“TAKE TIME TO BE WITH JESUS”

‘See Jesus and Sense Jesus... With You’

John 14:15-18 & 25. The Comforter is with you.

Can you *see*- visualize- the Jesus with you?

Can you *sense* Jesus with you?

We need to see Jesus and sense Jesus in the here and now.

Young pastor preaching the same message.

Practice the teaching: “Take time to be with Jesus.”

“Lap to lap with Jesus.”

Steps of learning:

- Read it
- Write it
- Hear it
- Say it
- Sing it.

Sing a jingle to Jesus.

Psalms 23. One of the most popular verses for believers and unbelievers.

Choose a verse and sing a jingle.

Make a joyful noise to the Lord.

See Jesus and sense Jesus with you.

How many will promise to try it?

After your practice it on yourself, practice sending Jesus to others.

Jesus... John 10:10.
