you are free! In that moment, you will experience ecstatic freedom! Remember this."*

Lukewarm...Little Foxes Spoil the Vine

January 27, 2016

May the sweet presence of our Lord Jesus be with you, Heartdwellers.

Well, it's interesting. The Lord is convicting me again of lukewarmness and how I got there. I've been feeling this. I've been feeling something wasn't quite right between He and I, in spite of the beautiful graces that He's been giving me in prayer. I've been taking little liberties here and there

for my flesh, which I shouldn't be doing. And it's definitely lead to lukewarmness in my own heart to some degree.

So, I'm going to share that with you, because this is probably one of the most important things you can keep an eye on in ourselves.

"It's the little foxes that spoil the vine, My Love." Jesus began. *"The little things you do that you know you shouldn't do. They are proofs of self-love and lukewarmness towards Me, you know?"*

Yes, Lord, I am very convicted. I thought just a little exception for the flesh here and a little there, 'no big deal.' Wrong. VERY big deal. I see where Satan gets in slowly so you don't notice you are going off track. After all, you're not going into debt or buying a corvette...it's just a chocolate bar for Pete's sake.

He continued, *"You know how it feels when you nick your finger and it bleeds. It takes a few days to heal, especially if it's on a knuckle. In the meantime, it hurts. It makes your whole hand hurt. Even though it's not life threatening, it mars your body's performance. And it's a distraction."*

"Same way in relationships. Little indifferences hurt. When they accumulate they do damage, and that damage has to be repaired. You've been given so many graces, Clare. There really is no excuse for you taking liberties that injure our relationship. Although you do have a very real enemy egging you on into these things, still you can say, 'NO!' when these little indiscretions are proposed to you."

"It's not like you're under a strong physical or chemical compulsion. It's more like 'I want that.' You could deny yourself as a sign of your love for Me. I honor each time you do that. So, you see indifference leads to lukewarmness...and you have it in your power not to allow that."

So, Lord - how do I get out of this?

"Deny yourself more, go deeper. Eventually you'll have a breakthrough and a restoration of My Sweet presence. Show Me that you care, Beloved. I know you've made serious life choices to honor Me. But understand: it is the little foxes that spoil even the finest of vines. The higher you go, the longer down the fall, the more damage that is done to yourself, to Me and to others."

Stupid flesh, it seems like I am forever fighting it.

"When you make the decision to renounce yourself, in total, then the walk will be easier. It's the little allowances you make for the flesh that are not strong compulsions, that are so damaging. For the compulsions, I give grace as well. I understand when your body needs something like chocolate. I give you slack at those times, because you are simply too weak."

"How marvelous it would be if you weren't that weak. But I use it to help with humility. Now, I know how badly you feel, but you are not out of the woods yet. Not until you totally renounce yourself. And I might add, even when you've done that, you can still fall."

"Much is tied up in humility, My Love. You need to practice mindful humility. In other words, take every thought captive, lift up others deliberately and abase yourself. Then abstinence will become easier. The lowlier you become, the more protection and grace I will impart to you."

"You have been catching yourself in pride lately. That's always a sign that a downgrade is on the way, so to speak. Littleness, littleness, littleness. The littler the better. You should have experienced My mother's littleness. It's not like anything known on Earth, it is so far from what you call humility now. If anyone could have been any tinier in My eyes, I would have chosen them."

"It was truly her knowledge of the Father that caused her to abase herself. She saw herself much as I see her. Very, very, very little, insignificant and void of every merit. She attributed every good thing to the Father and kept nothing for herself. She saw all others as more virtuous than herself and not for one moment did she dare to look up and pass judgement. She was steeped in charity and compassion."

"All of you, My Brides, could have learned from her example. But you have My example of continual brokenness, humility, charity and understanding. Although I could have passed judgment on the harlot, I chose not to. You see? That's the Father's job."

"Go now, My love, and get some rest. we will begin anew tomorrow."

Lord, I'm willing to be made willing. I just hope You don't have to use a crowbar to straighten me out.

"My Love, I always choose the most gentle way to guide you into holiness."

February... A Month of Testings

January 28, 2016

May the Lord bless us all with wisdom and peace,
Heartdwellers.

Well, I'm still kind of reeling from my correction yesterday. I'm still trying to get it all in my heart and understand and forgive myself. And I've been having a hard time today, just knowing I let the Lord down. It's really been grieving my heart.

So, the first thing He said to me, when He came to me during prayer was, *"Your struggles are almost over, Clare. Don't let Me down now."*

I don't know what to say, Lord - except I'm sick at heart.

"This next month is very, very key and important for those you are leading. They need to be appraised of the situation. The devils suspect this will be their last opportunity to drag souls down into Hell, so much more than ordinary vigilance is necessary to preserve your souls."

"They are going to come after you from all directions. Temptations you never even thought you were vulnerable to. My advice to you all is lay low, low, low - lower than ever before in your lives. Don't have any proud flags flying they can attach themselves to and they'll go right by you. They are looking to stir up pride in your hearts any way they can do it. Refuse to buy into that. Simply dodge the bullets. Your vigilance will save your soul and perhaps even those around you. When the devils target you, they also target those around you. They rejoice when they can use you to bring others down as well."

"Don't allow yourselves to be drawn off into vain reasonings, empty arguments, critical spirits. Oh, they have set landmines before you, My people. Your only hope is to lay low in humility, confessing My Blood for protection and refusing, and I do mean flat-out refusing, to be engaged in useless arguments that will cause your soul to fall into unrest and confusion."

"Little do they know, or expect, that I will strengthen you in humility, your greatest protection. As you remain vigilant and obedient, they will have no place to manifest."

"This is a critical time for all of you. As you move through this month, be expecting grenades to fly in your face. When they do, catch them before they detonate and steal your peace."

And at that point I took a break and I got a little bit busy during my break-time. I think I was avoiding the Lord, I wasn't sure what it was. But when I came back to prayer He said, *"You're nesting."*

Nesting. That's what women do when they're about to give birth. It's also what you do before bad weather or a big storm comes - just kind of nesting and making yourself feel secure.

So, the Lord began, *"You're nesting. Please, be at peace. You are aware of what's going on, that is enough. To focus on yourself would not do anyone any good. Better you should just look forward to opportunities to prove your love for Me. Better for you to move on now, Clare."*
How do I do that, Lord, when my heart is so heavy?

"Refocus on Me, Beloved."

I'm still Your Beloved?

"Still, always and forever. Did I not tell you that I chose you for this job because you were such a poor soul? Did I not tell you that I looked and could find no one else to match you in pity? It is always the ones who think they are something, when they are nothing, that are truly to be pitied. Reality is a rough landing. Better that you figure that out now rather than at the very end of your life."

"I looked to you, Clare, because I knew your weaknesses so very well. And yet your heart is for Me - so life is a struggle for you. I knew your struggles are the same as other's and helping you gain the victory would help them as well. You are perfect for this job, especially if you remain teachable and steal a glance at yourself now and again in My Mirror."

"There's no need to nest..."

Lord, I am so afraid of failing You.

And I began to cry at that point. I know my weakness, guys. My weaknessES. They're bad...

He replied, *"I know. I know. But you have Me on your side. You have Me and My graces and as long as you take hold of that rope of grace and never let it go, you will make it. It has to become second nature to you, My Love. Every day you are presented with opportunities to go with grace - or go with the flesh. Little things mean a lot. Your love for Me is the cornerstone. All the things you give up for Me - and especially charity - are the building blocks. You are given opportunities almost every moment of your life. The more frequently you choose Me, the stronger you will get. It's just that simple."*

"The blocks of granite are My grace, self-denial, charity, humility. The blocks of adobe are your flesh, your desires, appetites, preferences; things that ultimately mean nothing and do not hold up under pressure. Building with those causes massive instability. Always choose the granite, My Love. It will stand in eternity. The others will crumble back into the Earth they were made from."

"Go now, My Love, knowing you are forgiven and restored. Cleave to Me and show Me how much you care."

Lions in Heaven & Your Heart's Desires

January 29, 2016

The Lord is so close to us, Heartdwellers, and so solicitous for our care and taking care of us and preparing our hearts.

Tonight, I got a little bit distracted - I'm sure you're tired of hearing me say that... But I was with Carol on Skype and I just happened to get a Pinterest that I clicked on - and it was all these big lions. Some of the sweetest things I've ever seen in these cats, the way they relate to each other! Really, really fascinating and really precious. I can't describe it, but it's somewhat like sitting near a big, warm

bonfire on a cold night - there is such a comfort in these animals. And it's a puzzle to me as to why I feel this way.

So, when I came into prayer I asked the Lord,
"Lord, I don't understand why I have such a tremendous fascination with big cats."

We were in Heaven actually, in the Palace of Waterfalls, sitting back in the double lounge chair recliner made from white wicker. We'd been there but second when Judah, my huge male lion came over to us and put his massive head on my lap. I stroked his eyebrows and cheeks and he sweetly closed his eyes, caught up in heavenly contemplation of his human's love. So much love from the animals here. So much!

"I don't understand it, Lord...I have to drag myself away from Pinterest when I get on the big cat page."

And then the Lord showed me a picture of myself when I was just a small child, maybe three or four. At that time, for a year or so, I was separated from my mother who had TB and was in a sanitarium. I was staying with an older couple and I remember being left alone in my crib... a lot. I was very lonely.

The Lord began to speak, *"When you were a child you didn't get enough cuddling. To your mind, cuddling represented love, which you also didn't get enough of. You are a very tactile person and need that physical connection; you're also very affectionate. To you, Clare, cats are the most cuddly, loving creatures - someone you can snuggle up to and feel warm and secure. So, every time you see these creatures, that longing for more love and affection rises up in you."*

"It's really quite simple, you need a LOT of love. You also give a lot of love. How many times a day do you snuggle with your kitties and tell them you love them?"

Gee, Lord, more than I can count.

"That's right, and how many times do they follow you around looking for affection?"

The same.

"It's a comforting relationship. I have given them to you for comfort when you need a touch, and I am always expressing My love for you through them. And by the way, they are heavily guarded by My angels."

I certainly feel their love, Lord. And I feel Your presence through them. It's wonderful and comforting.

"So, big kitties? More comfort. Plus, you have the same fascination with them that everyone has. They're majestic beings, powerful, beautiful and the crowning glory of creation in the animal kingdom, yet tame and affectionate. They are magnificent creatures and have very close family relationships. That is one thing you were also deprived of as a child. To be accepted in a pride, is like having real family."

Yeah, I was an only child in a single-parent family. So, that was pretty lonely...

I remember on one trip to Heaven we were on the Savannah in Heaven and a lioness was lying beneath a tree with her cubs. I went within 4 feet of her to her right and lay down in the grass. She reached her big left mamma paw over and laid it on my right shoulder pulling me closer, 'till we were snuggled up nose to nose and her little ones were climbing all over me. Then Jesus said, *"She doesn't do that with everyone."* And I thought, 'I bet not! She eats the others, right?' Silly me, I should have left a tender moment alone. I cherish that experience with His lions.

Jesus continued, *"In Heaven, My Love, you won't be so needy, but you'll still have your animals. I know how very dear they are to you, and you are dear to them. It is a real gift and grace to be so close to them and care so deeply for their needs. Much like I do. My Bride resembles Me in so many ways. Too many to count."*

"Be at peace about this affection, but don't let it carry you away from this work I've given you."

Yeah, I had to PRY myself away from that Pinterest page. It was emotionally painful!

He continued, *"You see, these are some of the enemy's tactics to tempt you to waste time. I know you are aware of that and you said 'no' to a compulsive involvement. Most people don't realize what the enemy is doing when they have a real fascination and affection for something, be it a hobby, animals, people, whatever. It brings them comfort to engage themselves with it. But there comes a time when it is no longer healthy but an escape from reality."*

"This is why I have warned you all that temptations are being prepared for you. If the enemy can get you off what is important, then opportunities I give you for souls will go by without you taking advantage of them and bringing them to the Me, giving them comfort, and a word that could turn their hearts towards Me."

You know, guys, just as an aside. I remember now. I've been one of these people ... You know? Probably everyone has a side like this, where I'd get fascinated with something and I'd just dive into it, whole hog, headfirst. And REALLY get off on a tangent. I'd just take it and go and RUN with it! Then I'd get tired of it, and I'd wonder, 'What in the world was I so taken up with about

that??' And I'd realize, wow. That was a sidetrack, that was pulling me away from something else I should have been doing. For a while I thought music was going to be something like that, so I was very, very careful, along with Ezekiel, to discern whether I was supposed to be sitting and writing music. Because I didn't want it to be another thing that just drew me off and I was sidetracked direction, wasted time. So, I can see what the Lord is saying, you know. There's a tendency to find comfort in things outside of the Lord.

The Lord continued and He said, *"Suffice it to say, My Bride, if you deny yourself now, I promise that in Heaven, soon enough, you will have all you ever dreamt of or wanted. Instantaneously! And it will never be taken from you. I know you have seen your Collie in Heaven and she is waiting for you, in fact, very impatiently!"*

Yes, I had seen her behind Jesus and to His right barking and jumping from right to left. Obviously excited to see me!

He continued, *"Oh, the wonders of My Creation...they abound like nothing you've ever experienced and they are yours to enjoy forever. So, My Brides, if you deny yourself just a little bit longer, you will all have your dreams come true when I bring you to the place I've prepared very individually, very especially, just for each of you."*

"Is it too much to ask for you to wait just a little while? Oh, that sacrifice is so pleasing to Me. I'm not saying there will be no more comfort from creatures. I'm just advising you not to allow the enemy to use compulsion to distract you away from each of your missions."

"I have marvelous heart-warming surprises laid up for all of you...and they are just as eager to see you as you are to see them."

And after the Lord said that, a Scripture was quickened to me:

Romans 8:22-23 We know that the whole creation has been groaning as in the pains of childbirth right up to the present time. Not only so, but we ourselves, who have the first-fruits of the Spirit, groan inwardly as we wait eagerly for our adoption to sonship, the redemption of our bodies.

The Lord bless you all. We truly have some wonderful things to look forward to!
