

Do you like making a difference in the lives of others?

Are you interested in working with young adults to increase their independence?

Do you want a rewarding career working with people with developmental disabilities and autism?

Do you want to be part of a growing and dynamic team?

Would you like to become a Registered Behavioral Technician (RBT)?

Summary:

The Life Skills Coach position in the Specialized Supports Day Services program is structured with a small staff/participant ratio focused on experiential learning through community exploration. Our participants may be on the autism spectrum, non-verbal or just need a more structured approach to learning.

We are seeking:

- A dynamic, personable, energetic and responsible person to work in this growing program.
- A candidate with a strong desire to work with individuals with developmental disabilities and autism, and experience in or an interest in being trained in the principles of applied behavior analysis.

Qualifications:

- Minimum of 1-2 years of experience working with individuals with developmental disabilities and autism preferred.
- BA/AA degree preferred; however minimum of high school degree and two years related experience in a care giving or educational environment; hospital, school, day program, etc. may be substituted
- Valid Driver's License, good driving record and a willingness to use personal and agency vehicle in the course of employment.

Hours & Salary:

- Full-Time, 40 hours per week. Monday – Friday 7:30-3:30p
- \$14 per hour, pay differential for MAP certification

Our comprehensive and generous benefit package includes:

- Competitive health insurance (employer pays 85% of premium)
- Dental insurance
- Tuition reimbursement, tuition remission programs and scholarships (up to \$2,000 per year)
- Generous Vacation, Sick, and Personal Time Benefits
- 12 Paid Holidays
- Loan forgiveness
- Employer paid Life and Long Term Disability
- 403(b) matching retirement plan
- \$1,000 Employee Referral Bonus with no annual cap!
