

THE DRAGONS OF ATLANTIS

RISE OF THE ANTICHRIST - THE BEAST THAT COMES OUT OF THE SEA

This study seeks to illustrate 3 astronomical events and highlight 2 of them that occurred on the now famous end of the Mayan Calendar Dec 21, 2012. These occurrences will provide some 'pictures' of what prophetically happened according to some interpretations of the Book of Revelation –if not starting on Dec 21, then perhaps in the very near future. These events specifically have to do with the imagery of the Dragon-Serpent coming out of the Sea birthing the AntiChrist, the Transit of Venus as seen from Saturn and the Pentagram Planetary configuration within the Solar System on that very date and time. The 1st 'picture' is of the Statue of Liberty that intersecting the point at which the Galactic Plane and the Ecliptic meet. The perspective is from the point on Liberty Island and behind the Statue itself. This cosmic intersection will be around 9:11am when looking southeast toward the direction of the Pyramids of Giza/Jerusalem after sunrise in the morning. It will be at that precise time of 9:11am that the Planet Mars is to rise above the NYC ocean horizon. Later on, the setting of Mars takes place around 5:55pm local time. The number 555 in the occult is the sign for death and resurrection. And we are all too familiar with the association of 911 & NYC.

BIRTH OF ANTICHRIST
In the occult it is believed that the 'little souls' emerge like in a birth canal from the mouth of a Serpent (or worm hole). The Milky Way or the Serpents Dragon represents the passage of Osiris – Apollo in ancient religions. He enters the tail of a Great Serpent, where he is to be drawn through its body by the powers of the Dragon to come up and out through its mouth to be born 'anew.' The allegory of Jonah and the whale has a sticking resemblance.

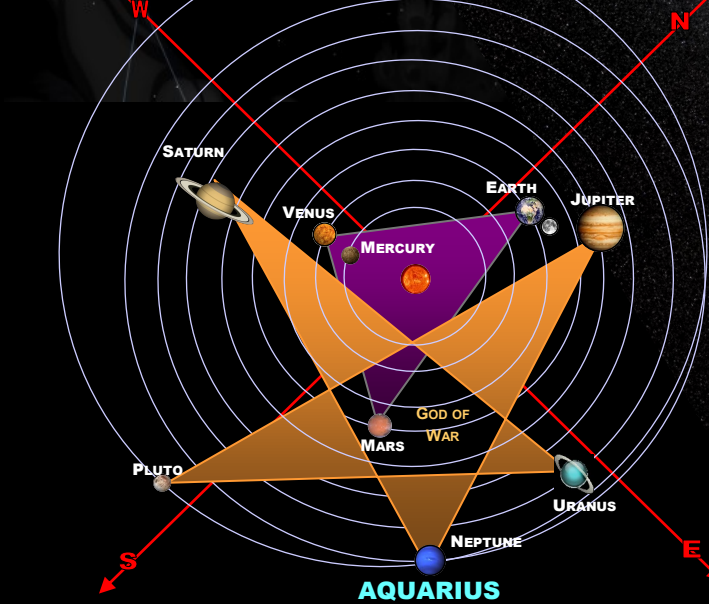

THE DRAGON FROM THE SEA
And I stood upon the sand of the Sea, and saw a Beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy... and the Dragon gave Him his power, and His seat, and great authority... 4 And they worshipped the Dragon which gave power unto the Beast: and they worshipped the Beast, saying, Who is like unto the Beast? who is able to make war with Him? 5 And there was given unto Him a mouth speaking great things and blasphemies; and power was given unto Him to continue 42 months. (1260 days) -Revelation 13:3-5

The Bible depicts several 'Beasts' or Dragon-Serpents that come out of the 'Sea'. One very prominent Beast has 7 Heads & 10 Horn ridden by a Harlot in Purple.

PROCESSION OF THE EQUINOX
The Statue of Liberty in NYC on Dec 21, 2012 maybe one or a literal representation of what is transpiring in the Cosmic realm. It is believed that the Dragon-Serpent is 'birthing' the AntiChrist through the Serpent or Dragon's mouth. The Ouroboros was and is a very powerful symbol. As this depiction is centered at the Galactic Center, it is believed that a New Time or Age is to ensue. It will be a time when the Dragon or Serpent will be coming from the "Sea" as from the ashes or depths of Atlantis to enthrone Lucifer to rule the coming new Age or New World Order. This alignment has occurred last time in ~26,000 years., the length of a Procession of the Equinoxes.

To the unobserving eye, the morning dawning in NYC might seem like any other, but if one were to transpose the Zodiac, the Planets, the Galactic Lines and the Eclipse, the sky background would come alive with a 'message'. This message is accented by the Statue's Torch that very few places on Earth, if any could have been designed to have such a symbolism associated with it. Perhaps the intersection of the Galactic Line and the Ecliptic with the Apollo-Venus aka Lady Liberty is signaling that the 'time' of the 'Light Bearer' (Lucifer) is to arrive soon, birthed in the form of his AntiChrist.

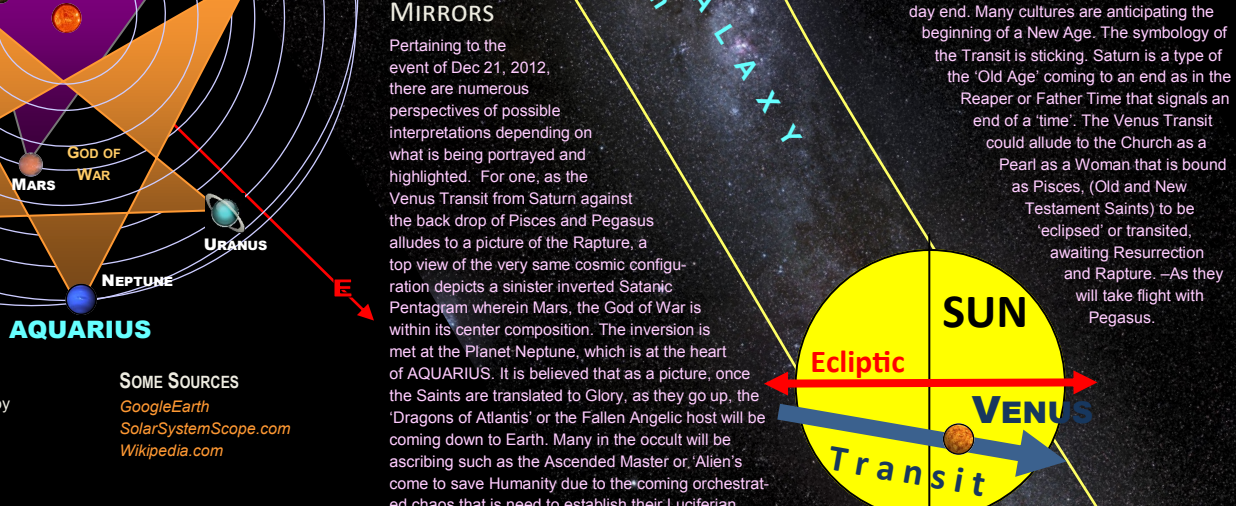

THE COSMIC SERPENT
What occurs is an alignment between the Galactic and Solar planes. Specifically, the Winter Solstice Sun will conjunct the Milky Way, which is the edge of our spinning spiral galaxy. The place where the Sun meets the Milky Way is where the "dark-rift" in the Milky Way is - a black ridge along the Milky Way caused by interstellar dust clouds. This is a feature of the Milky Way anyone can see on a clear midsummer's night. At dawn on the Winter Solstice of A.D. 2012, the Sun will be right in this Dark Rift, and the orientation is such that the Milky Way rims the horizon at all points. Thus, the Milky Way will appear to "sit" on the Earth, touching it at all points, opening up the cosmic sky portal. The Galactic and Solar planes are thus aligned. "Sky portal" is just a term to describe the "opened sky" scenario apparent when the Milky Way rims the horizon. This is a Planetary Alignment, specifically with Saturn, Venus, Mercury, Sun, Pluto & Mars. The Galactic 'Cross' is considered the Sacred Tree of Life in which life is derived from.

THE VENUS TRANSIT (Dec 21, 2012)
From Saturn's perspective the Transit will be moving to the right in the backdrop of Pisces, Pegasus & Andromeda. Perhaps a type of the Rapture. Saturn signaling an 'end' of the Church Age as the 'chained' woman, Andromeda will be 'loosed' of the Pisces bands to ride swiftly away on the 'winged' horse Pegasus.

A VENUS TRANSITS from Saturn
The Bible depicts that the Church Age will one day end. Many cultures are anticipating the beginning of a New Age. The symbology of the Transit is sticking. Saturn is a type of the 'Old Age' coming to an end as in the Reaper or Father Time that signals an end of a 'time'. The Venus Transit could allude to the Church as a Pearl as a Woman that is bound as Pisces. (Old and New Testament Saints) to be 'eclipsed' or transited, awaiting Resurrection and Rapture. -As they will take flight with Pegasus.

THE DRAGONS OF ATLANTIS

RISE OF THE ANTICHRIST - THE BEAST THAT COMES OUT OF THE SEA

The 2nd 'picture' of the Statue of Liberty has to do with the 'Eye of Lucifer'. This 'cosmic Eye' is the left eye of the Cosmic Serpent *Ouroboros*. At precisely 11:11:11 local time in NYC, if one stands looking toward the south direction in back of the Statue of Liberty, one will see the Torch of *Lady Liberty* eclipsing the very 'Eye' of the Serpent. For a possible esoteric and occultic significance, a truncated All-Seeing Eye pyramid is transposed over the celestial region. It appears to match such a rendering of corresponding attributes of Lady Liberty with the All-Seeing Eye pyramid. The 11:11:11 time marker at which the Sun is traversing the Dark Rift echoes and perhaps has a link to the trek of the *13 Crystal Skull* across America by the Maya Elders. The Serpent Trek across the USA last year ended up in the City of Angels (Fallen), Los Angeles, CA on 11:11:11 or Nov 11, 2011. It is striking that yet we have another depiction of a Serpent or Dragon 'birthing out the Fallen Angel, aka Lucifer, Satan, Apollo etc. This 'Fallen Angel' will be the Torch Bearer of 'Light,' to the world in the *New World Order* to come that perhaps such cosmic signs are announcing. What is intriguing is that at 11:11:11 Universal Time will correspond to 6:11am NYC local time, a reversed 9-11. Moreover it is when at that precise time, Mars, the god of War rises in the Eastern horizon at 9:11am local time in NYC. (check for verification)

The Book of Revelation declares that this 'Apollo' will be rising out of the pit when an Angel that has the Key to the Abyss is released; it will be none other than the AntiChrist. The Torch of 'Light' perhaps is symbolizing the 'Spark' that energizes the Beast or AntiChrist that the Dragon coming out of the Sea as Poseidon to support.

The Eye of the Cosmic Serpent is where *Ophiuchus*, the 13th added constellation starts his ascent holding Serpens that ascends toward the 'Crown' or Corona. The Biblical rendition according to the works of EW Bullinger is that *Ophiuchus* is a picture of the True Christ wrestling with Satan, the Serpent-Dragon that is trying to usurp the 'Crown' or 'birthright' of Heaven. To the occult and Satanists, it the Serpens, the Dragon, aka Lucifer that is upholding the 'man', or AntiChrist.

THE DRAGON FROM THE SEA

MIRRORS

Pertaining to the event of Dec 21, 2012, there are numerous perspectives of possible interpretations depending on what is being portrayed and highlighted. For one, as the Venus Transit from Saturn against the back drop of Pisces and Pegasus alludes to a picture of the Rapture, a top view of the very same cosmic configuration depicts a sinister inverted Satanic Pentagram wherein Mars, the God of War is within its center composition. The inversion is met at the Planet Neptune, which is at the heart of AQUARIUS. It is believed that as a picture, once the Saints are translated to Glory, as they go up, the 'Dragons of Atlantis' or the Fallen Angelic host will be coming down to Earth. Many in the occult will be ascribing such as the Ascended Master or 'Alien's' come to save Humanity due to the coming orchestrated chaos that is need to establish their Luciferian Order.

RISE OF THE ANTICHRIST - THE BEAST THAT COMES OUT OF THE SEA

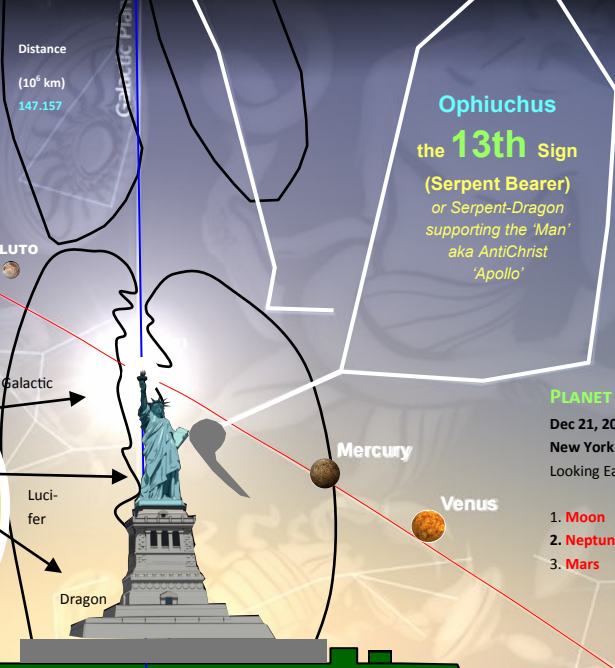

The 3rd 'picture' of the Statue of Liberty also has to do with the intersecting of the point at which the Galactic Plane (Milky Way) and the Ecliptic meet. It will be at a particular time when the Galactic Line is entirely vertical or perpendicular to the Earth's horizon. If one stands looking toward the southwesterly direction in front of the Statue of Liberty at 2:33pm local time - a 322 Skull & Bones association, one will see the Sun as the Torch of Lady Liberty. The implied symbology of Dec 21, 2012 cosmic alignments in relation to the timing and positioning with respect to the Statue of Liberty is remarkable. If one transposes the Milky Way or Cosmic Serpent onto the NYC skyline against the backdrop of the Statue of Liberty at that very hour, one will have a spectacular interpretation of 'Apollo' being birthed. The Dragon-Serpent is 'birthing' the AntiChrist through the Serpent or Dragon's mouth that comes out of the sea or waters as Poseidon. The Bible depicts several 'Beasts' or Dragon-Serpents that come out of the 'Sea'. One very prominent Beast has 7 Heads& 10 Horn ridden by a Harlot in Purple. The Statue of Liberty is actually a fusion of the god Apollo (Osiris) and Diana (Isis), it is a trophy to Venus that it too has male and female attributes. In the female mythology, it would be Venus being birthed out of the Shell of the primordial waters. How fitting it is to have the Statue of Liberty, be a euphemism for this 'Harlot' riding the Beast that is birthed by the Dragon coming out of the Sea.
