Colors are of the Rainbow

Shape is a Clover

Dear Family and Friends,

March 2019

PLEASE REMEMBER to **label** all of your children's items. **Coats and hats are important for this time of the year.**

March is National Nutrition Month. Because this month is Nutrition Month, we will be discussing what we have in our lunches. Fruits, Vegetables, Grain, Dairy. MMMM good. In honor of this month, please send snacks that reflect fruits and vegetables if possible. Bananas, berries, cheese, apple sauce, apples, yogurt, fruit strips, etc. Please do not send Fruit Chews. Thank you for your support.

PLEASE CHECK THE CALENDAR, Dr. Suess Week has a fun activity for each day.

Each day I will list the activities we enjoyed during our time together on the **Whiteboard** located outside of our door.

For the Month of March	<u>COLORS</u>	Rainbow Colors
	<u>SHAPE</u>	Clover
	<u>CIRCLE TIME</u>	First & Last Name
		Counting 1 - 10
		Alphabet
		Weather
	<u>SCIENCE</u>	blending colors
	<u>SENSORY</u>	using our five senses
	<u>STORY TIME</u>	relates to the theme
	<u>SMALL MOTOR</u>	stacking, stringing, coloring, puzzles, scissors, hold correctly
<u>MATH</u>	(through play) patterns, matching Sorting, counting	

Ms. Michelle will have Chapel Time during the month.
