- 22.02.24: Stealing rides and trailing sleds

- 22.02.25: Exhibition driving
- 22.02.26: Commercial advertising vehicles

22.02.01: OPERATOR MUST BE LICENSED

No person shall drive any motor vehicle upon a highway or street in this City unless such person holds a license which legally entitles said person to use the highways of the State of South Dakota.

22.02.02: PERSONS UNDER THE INFLUENCE OF INTOXICATING LIQUOR OR NARCOTIC DRUGS

No person who is in an intoxicated condition, or under the influence of intoxicating, liquor or narcotic drugs, shall drive or operate or attempt to drive or operate any motor vehicle or other vehicle upon any of the public highways, streets, alleys, or public grounds of the City.

22.02.03: STOP REQUIREMENTS FOR RAILROAD GRADE CROSSING

If any person driving a vehicle approaches a railroad grade crossing and a clearly visible or audible signal gives warning of the immediate approach of a railway train or car, he or she shall bring such vehicle to a complete stop within fifty feet but not less than fifteen feet from the nearest rail of such railroad and may not proceed until he or she can do so safely.

If any person driving a vehicle of any kind carrying school children, passengers for hire, explosives, or inflammable liquids approaches a railroad grade crossing, he or she shall bring such vehicle to a complete stop within fifty feet but not less than fifteen feet from the nearest rail of such railroad and may not proceed until her or she can do so safely. Said requirement to stop shall apply with or without the presence of a signal giving warning.

If any person driving a vehicle approaches a railroad grade crossing designated by stop signs, he or she shall bring such vehicle to a complete stop within fifty feet but not less than fifteen feet from the nearest rail of such railroad and may not proceed until he or she can do so safely. Said requirement to stop shall apply with or without the presence of a signal giving warning.

22.02.04: DRIVE ON RIGHT SIDE OF HIGHWAY

Upon all highways of sufficient width, except upon one way streets, the driver of a vehicle shall drive the same upon the right half of the highway and shall drive a slow moving vehicle as closely as possible to the right-hand edge or curb of such highway, unless it is impracticable to travel on such side of the highway and except when overtaking and passing another vehicle subject to the limitations applicable in overtaking and passing set forth in this Chapter.

22.02.05: MEETING OF VEHICLES

Drivers of vehicles proceeding in opposite directions shall pass each other to the right, each giving the other at least one-half of the main traveling portion of the roadway as nearly as possible.

22.02.06: OVERTAKING A VEHICLE

The driver of any vehicle overtaking another vehicle proceeding in the same direction on a two-lane street shall pass at a safe distance to the left thereof or on a four lane street shall pass at a safe distance in the lane for traffic going the same direction as the overtaken vehicle but not being used by the overtaken vehicle.

The driver of a vehicle shall not deviate from his direct line of travel without ascertaining that such movement can be made with safety to other vehicles approaching from the rear and about to overtake and pass such first mentioned vehicle.

22.02.07: LIMITATIONS OF PRIVILEGE OF OVERTAKING AND PASSING

The driver of any vehicle shall not drive to the left side of the center line of a highway in overtaking and passing another vehicle proceeding in the same direction, unless such left side is clearly visible and is free of oncoming traffic for sufficient distance ahead to permit such over-taking and passing to be made safely.

The driver of any vehicle shall not overtake and pass any other vehicle proceeding in the same direction at any railroad grade crossing not at any

intersection of highways or streets unless permitted to do so by a law enforcement officer provided, however, a driver of a vehicle may overtake and pass on the right of another vehicle proceeding in the same direction at an intersection where a traffic holding lane is clearly marked either by signs or lines on the roadway.

The driver of any vehicle shall not overtake and pass any other vehicle proceeding in the same direction when traveling in a no passing zone on any highway, street, or bridge when either marked by signs or lines on any highway, street or bridge.

22.02.08: DRIVER TO GIVE WAY TO OVERTAKING VEHICLE

The driver of any vehicle upon a highway or street, about to be overtaken and passed by another vehicle approaching from the rear shall give way to the right in favor of the overtaking vehicle on suitable and audible signal being given the driver of the overtaking vehicle, and shall not increase the speed of his or her vehicle until completely passed by the overtaking vehicle.

22.02.09: FOLLOWING TOO CLOSELY

The driver of a motor vehicle shall not follow another vehicle more closely than is reasonable and prudent, having due regard to the speed of such vehicles and the traffic upon and condition of the highway or street.

22.02.10: TURNING AT INTERSECTIONS

The driver of a vehicle intending to turn to the right at an intersection shall approach such intersection in the lane of traffic nearest to the right hand side of the highway, and in turning shall keep as close as practicable to the right-hand curb or edge of the highway or street, and when intending to turn to the left shall approach such intersection in the lane for traffic to the right of and nearest to the center line of the highway or street and in turning shall pass beyond the center of the intersection, passing as closely as practicable to the right thereof before turning such vehicle to the left.

For the purpose of this Section, the center of the intersection shall mean the meeting point of the medial lines of the highway or streets intersecting one another.

The City Commission may authorize the Police Chief to modify the foregoing methods of turning at intersections by clearing indicating by buttons, markers, or other directions signs installed within an intersection the course

to be followed by vehicles turning thereat, and it shall be unlawful for any driver to fail to turn in a manner as so directed.

22.02.11 RIGHT OF WAY

When to vehicles approach or enter an intersection at approximately the same time, the driver of the vehicle on the left shall yield the right of way to the vehicle on the right except as otherwise specifically provided by this Chapter. The driver of any vehicle traveling at an unlawful speed shall forfeit any right of way which he or she might otherwise have hereunder.

The driver of any vehicle within an intersection intending to turn to the left shall yield the right of way to any vehicle approaching from the opposite direction which is within the intersection or so close thereto as to constitute an immediate hazard, but said driver having so yielded and having given a signal when and as required by this Ordinance, may make such left turn and the drivers of all other vehicles approaching the intersection from said opposite direction shall yield the right of way to the vehicle making the left turn.

The driver of any vehicle upon a street or highway shall yield the right of way to a pedestrian crossing such highway or street within any clearly marked crosswalk or any regular pedestrian crossing included in the prolongation of the lateral boundary lines of the adjacent sidewalk at the end of a block, except at intersections where the movement of traffic is being regulated by traffic officers or traffic directions devices.

At intersections where traffic is controlled by traffic control signals or law enforcement, drivers of vehicles, including those marking turns, shall yield the right of way to pedestrians crossing or those who have started to cross the roadway on a "Green" or "Go" signal, and in all other cases, pedestrian shall yield the right of way to vehicles lawfully proceeding directly ahead on a "Green" or "Go" signal. Every pedestrian crossing a highway or street at any point other than a pedestrian crossing, crosswalk or intersection shall yield the right of way to vehicles upon the highway or street.

22.02.12: EXCEPTIONS TO RIGHT OF WAY RULE

The driver of any vehicle about to enter or cross a public highway or street from a private road or driveway or ally shall yield the right of way to all vehicles approaching on such public highway or street.

The driver of a vehicle upon a highway or street shall yield the right of way to police and fire department vehicles, when the latter are operated upon official business and ambulances and the drivers thereof sound audible signal by bell, siren or exhaust whistle. The provisions above shall not operate to relieve the driver of a police, fire department vehicle or ambulance from the duty to drive with due regard for the safety of all persons using the highway nor shall it protect the driver of any such vehicle from the consequence of an arbitrary exercise of such right of way.

Highway or street maintainers in the performance of their duties of maintaining the highway shall have the preference of right of way, and shall be permitted to drive upon the left-hand side of the traveled portion of the highway or street for the purpose of dumping materials, for repairing said highway or street and also for smoothing the road surface; such highway or street maintainer shall not indiscriminately block traffic, but shall allow reasonable room on the traveled portion of the highway for other vehicles to pass; such highway or street maintainer shall not however, be bound by the rules herein provided to turn to the right when meeting other vehicles or allowing them to pass when his work requires him to remain on the other side of the traveled portion of the highway; such maintainers shall not in any way interfere with the traffic on said highway unless absolutely necessary, and shall take all proper precautions to provide for the safety and protection of the users of such a highway, including proper warning of such repair or maintenance work; such maintainers, however, shall be subject to the rules of travel as herein provided, except when the performance of their maintenance work requires them to do otherwise.

22.02.13: REQUIREMENTS ON APPROACH OF AUTHORIZED VEHICLE

Upon the immediate approach of an authorized emergency vehicle making use of audible and visual signals meeting the requirements of this Ordinance and laws of the state of South Dakota, or of a law enforcement vehicle properly and lawfully making use of an audible signal only, the driver of every other vehicle shall immediately drive to a position as near as possible and parallel to the right-hand edge or curb of the highway or street, or in case of a one-way highway the nearest edge or curb, clear of any intersection of highways or streets, and shall stop and remain in such position unless otherwise directed by law enforcement officer or until the authorized emergency vehicle shall have passed. This Section shall not operate to relieve the driver of an authorized emergency vehicle from the duty to drive with due regard for the safety of all persons using the highway.

22.02.14: DRIVING THROUGH SAFETY ZONE PROHIBITED

The driver of any vehicle shall not at any time drive through or over a safety zone as defined in this Ordinance.

22.02.15: COASTING PROHIBITED

No person shall when driving a vehicle upon a down grade upon any highway coast with the gears of said vehicle in neutral.

22.02.16: DRIVING ON SIDEWALK AND BIKE PATH PROHIBITED

No person shall drive any vehicle within any sidewalk or bike path area except at a permanent or temporary driveway or alley, or except as may be specifically allowed in this Ordinance.

22.02.17: BACKING AROUND CORNERS OR INTO INTERSECTIONS PROHIBITED

No person shall back any vehicle around a corner at an intersection, or into an intersection of public streets.

22.02.18: RECKLESS DRIVING

No person shall drive any vehicle upon any highway, street or alley in a careless and/or heedless manner in disregard of the rights or safety of others,

or without due caution and circumspection and at a speed or in a manner so as to endanger or likely endanger any person or property.

22.02.19: CARELESS DRIVING

No person shall drive any vehicle upon any highway, street or alley of this City carelessly and without due caution, at a speed or in a manner so as to endanger or likely endanger, any person or property, but not amounting to reckless driving in this Chapter.

22.02.20: U-TURNS AT INTERSECTIONS

At any intersection where traffic is controlled by traffic control signals or by law enforcement officer, or where warned by an official traffic control sign displaying the words “No” U-Turn” or “No Left Turn”, no person shall operate turn any vehicle at the intersection so as to proceed in the opposite direction.

Vehicles making a lawful U-Turn at any intersection shall grant the right of way to all vehicles and motor vehicles approaching and entering such intersection for any purpose other making a U-Turn.

22.02.21: U-TURN PROHIBITED

No person shall make a U-Turn by operating a motor vehicle in the middle of a block, to change direction of travel, or to obtain parking on the opposite side of the roadway, or at any other place other than at an intersection where said U-Turn are not prohibited.

22.02.22: TRUCK ROUTES AND USE OF STREETS OR HIGHWAY BY TRUCKS

It shall be unlawful for any truck, other than pickups pulling tandem or fifth wheel stock trailers, equipped with more than three (3) axles to travel or park upon any street in the City unless such street is a designated truck route, or unless it is necessary to travel or park upon such streets to pick up or make delivery of merchandise or material for a legitimate business purpose. In determining whether a truck is equipped with more than three (3) axles, the number of axles on the truck and the number of axles on any trailer which the truck is pulling shall be added together. If a detour should be

posted around the streets included in the truck route, the detour shall constitute a part of the truck route.

22.02.23: SLOW DRIVING

No person shall drive any vehicle at an unnecessarily slow rate of speed as to hinder or retard traffic.

22.02.24: STEALING RIDES AND TRAILING SLEDS

No person shall cause to be attached or to permit any sled of any kind occupied by children to be trailed behind any vehicle, and no person shall ride, trespass upon, seize hold of, or drag, slide, or in any manner trail behind any vehicle.

22.02.25: EXHIBITION DRIVING

No person shall drive a vehicle within the limits of the City in such a manner that creates or causes unnecessary engine noise, or tire squeal, skid or slide upon acceleration or stopping or that simulates a temporary race; or that causes the vehicle to unnecessarily turn abruptly or sway.

22.02.26: COMMERCIAL ADVERTISING VEHICLES

No person shall operate, stand, or park a vehicle on any street for the purpose of commercial advertising. Advertisements relating to the business for which a vehicle is used may be put upon a motor vehicle when such vehicle is in use for normal delivery or business purpose, and not merely or mainly for the purpose of commercial advertising.

Notwithstanding the forgoing provision of this Section, buses and taxi cabs operated for whether for hire or at no charge and law enforcement and emergency vehicles may display commercial advertisements on the exterior surface area of said vehicles.

- d. Any dead animal remaining on any public property for a period of more than twenty-four (24) hours

22.05.10: FIRES ON PUBLIC PROPERTY PROHIBITED

No person shall ignite any bonfire or campfire on public property

22.05.11: STORAGE ON PUBLIC PROPERTY PROHIBITED

No person shall, unless specifically authorized by the Summerset Police Department, store or permit to be stored any trailer, recreational vehicle, implement, vehicle or other personal property on any public right-of-way.

For the purpose of this Chapter, the term “store” shall include the following:

- a. Leaving any car, pick up, motorcycle, camper, or recreational vehicle in any public right of way for more that five (5) consecutive days
- b. Leaving any farm tractor, implement, trailer, truck or truck tractor in any public right of way for more than twenty-four (24) hours or

Any trailer, recreational vehicle, implement, vehicle or other personal property being stored in violation of this Section shall be immediately removed from the right of way and may not be continued to be stored by moving said property to another location in any public right of way.

22.05.12: POLICE DEPARTMENT GRANTED CERTAIN AUTHORITY

The Summerset Police Department shall have the power to authorize the storage of any vehicle or trailer in the public right a way upon request of an owner in the event said owner proves the Police Department that the storage is necessary for a specific, temporary period of time at a certain location and that the vehicle or trailer is being used in connection with a construction

repair, or clean up project, or another event deemed appropriate by the Police Department and that said project is associated with real property adjacent to or closely located to the area of the public right away where the vehicle or trailer will be temporarily stored.

2.05.13: REMOVAL OF PROHIBITED CARS AND OTHER PERSONAL PROPERTY

Any vehicle or trailer located upon public property in violation of this Chapter or any traffic ordinance of the City may be summarily removed by the Police Department. The owner of the removed vehicle, in addition to any fines and penalties which may be imposed for such violation, shall pay the charges for towing and storage of the removed vehicle.

Any personal property located on any public property in violation of this Chapter may be summarily removed by the Police Department. The owner or person responsible for the violation, in addition to any fines and penalties which may be imposed for such violation, shall pay any costs incurred for the removal of the personal property.

22.05.14: VIOLATION FEES

In addition to the cost of removal and/or storage and assessment of any charges related thereto, any person who violates this chapter, except in the event where the violation involves parking a vehicle in a stall or space designated for physically handicapped persons, shall within 72 hours from the time when the notice of violation was attached to the vehicle, pay to the City the sum of \$10.00. If any person fails to pay sum within 72 hours, he or she shall pay to the City the sum of \$20.00.

The Police Department of the City is hereby authorized to remove any vehicle at the expense of the owner of the vehicle from stall or a space designated for physically handicapped persons, if the vehicle is parked in violation of the provisions.

Any person who parks a vehicle in a stall or space designated for physically handicapped persons as prohibited by the Chapter, shall within 72 hours from the time when the notice of violation was attached to the vehicle, pay to the City the sum \$100.00. If any person fails to pay the sum within 72 hours, he or she shall pay to City the sum of \$110.00.

22.05.15: REVIEW BY CITY COMMISSION

Any person having received a notice of violation from the Police Department made under this Chapter shall be entitled to have said decision/action reviewed by the City Commission. The process shall be as follows:

An aggrieved person shall request a review with the Police Department by filing out a written request form to be provided by the Police Department.

- A. Upon completion of said form, the Police Department shall place the review upon the agenda for the City Commission meeting
- B. The Police Department shall provide written notice to the person requesting the review specifying the time, date and location of the meeting.
- C. The City Commission may notify the aggrieved person of its decision following the meeting; however, the Commission shall issue a written decision to the person within twenty (20) days of the meeting.

Nothing in this section shall be constructed to deprive any person of his or constitutional right a hearing or trial as to any violation charged.

22.05.16: FAILURE TO PAY ENFORCEMENT BY COURT APPEARANCE

Upon failure of any person to any violation fee or fine within the time periods indicated the City may request a summons from the magistrate court requiring said person to appear in court to answer for the violation.

22.05.17: HANDICAPPED PARKING SPACES PROVIDED

The City Commission may, by resolution, designate certain parking spaces within the regulated parking district established herein, as parking for the handicapped only. These spaces shall be clearly designated by posting of signs designating them as handicapped parking spaces only. Only a vehicle which is operated by a disabled person, or a vehicle in which a disabled person is riding, and which vehicle bears a sticker issued by the State of South Dakota, certifying that the owner/operator of this vehicle is a disabled

person, shall be allowed to park in these handicapped designated parking spaces. The fact that the vehicle bears a sticker issued by the State of South Dakota certifying that the owner/operator of the vehicle is a disabled person, shall not exempt the person/operating the vehicle from complying with the parking time limit restrictions provided for in this Chapter.

22.05.18 STORAGE AND PARKING OF TRAILERS, RECREATIONAL VEHICLES AND COMMERCIAL VEHICLES

A. Definitions

1. Recreational Vehicle

Any vehicle that is equipped for sleeping is considered a recreational vehicle including but not limited to any motor home, travel trailer, fifth wheel trailer, camper not mounted on a truck, or any other vehicle or object, which the officer deems to be a large recreational vehicle. This includes but not limited to boats, snowmobiles, jet skis (or trailers to carry them). It also includes but is not limited to small utility trailers, camper van conversions, tent trailers or campers mounted in trucks.

B. Commercial vehicles may be parked on the driveway of a residence provided that the vehicle is parked 5 feet back from the interior edge of the sidewalk or 5 feet back from the curb if there is no sidewalk and must follow section 2.28.020.B.1 of Zoning Ordinance #2 for parking surface. Commercial vehicles loaded with live animals, or any hazardous material as defined by U.S. Department of Transportation regulations will not be permitted.

C. Trailers or recreational vehicles on roadways or on public places cannot be occupied on a regular basis with respect to using them as a temporary dwelling.

E. Seasonal Distinction

1. May 1 and September 30 - A recreational vehicle may be parked on the driveway of a residence provided that the vehicle is parked 5 feet back from the interior edge of the sidewalk or 5 feet back from the curb if there is no sidewalk and must follow section 2.28.020.B.1 of Zoning Ordinance #2 for parking surface.

2. October 1 to April 30 - Parking will be permitted for seventy-two (72) hours in any seven (7) day period on the driveway of a residence provided that the vehicle is parked 5 feet back from the interior edge of the sidewalk or 5 feet back from the curb if there is no sidewalk and must follow section 2.28.020.B.1 of Zoning Ordinance #2 for parking surface.
3. All seasonal parking shall conform to City of Summerset Snow Removal Ordinance.

F. Penalties and Enforcement

In addition to any and all remedies allowed under the laws of the State of South Dakota and this ordinance, a violation of any requirement of this ordinance shall also be subject to the penalties as outlined in Chapter 2.42 of Zoning Ordinance #2.

CHAPTER 22.06
SIGNS, SIGNALS, AND TRAFFIC CONTROL DEVICES

SECTIONS:

- 22.06.01 Signals on starting, stopping or turning
- 22.06.02 Flag or light at end of load
- 22.06.03 Unauthorized signs prohibited
- 22.06.04 Interference with signs and signals prohibited
- 22.06.05 Traffic control signal legend
- 22.06.06 Following direction of law enforcement officer

22.06.01: SIGNALS ON STARTING, STOPPING OR TURNING

The driver of any vehicle upon a highway or street before starting, stopping or turning from a direct line shall first see that such movement can be made in safety and if any pedestrian may be affected by such movement shall give a clearly audible signal by sounding the horn, and whenever the operation of any other vehicle may be affected by such movement shall give a signal as required in this Section plainly visible to the driver of such other vehicle of the intention to make such movement.

The signal herein required shall ne given by means of the hand and arm in the manner herein specified, or by an approved mechanical or electrical signal device such as signal lamp or lamps, except that when a vehicle is so constructed or loaded as to prevent the hand and arm signal from being visible both to the front and rear, then said signals must be given by such a lamp or lamps, or signal device.

Whenever the signal is given by means of the hand and arm, the driver shall indicate his intention to start, stop, or turn by extending the hand and arm from the left side of the vehicle in the following manner and such signals shall indicate as follows:

- a. Left turn: Hand arm extended horizontally
- b. Right turn: Hand and arm extended upward
- c. Stop or decrease speed: Hand and arm extended downward

22.06.02: FLAG OR LIGHT AT END OF LOAD

Whenever the load on any vehicle shall extend more than four feet beyond the rear of the bed or body thereof, there shall be displayed at the end of such load in such position as to be clearly visible at all times form the rear of such load a red flag not less than twelve inches both in length and width except that between one-half hour after sunset and one-half before sunrise there shall be displayed at the end of any such load a red light plainly visible under normal atmospheric conditions at least two hundred feet from the rear of such vehicle.

22.06.03: UNAUTHORIZED SIGNS PROHIBITED

No unauthorized person shall erect or maintain upon any highway, any warning or direction sign, marker, signal or light in imitation of any official sign, maker, signal or light erected under the provisions of this Ordinance, and no person shall erect or maintain upon any highway any traffic or highway sign or signal bearing thereon any commercial advertising. Nothing in this Section shall be construed to prohibit the erection of signs, markers, or signals bearing thereon the name of an organization authorized to erect the same by the City Commission.

22.06.04: INTERFERENCE WITH SIGNS AND SIGNALS PROHIBITED

No person shall willfully deface, injure, move, obstruct or interfere with any official traffic signs or signal as provided in this Ordinance.

22.06.05: TRAFFIC CONTROL SIGNAL LEGEND

Whenever traffic is controlled by traffic-control signals exhibiting the words “Go” or “Stop”, or exhibiting different colored lights successively one at a time, or with arrows, the following colors only shall be used and said terms and lights shall indicate and apply to drivers of vehicles and pedestrians as follows:

A. GREEN ALONE OR “GO”

1. Vehicular traffic facing the signal may precede straight through or turn right or left unless a sign at such place prohibits either such turn. But vehicular traffic, including vehicles turning right or left, shall yield the right of way to other vehicles and to pedestrians lawfully within the intersection or an adjacent cross walk at the time such signal is exhibited.
2. Pedestrians facing the signal may proceed across the roadway within any marked or unmarked cross walk.

B. STEADY YELLOW ALONE:

1. Vehicular traffic facing the signal is thereby warned that the red or “Stop” signal will be exhibited immediately thereafter and such vehicular traffic shall not enter or be crossing the intersection when the red or “Stop” signal is exhibited.
2. Pedestrians facing such signal are thereby advised that there is insufficient time to cross the roadway and any pedestrian then starting to cross shall yield the right of way to all vehicles.

C. STEADY RED ALONE OR “STOP”

1. Vehicular traffic facing the signal shall stop before entering the crosswalk on the near side of the intersection or, if none, then before entering the intersection and shall remain until

green or “go” is shown alone, except as hereinafter provided.

2. When the City Commission may permit, the driver of a vehicle which is stopped as close as practicable at entrance to the cross walk and to the far right side of the roadway, then at the entrance to the intersection in obedience to red or “stop” signal, may make a right turn but shall yield the right of way to pedestrians and other traffic proceeding as directed by signal at said intersection. Such Commission action permitting a right turn after a stop when facing a steady red light alone shall be effective when a sign is erected at such intersecting giving notice thereof.

D. STEADY RED WITH GREEN ARROW

1. Vehicular traffic facing such signal may cautiously enter the intersection only to make the movement indicated by such arrow but shall yield the right of way to pedestrians lawfully within a cross walk and to other traffic lawfully using the intersection.
2. No pedestrian facing such signal shall enter the roadway unless he can do so safely and without interfering with any vehicular traffic.
3. In the event of official traffic control signal is erected and maintained at a place other than an intersection, the provisions of this section shall be applicable except as to those provisions which by their nature can have no application. Any stop required shall be made at a sign or marking on the pavement indicating where the stop shall be made, but in the absence of any such sign or marking the stop shall be made at the signal. Whenever an illuminated flashing red or yellow signal is used in a traffic sign or signal it shall required obedience by vehicular traffic as follows.

E. FLASHING RED

1. When a red lens is illuminated with rapid intermittent flashes, drivers of vehicles shall stop before entering the nearest cross walk at an intersection or at a limit line when marked or, if none, then before entering the intersection, and the light to proceed shall be subject to the rules applicable after making a stop at a stop sign.

F. FLASHING YELLOW

1. When a yellow lens is illuminated with rapid intermitted flashes, drivers of vehicles may proceed through the intersection or past such signal only with caution.
2. This section shall not apply at railroad grade crossings. Conduct of drivers of vehicles approaching railroad grade crossing shall be governed elsewhere in this Ordinance.

22.06.06: FOLLOWING DIRECTIONS OF LAW ENFORCEMENT OFFICER

Regardless of all traffic signs, any driver of a motor vehicle shall obey traffic directions personally given by a law enforcement officer who is clearly identified as a law enforcement officer. Any willful failure to obey said directions shall constitute a violation of this Ordinance.

CHAPTER 22.07 DUTIES AND OBLIGATIONS IN EVENT OF ACCIDENT
