Springhill Cemetery has added a second Columbarium to the grounds. The property committee, members of the board, and volunteers participated in several work bees; a general spring cleanup, removal of dead trees, fertilizing and seeding grass. There were repairs to the Memorial Chapel and to the water pressure system. There were two sections pinned and mapping of the cemetery layout was started in the month of November.

Your assistance by adhering to our bylaws will be appreciated.

Specifically: Please do not leave glass, ceramic, or metal containers, vases, or ornaments on graves. Solar lights are not allowed. No flowers in front of the Columbarium.

The Board of Directors of Springhill looks forward to serving our community efficiently and maintains the level of service we have come to appreciate over the years.

Sincerely,

Greg Mount

Chairperson, Springhill Cemetery
