**D. Consider and Discuss City Logo.**

Mr. Archer explained that he would like to see a unified logo for the city. He has presented other cities’ logos to see what other entities are using. Councilmember Campbell said he would like to see the logo include “city of” to make sure it is known that the logo belongs to the city. The Council discussed various incarnations of the proposed logos and made suggestions for changes and additions. Discussion turned to whether or not the city should have a policy regarding allowing businesses to use the city’s logo on their signage. Mayor King feels that allowing that would suggest that that business was part of the city government. Councilmember Weger expressed that he does not want to rush the decision on the final logo to ensure that the logo will represent a sound brand. The Council requested that Mr. Archer take the suggestions and provide updated proposed logos at the next meeting.

**E. Consider and Discuss TEAM Building and Long Range Planning.**

Mayor King informed the Council that the second of three public tax meetings had been held earlier in the day with no one in attendance. He went on to say that there was no new information available at this time. The next meeting will be held on June 13, 2016 at 3:00 p.m. and by then we should know how valuation for the city.
