Play Center and Cafe*

"We come to Rochester Play! for play dates with friends, or just to let the kids run around and get some exercise. They'll play for hours and never want to leave...and when we do, they're tired out!"

- Jennifer S.

Premier and active play center and cafe

Our goal is simple – provide families a place where they enjoy and can feel good about coming to play and eat. We provide a safe, healthy, clean, and fun environment for you to bring your kids to play and a comfortable and relaxing or active setting for you during your stay. We want you to have the best play experience possible, so we've tried to cover all the bases of what parents are looking for... a clean environment, safe play equipment, great tasting and healthy food, Dippin' Dots ice cream, coffee and smoothie bar, free wi-fi, comfortable seating, indoor walking track, and wonderful staff to ensure that all your needs are met.

"A Great Place For The Kids To PLAY! and You To Stay."

What is there for my kids to do?

Climb, jump, roll, slide, swing, crawl, explore, and play! Our custom built, northern Michigan themed, soft cushioned obstacle structure, active gaming area and Boxblaster Virtual Reality (VR) arena provides plenty of opportunities for fun and gross motor activities for kids aged 1 - 15! No ball pits or bouncy rooms here; our play structure is built for good, old fashioned playing and our games have been specifically selected with active play in mind. We also offer a separate, smaller play structure that is reserved for toddlers under the age of four that provides lots of fun activities that are more age appropriate.

What do I do while they play?

Play with them if you would like, experience our active games and Virtual Reality arena, or stroll around our walking track – 22 laps is a mile! Our structure and active games are selected and built for kids (and adults) of all ages! If you would rather let the kids play while you kick back and relax, then we have some comfortable seating for you while you watch them play. Our center has free wi-fi, a café with lots of tasty and nutritious options, coffee drinks and smoothies, and large screen TVs for the grown-ups.

What is the cost of using the Play Center?

Your private Play! group visit is designed for you and your group's safety and enjoyment of the entire play center. So, whether you enjoy the open play area, the play structures, the active games, or our Boxblaster Virtual Reality (VR) arena, the entire center is for your pleasure. You decide and invite as many guests as we can allow to join you for your visit. Whether your group is large or small, your group will enjoy the entire center to yourselves as all private Play! group visits are closed to the public!

***** Ask about late night group Play! opportunities! Come experience Boxblaster VR and gaming competitions, glow night parties, great food and drinks and more!**

Reduce, Recycle, Re-use!

Teaching our kids to value their environment can be fun! Our Play Center and café creates an opportunity for a teachable moment...whether it's talking about the animals in our decor or showing your kids how to use our kid-sized recycling bins, you can help them learn to value the world around us during their fun outing. Together, our efforts contribute over five times the amount of recycling than trash.

Let's move and raise a healthier generation of kids!

Our Play Center will make 'em sweat and kids love all our café food and drink choices! As a parent, you will too! We hope and invite you to compare our offerings with other centers. With childhood obesity still on the rise and nearly one in three children in America either overweight or obese, it's important to give kids plenty of daily opportunities to run around and play as well as have the ability to make healthier, great tasting food choices. Whether you are looking for some family time, or you are just looking for a new challenge for the kids, our play structure, active game area, and VR arena is just the thing to get them moving. We guarantee that your little one will sleep a little better after getting some much needed fun play and exercise at our center. Our café has lots of delicious and healthy options for them to re-fuel; you won't have to worry about trying to talk them out of junk food when they're ready for a snack, because there isn't any here and the kids love what we offer!
